

RESOLUTION 79-120

On behalf of the people of California, we, the members of the Board of Directors of the California Housing Finance Agency, express our deep gratitude to Pat Goeters, who has resigned effective September 30, 1979, as the Senior Vice President in charge of CHFA programs.

Since his appointment, August 18, 1975, as the first staff member of the CHFA, Pat Goeters has tirelessly worked to create and mold the CHFA into a strong, independent and competent financing institution. Through his efforts to design and operate sound programs and select and train outstanding staff, he has provided the guidance and leadership necessary to produce the finest and best housing possible with government programs.

Today, four years after the CHFA was created, we look upon the first fruits of our labor with pride. The single family homes that have been built, rehabilitated and purchased with CHFA financing, the neighborhoods that have been improved, and the rental projects that are occupied and under construction stand as worthy testaments to the efforts of the CHFA Board and staff to provide housing to meet the needs of low and moderate income Californians.

Our modest successes are the result of the efforts of many persons and institutions both within and without government. And yet we recognize that probably more than any other single person, Pat Goeters is responsible for the success of the CHFA. His counsel, not always given nor received with extreme grace, will be missed. His strength, knowledge and skill will not easily be replaced.

We express our most sincere appreciation to Pat Goeters as he leaves the CHFA and wish him the very best in his future endeavors. We part hoping that we have learned well that which he has tried to teach us.
