INDEPENDENT AUDITORS' REPORT ON COMPLIANCE AND INTERNAL CONTROL OVER COMPLIANCE APPLICABLE TO THE MAJOR FEDERAL AWARD PROGRAM AND ON THE SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

To the Board of Directors
California Housing Finance Agency
Sacramento, California

Compliance

We have audited the compliance of the California Housing Finance Fund (Fund), which is administered by the California Housing Finance Agency (Agency), a component unit of the State of California, with the types of compliance requirements described in the *U.S. Office of Management and Budget (OMB) Circular A-133 Compliance Supplement* that are applicable to the Fund's major federal program for the year ended June 30, 2002. The Fund's major federal program is identified in the summary of auditors' results section of the accompanying Schedule of Findings and Questioned Costs. Compliance with the requirements of laws, regulations, contracts, and grants applicable to its major federal program is the responsibility of the Agency's management. Our responsibility is to express an opinion on the Agency's compliance based on our audit.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Fund's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination on the Fund's compliance with those requirements.

In our opinion, the Agency, complied, in all material respects with the requirements referred to above that are applicable to the Fund's major federal program for the year ended June 30, 2002.

Internal Control Over Compliance

The management of the Agency is responsible for establishing and maintaining effective internal control over compliance with requirements of laws, regulations, contracts, and grants applicable to federal programs. In planning and performing our audit, we considered the Agency's internal control over compliance with requirements that could have a direct and material effect on a major federal program in order to determine our auditing procedures for the purpose of expressing our opinion on compliance and to test and report on internal control over compliance in accordance with OMB Circular A-133.

Our consideration of the Agency's internal control over compliance would not necessarily disclose all matters in the internal control that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that noncompliance with applicable requirements of laws, regulations, contracts, and grants that would be material in relation to a major federal program being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the Agency's internal control over compliance and its operation that we consider to be material weaknesses.

Schedule of Expenditures of Federal Awards

We have audited the combined financial statements of the Fund, which is administered by the Agency, a component unit of the State of California, as of and for the year ended June 30, 2002, and have issued our report thereon dated September 27, 2002. Our audit was performed for the purpose of forming an opinion on the Fund's combined financial statements taken as a whole. The accompanying schedule of expenditures of federal awards is presented for the purpose of additional analysis as required by OMB Circular A-133 and is not a required part of the Fund's combined financial statements. This schedule is the responsibility of the management of the Agency. Such information has been subjected to the auditing procedures applied in our audit of the Fund's combined financial statements and, in our opinion, is fairly stated, in all material respects, when considered in relation to the Fund's combined financial statements taken as a whole.

This report is intended solely for the information and use of the Board of Directors, management of the Agency and federal awarding agencies and is not intended to be and should not be used by anyone other than these specified parties.

See Independent Auditors' Report and note to Schedule of Expenditures of Federal Awards.

CALIFORNIA HOUSING FINANCE FUND

NOTE TO THE SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS YEAR ENDED JUNE 30, 2002

Basis of Presentation

The accompanying schedule of expenditures of federal awards includes the federal grant activity of the California Housing Finance Fund (Fund), which is administered by the California Housing Finance Agency, a component unit of the State of California, and is presented on the accrual basis of accounting. The information in this schedule is presented in accordance with the requirements of OMB Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations.

The Fund receives all grants directly from the Federal Grantor Agency. All amounts received are passed through to subrecipients. During the year ended June 30, 2002, no noncash awards were received.

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE AND ON INTERNAL CONTROL OVER FINANCIAL REPORTING BASED UPON THE AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors
California Housing Finance Agency
Sacramento, California

We have audited the combined financial statements of the California Housing Finance Fund (Fund), which is administered by the California Housing Finance Agency (Agency), a component unit of the State of California, as of and for the year ended June 30, 2002, and have issued our report thereon dated September 27, 2002. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Governmental Auditing Standards*, issued by the Comptroller General of the United States.

Compliance

As part of obtaining reasonable assurance about whether the Fund's combined financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under *Government Auditing Standards*.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the Agency's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the Fund's combined financial statements and not to provide assurance on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the combined financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses.

This report is intended for the information and use of the Board of Directors, management of the Agency and federal awarding agencies and is not intended to be and should not be used by anyone other than these specified parties.
