CalHFA Streamlines Lender Application and Lender Recertification

This program bulletin supersedes all program bulletins related to new lender applications and annual lender recertifications including program bulletins #2007-32, #2011-14, #2011-22, #2014-17 and #2016-12.

Effective February 1, 2017, CalHFA will accept new lender applications under a streamlined process.

A simplified annual lender recertification process will also go into effect starting with the 2017 recertifications. The new recertification process will have increased emphasis on the certification itself and will eliminate much of the paperwork currently involved.

Complete details can be found on CalHFA's [Direct Lender webpage](#).
