

California Housing Finance Agency
Notice to Public and All Interested Mortgage Lenders
Regarding 2015-2nd Mortgage Credit Certificate Program

Notice of Correction

The California Housing Finance Agency has implemented a Mortgage Credit Certificate (“MCC”) program to provide financial assistance to first-time homebuyers by allowing those homebuyers to take 20% of their annual mortgage interest payments as a tax credit against their personal income tax. The MCCs will be issued upon the purchase of new or existing housing located in the State of California. This notice is being published to provide a correction to a date included in the previous notice which was published in various newspapers July 1 through July 3, 2015. The corrected information appears below underlined in bold type.

No MCC will be issued prior to 90 days from the date of publication of this notice, or after the date that all of the MCCs have been allocated, and in no event later than **December 31, 2017**.
