## HOW TO VIEW THE MEETING via GoToWebinar:

**REGISTER** for the meeting by clicking on the link as shown on the meeting Agenda or Notice

**JOIN** the meeting when it starts by clicking on the link in the confirmation email you received after registering

**CHOOSE** your audio source from either:

1. **Voice Over Internet Protocol - (VoIP)** allows you to make voice calls using your computer's broadband internet connection instead of a regular (or analog) phone line. Participants who join the meeting using VoIP need speakers or headphones to listen to the webinar and a microphone to speak. A headset is recommended for speaking and listening.
2. **Telephone:** If you prefer to use your phone (landline or cell phone) as your audio connection, select "Use Telephone" after joining the webinar and call in by entering the phone number and access code from your meeting confirmation email. After joining the webinar, an Audio PIN will be shown on your screen. Enter the PIN. Please note, this is not a toll-free number and participants may be charged their standard long-distance rate for the call.

## HOW TO PROVIDE COMMENTS via GoToWebinar:

**RAISE HAND:** During the public comment portion of the meeting, indicate you would like to ask a question or address the Board by clicking on the "raised hand" icon. This will alert the meeting organizer that you have a question. When it is your turn to speak, your mic will be unmuted, and you will be asked to state your comment. Your comment will be part of the official public record.
