## **MINUTES**

# California Housing Finance Agency (CalHFA) Board of Directors Meeting September 22, 2022

Meeting noticed on September 9, 2022

## 1. ROLL CALL

The California Housing Finance Agency Board of Directors Meeting was called to order at 10:02 a.m. A quorum of members was present.

MEMBERS PRESENT: Avila Farias, Cabildo, Kergan (for Castro Ramírez),

Cervantes, Johnson Hall, Ma, Russell, Silber (for

Assefa), Sotelo, Velasquez, White

MEMBERS ARRIVING

AFTER ROLL CALL: Gunn (for Imbasciani)

MEMBERS ABSENT: Stephenshaw, Prince

STAFF PRESENT: Claire Tauriainen, Melissa Flores, Don Cavier, Ellen

Martin, Kate Ferguson

\*Early departure: Ma (replaced by STO delegate Noah Starr)

## **2.** Approval of the Minutes – July 21, 2022

The minutes were approved by unanimous consent of all members in attendance.

## 3. Chairperson/Executive Director comments

Executive Director comments:

- Executive Director Johnson Hall began her comments by announcing member Cervantes was recently appointed as Chairperson of the CalHFA Board of Directors. She thanked member Sotelo for her outstanding work as Acting Board Chair during the past several months.
- She shared that CalHFA was recently certified as a "Great Place to Work" based

2

on results from a survey staff completed.

- She shared that Governor Newsom's recent Executive Order on equity, which
  directs state government agencies and departments to embed policies and
  procedures in their strategic plans to further advance equity and opportunity, is an
  order that CalHFA can happily and easily comply with as it currently aligns with
  CalHFA's focus to emphasize equity in our activities.
- She recently spoke at several events including a housing policy class for graduate students at UC Berkeley, a Cal-Vet conference in San Diego and the San Joaquin Housing Collaborative Affordable Housing Conference.
- She ended her remarks by thanking members Russell and Avila Farias for their participation at project groundbreaking events in San Jose and National City.

## Chairperson comments:

- Chair Cervantes thanked the Governor and his staff for his appointment as Board Chair. He expressed his excitement regarding his new position and looks forward to helping serve Californians by increasing sustainable affordable housing. He also expressed his gratitude for member Sotelo and her willingness to act as Board chair when the position was vacant.
- He announced that all vacancies on Board committees have been filled. He and member Russell will join Secretary Castro Ramírez on the Executive Evaluation Committee. Member White will join member Sotelo and Treasurer Ma on the Audit Committee.

## 4. <u>Discussion, recommendation, and possible action to adopt a Board Member</u> Code of Conduct – Resolution No. 22-16

Presented by Claire Tauriainen

On a motion by Gunn, the Board approved staff recommendation for **Resolution No. 22-16**. The votes were as follows:

AYES: Avila Farias, Cabildo, Cervantes, Gunn (for Imbasciani), Starr (for

Ma), Velasquez, Kergan (for Castro Ramírez), Russell, Sotelo,

White

NOES: None

ABSTENTIONS: None

ABSENT: Prince

# 5. <u>Discussion, recommendation, and possible action to establish the Dream for</u> All Loan Appreciation Program – Resolution No. 22-21

Presented by Ellen Martin

On a motion by Cabildo, the Board approved staff recommendation for **Resolution No. 22-21**. The votes were as follows:

AYES: Avila Farias, Cabildo, Cervantes, Gunn (for Imbasciani), Starr (for

Ma), Velasquez, Kergan (for Castro Ramírez), Russell, Sotelo,

White

NOES: None

ABSTENTIONS: None

ABSENT: Prince

# 6. <u>Presentation on supplemental subsidy for 2022 Mixed-Income Program</u> Loans

Presented by Kate Ferguson

Ferguson updated the Board on the impact current market conditions have had on the 2022 Mixed-Income Program allocations. These conditions have left some projects with major funding gaps and supplemental allocations were deemed necessary. Developers, investors, local government agencies and general contractors also found ways to reduce costs so that projects were able to be funded appropriately despite market conditions.

# 7. <u>Final loan commitment for Serra Apartments, No. 22-016-A/X/N, for 179 units located in Fremont/Alameda – Resolution No. 22-22</u>

Presented by Kate Ferguson

On a motion by Russell, the Board approved staff recommendation for **Resolution No. 22-22**. The votes were as follows:

AYES: Avila Farias, Cabildo, Cervantes, Gunn (for Imbasciani), Starr (for

Ma), Velasquez, Kergan (for Castro Ramírez), Russell, White

NOES: None

ABSTENTIONS: None

ABSENT: Prince, Sotelo

- 8. <u>Agenda item 8 (Final Loan Commitment for Mainline North Apartments –</u> Resolution No. 22-23) was removed from the agenda
- 9. <u>Final loan commitment for 8181 Allison, No. 22-018-A/X/S, for 147 units</u> located in <u>La Mesa/San Diego Resolution No. 22-24</u>

Presented by Kate Ferguson

On a motion by Gunn, the Board approved staff recommendation for **Resolution No. 22-24**. The votes were as follows:

AYES: Avila Farias, Cabildo, Cervantes, Gunn (for Imbasciani), Starr (for

Ma), Velasquez, Kergan (for Castro Ramírez), White

NOES: None

RECUSED: Russell

ABSENT: Prince, Sotelo

# 10. <u>Final loan commitment for 515 Pioneer, No. 22-014-A/X/S, for 340 units</u> located in Glendale/Los Angeles – Resolution No. 22-25

On a motion by Russell, the Board approved staff recommendation for **Resolution No. 22-25**. The votes were as follows:

AYES: Avila Farias, Cabildo, Cervantes, Gunn (for Imbasciani), Starr (for

Ma), Velasquez, Kergan (for Castro Ramírez), Russell, White

NOES: None

ABSTENTIONS: None

ABSENT: Prince, Sotelo

# 11. <u>Final loan commitment for Anton Power Inn, No. 21-002-A/X/N, for 194 units</u> located in Sacramento/Sacramento – Resolution No. 22-26

On a motion by Russell, the Board approved staff recommendation for **Resolution No. 22-26**. The votes were as follows:

AYES: Avila Farias, Cabildo, Cervantes, Gunn (for Imbasciani), Starr (for

Ma), Velasquez, Kergan (for Castro Ramirez), Russell, White

NOES: None

ABSTENTIONS: None

ABSENT: Prince, Sotelo

## 12. Informational Reports:

Chair Cervantes asked if there were any questions or comments about the informational reports. Member Russell requested a legislative update focusing on the end of the current session and a look ahead at the upcoming session. Member Kergan requested that a discussion about single family performance by region be had at a future meeting.

## 13. Other Board matters

Chair Cervantes asked if there were any other Board matters to be discussed. Member Avila Farias requested an update on the Accessory Dwelling Unit Grant Program at a future meeting.

## 14. Public comment

Chair Cevantes asked if there were any members of the public who would like to provide a comment. The following people made a public comment:

- Ryan O'Connell
- Robert Walls

## 15. Adjournment

As there was no further business to be conducted, Chair Cervantes adjourned the meeting at 12:48 pm

## **PROJECT SUMMARY**

	PROJECT SUMMARY								
2.	Legislative Districts	Congress:	#4 Tom McClintock	Assembly:	#6 Kevin Kiley	State Senate:	#4 Jim Nielsen		
	Brief Project Description	Project. It con There will be 3 Placer County s.f.), 84 two-be bedroom and	Fiddyment Apartments (the "Project") is a new construction family, mixed income Project. It consists of 11 3-story residential walk-up buildings and 1 community building. There will be 330 total units, 326 of which will be restricted between 30% and 80% of the Placer County Area Median Income (AMI). There will be 162 one-bedroom units (626 s.f.), 84 two-bedroom units (950 s.f.), and 84 three-bedroom units (1,200 s.f.). 2 two-bedroom and 2 three-bedroom units will serve as the manager's units. This project is not in a disaster relief area. The site is currently vacant land.						
		<b>Financing Structure:</b> The Project's financing structure includes financing from tax-exempt bonds, taxable construction loan, 4% Federal Tax Credit equity (4% Federal LIHTC allocation), and State Housing Tax Credit equity and Agency's tax-exempt loan program and Mixed-Income Program (no supplemental MIP allocation). The project will be income averaged, pursuant to TCAC regulations.							
		Tax Credits and/or CDLAC Status: The developer received an allocation for 4% federal tax credits and California state tax credits and bond cap from TCAC/CDLAC on June 15, 2022 and an allocation of supplemental tax-exempt bonds from CDLAC on September 1, 2022. The supplemental allocation was requested to add a cushion to the project's 50% aggregate basis requirement (the "50% test") which was at approximately 50% and now will increase to approximately 52%. The supplemental allocation is necessary to accommodate a potential cost increase during construction.							
		Ground Lease: Not applicable.							
		<b>Project Amenities:</b> The Project includes a community room, swimming pool, playground, half basketball court, exercise room, picnic area, and central laundry facilities. Unit amenities will include central heating and air conditioning, dishwasher, garbage disposal, and potentially washer and dryer hook-ups in the units (residents will be required to provide their own laundry equipment).							
			s and Services: For e area per TCAC/HC		-	-	ated within a		

<sup>\*</sup> The Agency has determined that the Indicative Rate of 6.21%, and not the Maximum Rate, is the fixed rate that shall be locked upon Borrower's request as set forth in the Indicative Rate Lock Agreement.

SLC Final Staff Report for: Fiddyment Apartments CalHFA Project Number: 22-009-A/X/N

SLC Date: 10/05/2022 Board Date: 10/20/2022

The Project is in close proximity to the following local amenities and services:

- Grocery stores 2.3 miles
- Schools 1-2 miles
- Public Library 3.0 miles
- Public transit 2.3 miles
- Park and recreation 0.5 miles
- Hospital 7 miles
- Pharmacy 2.3 miles
- Post Office 5.9 miles

Non-displacement <u>and</u> No Net Loss: To the extent feasible, it is the Agency's priority to mitigate the overall effects upon affordable housing availability that may arise from multifamily developments that may result in permanent displacement of existing affordable housing residents and/or net loss of existing affordable housing units. The Project is a new construction project on vacant land, with no related demolition of existing affordable housing, hence no existing affordable housing units will be lost nor will existing residential households be displaced as a result of this development.

**Commercial and/or Other (i.e. Parking) Space:** The Project does not include commercial space.

## MISSION

3.
----

This Project and financing proposal provide 326 units of affordable housing with a range of restricted rents between 30% AMI and 80% of AMI which will support much needed rental housing that will remain affordable for 55 years.

## ANTICIPATED PROJECT MILESTONES & SCHEDULE

4.	CDLAC/TCAC Closing Deadline:	3/12/2023*	Est. Construction Loan Closing:	12/2022	
	Estimated Construction Start: 12/2022		Est. Construction Completion: 1/2025		
	Estimated Conversion to Perm Loan(s):		12/2025		

<sup>\*</sup> On September 28, 2022 CDLAC approved a 90-day extension to the bond issuance deadline from 12/12/2022 to 3/12/2023 for all projects that received bond allocation on June 15, 2022.

**Subsidy Efficiency:** \$8,000,000 (\$24,540 per MIP restricted units).

## Tax Credit Type(s), Amount(s) and per total units:

- 4% Federal Tax Credits: \$60,841,580 (\$186,631 per TCAC restricted unit).
- State Tax Credits: \$20,460,000 (\$62,761 per TCAC restricted unit).

**Rental Subsidies**: The Project will not be subsidized by project-based vouchers.

**Other State Subsidies:** The Project will not be funded by other state funds.

Other Locality Subsidies: The Project will not be funded by locality funds.

Cost Containment Strategy: The developer is using its affiliated company, Pacific West Buildings, Inc., as its General Contractor. The developer established cost containment strategies that include: 1) engaging the General Contractor to provide pre-construction services including: conceptual design review, estimating, value engineering, and a critical path schedule, 2) reviewing the GMP contract for any exclusions or exceptions to mitigate project cost increases, and 3) requiring that the General Contractor provide a minimum of 3 bids for each major trade and all other trades, if available.

**6.** Equity – Cash Out (estimate): Not Applicable

## TRANSACTION OVERVIEW

## 7. Proposal and Project Strengths

- The developer/sponsor has extensive experience in developing similar affordable housing projects and has experience with CalHFA.
- The Project will serve low-income families ranging between 30% to 80% of AMI. On average, the rents are between 26% to 76% below market rents based on current appraisal.
- The Loan-to-Value will be 54%, which is well below the Agency's maximum allowable LTV of 90% LTV. This results in less risk to the Agency.
- The projected portion of the developer's fee that will be collected at permanent loan conversion is \$6,266,527,

SLC Final Staff Report for: Fiddyment Apartments

SLC Date: 10/05/2022 CalHFA Project Number: 22-009-A/X/N Board Date: 10/20/2022

which could be available to cover cost overruns and/or unforeseen issues during construction.

The exit analysis assumes a 2.00% increase (6.50%) to the cap rate and 3.00% increase (9.21%) to the interest rate at loan maturity. Based on these assumptions, the Project will have the ability to fully repay the balance of Agency's permanent first lien and subsidy loans if the project is refinanced or re-syndicated at CalHFA loan maturity.

#### **Project Weaknesses with Mitigants:** 8.

The project consists of a total of 330 units, which may take longer to complete and stabilize. The construction lender's loan term and CalHFA's forward rate lock period are for 36 months with an option to extend for up to 6 additional months. The developer plans to advertise and pre-lease the units in advance of construction completion and anticipates the Project will be fully leased up within 8 months from certificate of occupancy. Any additional construction loan interest reserve resulting from construction loan term extensions beyond 36 months shall be absorbed by soft contingency and/or increase in deferred developer's fee.

#### 9. **Underwriting Standards or Term Sheet Variations**

None

#### 10. **Project Specific Conditions of Approval**

Approval is conditioned upon:

- No site work or construction commenced prior to the issuance of a HUD Firm Approval Letter.
- CalHFA requires that MIP affordability covenants be recorded in senior position to all foreclosable debt.
- The CalHFA subsidy (including the supplemental MIP subsidy loan, if any) will be, in the Agency's sole discretion, the lesser of 1) the principal amount as stated on hereto or 2) an amount as determined by the Agency in the event the financial assumptions change prior to construction loan closing and/or permanent loan closing.
- All MIP Loan principal and interest will be due and payable at maturity.
- The Borrower has requested that 100% of surplus cash be available for the repayment of the deferred developer's fee (DDF) until the earlier of year 15 of operations is complete or full repayment of the DDF. Thereafter, the surplus cash split shall be 50% to Borrower and 50% to Residual Receipt lender(s). As a condition of this approval, the Borrower must provide evidence that the DDF repayment structure is required pursuant to the Limited Partnership Agreement (LPA). In addition, the owner must provide evidence of investor and all residual receipt lender(s) approvals of the total deferred developer's fee structure and residual receipt split. Residual receipt lenders must also agree to defer the payments on their loans.
- Any default as to any loan by the Agency for the Development shall constitute a default under any other loan by the Agency for the Development.

#### 11. Staff Conclusion/Recommendation:

The Multifamily Lending Division supports approval of the described financing in the amount(s) requested, subject to the above proposed terms and conditions.

## **AFFORDABILITY**

#### 12. CalHFA Affordability (Occupancy and Rent) Restrictions

The CalHFA Permanent Financing Regulatory Agreement will restrict a minimum of 40% of the total units at or below 60% AMI; with 30% of the total units (99 units) at or below 60% AMI and 10% of the total units (33 units) at 50% of AMI for 55 year(s).

The CalHFA MIP Subsidy Regulatory Agreement requires 10% of total units (33 units) be restricted at or below 30% of AMI, 20% of total units (66 units) be restricted at or below 50% of AMI, and 10% of total units (33 units) be restricted between 60% and 80% of AMI with a minimum average of 70% of AMI for a term of 55 years. The rents for the 60% to 80% tranche will be determined by the minimum income limit of 70% of AMI, not to exceed 80% of AMI. The remaining 194 restricted units will be restricted at or below 120% of AMI. For underwriting purposes, the initial rents at permanent loan closing must

## **APPRAISAL AND MARKET ANALYSIS**

## 18. Appraisal Review Dated: 9/17/2022 The Appraisal dated September 17, 2022, prepared by Pacific Real Estate Appraisal, values the land at \$9,350,000. The cap rate of 4.50% and projected \$3,118,426 of net operating income, which is \$201,977 higher than developer's proposed budget. This is attributed to the appraiser including other income (late fees, security deposits, etc.) that are not eligible for CalHFA underwriting as well as the appraisal estimating lower special assessment costs compared to the developer's projections. The as-restricted stabilized value is \$69,300,000, which results in the Agency's permanent first lien loan to value (LTV) of 54%. The combined LTV, including MIP subsidy loan is 66%. The project capture rate is 29% and the absorption rate is 41 to 47 units per month which is consistent with the market study. The appraisal confirms that there is a strong base of potential tenants, and the project is expected to achieve stabilized occupancy within 8 months after construction completion which is consistent with the market study. Market Study: Kinetic Valuation Group, Inc. Dated: February 9, 2022 **Regional Market Overview** The Primary Market Area is the cities of Roseville and Rocklin (population of 215,015) and the Secondary Market Area ("SMA") is the Sacramento-Roseville-Arden Arcade, CA Metropolitan Statistical Area (MSA), which includes El Dorado, Placer, Sacramento, and Yolo Counties (population of 2,366,968). The general population in the PMA is anticipated to increase by 1.8% per year leading up to market entry.

SLC Date: 10/05/2022

Board Date: 10/20/2022

SLC Final Staff Report for: Fiddyment Apartments CalHFA Project Number: 22-009-A/X/N

• In December 2021 the unemployment rate for the city of Roseville was 3.1%, compared to 4.4% for the MSA and 5.0% for California. The 3.1% is in line with the pre-pandemic level for Roseville.

## **Local Market Area Analysis**

## Supply:

- There are currently 15 affordable family project(s) in the PMA.
- For the 7 properties deemed comparable, vacancy rates were all below 3%. Two of these projects maintain waiting lists of over 100 eligible households each.
- o In the city of Roseville there are 4 multifamily affordable projects under construction (306 units total), however construction timelines were not available.

## Demand/Absorption:

- The project will need to capture 13.3% of the total units in the PMA.
- The proposed LIHTC rents are substantially below comparable market rents which will be advantageous for low to moderate income households.
- Stabilized occupancy overall is estimated within 7-8 months of completion.

#### 31. Developer/Sponsor

Pacific West Communities, Inc. (PWC) is a vertically integrated for-profit developer that has extensive experience developing and constructing affordable housing projects similar to this Project across the western United States. PWC currently has 22 projects (20 affordable) with a total of 1,850 units in their pipeline and 27 projects (25 affordable) with a total of 2,700 units that are under construction. PWC has completed 37 projects (36 affordable) with a total of 3,750 units in CA within the last five years and 1 of these projects (The Aspens at South Lake Tahoe MHSA) is in the CalHFA Asset Management portfolio.

PWC has 9 projects including CalHFA financing in various stages of development and 1 project in the CalHFA Asset Management portfolio as described in the chart below.

The California Housing Finance Agency ("CalHFA" or "Agency") Mixed-Income Program ("MIP") provides competitive, long-term, subordinate financing for new construction multifamily housing projects restricting units (tax credit or CalHFA) between 30% and 120% of county Area Median Income ("AMI").

The MIP must be paired with CalHFA's Conduit Bond Issuance Program and a CalHFA Mixed-Income Qualified Construction Lender (defined below). Additionally, the program must be paired with CalHFA's Permanent Loan product. The MIP resources will take the form of a subordinate loan to incentivize newly developed multifamily housing projects that serve a range of extremely low to moderate income renters. Eligible projects must create newly constructed regulated units that meet the income and occupancy requirements reflected below.

## Qualifications

## APPLICATION:

Sponsors/developers must submit a complete application package which includes all items listed on the application, the application addendum and the checklist. Incomplete application packages will not be considered. The application and checklist can be found at <a href="https://www.calhfa.ca.gov/multifamily/mixedincome/index.htm">www.calhfa.ca.gov/multifamily/mixedincome/index.htm</a>. If the sponsor/developer is not able to meet the readiness timeline referenced below, MIP funds may be rescinded and reallocated.

## **AVAILABILITY:**

Available to for-profit, nonprofit, and public agency sponsors. Development teams must meet CalHFA experience requirements, as defined in the CalHFA Development Team Qualifications section below.

## **USES:**

MIP subsidy loans must be used in conjunction with CalHFA's Conduit Bond Issuance Program and a construction loan from a CalHFA Mixed-Income Qualified Construction Lender. MIP subsidy loans must also be used in conjunction with CalHFA's permanent first-lien mortgage financing. CalHFA Mixed-Income Qualified Construction Lender is defined in that section below.

## FINANCING STRUCTURE:

Projects accessing the MIP subsidy loan funds must be structured as one of the following:

1. Tax-exempt bond and 4% tax credit project where at least 51% of the units in the project must be tax-credit-financed

Оŀ

 Qualified mixed-income project through income averaging pursuant to Internal Revenue Code Section 42 (g)(1)(C).

Kevin Brown, Housing Finance Specialist 500 Capitol Mall, Suite 1400, MS-990 Sacramento, CA 95814 916.326.8808 kbrown@calhfa.ca.gov Jennifer Beardwood, Housing Finance Specialist 500 Capitol Mall, Suite 1400, MS-990 Sacramento, CA 95814 916.326.8805 jbeardwood@calhfa.ca.gov

# **Qualifications** (continued)

#### READINESS:

Projects must have site control and be prepared to submit for a bond and tax credit allocation and will only receive funds if bonds are issued within the issuance timeframes specified in the California Debt Limit Allocation Committee's (CDLAC) Regulations Section 5100.

- 1. Site: The site must be ready for construction (all potential environmental issues have been identified, mitigation plan is in place, and costs associated with the mitigation plan have been incorporated in the development budget). Environmental issues may include, but not be limited to, receipt of clearances for CEQA, NEPA, and applicable tribal land environmental reviews. Pursuant to HUD-Risk Sharing requirements, sponsor is expected to start the NEPA process shortly after CalHFA verifies application completeness and determines that the project is ready to move forward with an initial commitment ("notification date"). The NEPA clearance and HUD's firm approval letter will be required prior to construction loan closing.
- 2. General Contractor and/or Third Party Construction Services Engagement: At the time of application, applicant must provide evidence that the applicant or developer has engaged a general contractor or third-party construction services company to provide construction services including, but not limited to, value engineering, bid/budget services, and constructability review of plans and designs. In addition, the proposed construction budget is based on the general contractor's or third-party construction services company's preliminary bid estimates pursuant to the current plans and designs.
- **3. Disposition and Development Agreement:** Applicant must provide a copy of the disposition and development agreement, if applicable.
- 4. Construction Start: All projects must commit to begin construction 180 days from the earlier of the date of the tax-exempt bond allocation or 4% federal/state tax credit reservation, unless an extension has been approved by California Tax Credit Allocation Committee (CTCAC), CDLAC, and CalHFA, as applicable. Within the 180-day period, the following items must be submitted to CalHFA in their final form:
  - A complete, updated application form along with a detailed explanation of any changes from the initial application,
  - b. An executed construction contract,
  - Recorded deeds of trust for all construction financing (unless a project's location on tribal trust land precludes this),
  - d. Binding commitments for any other financing required to complete project construction,
  - e. Copy of a limited partnership agreement executed by the general partner/sponsor and the investor limited partner/equity provider,
  - f. Payment of all construction lender fees,
  - g. Copies of buildings permits (a grading permit does not suffice to meet this requirement, except if the city or county as a rule does not issue building permits prior to the completion of grading, then a grading permit shall suffice; if the project is a design build project in which the city or county does not issue building permits until designs are fully complete, the city or county shall have approved construction to begin) or the applicable tribal documents,
  - h. Copy of the notice to proceed delivered to the contractor,
  - i. If no construction lender is involved, evidence must be submitted within 180 days, as applicable, that the equity partner has been admitted to the ownership entity, and that an initial disbursement of funds has occurred.
  - j. Other documentation and information required by CalHFA to close construction financing.

# **Qualifications** (continued)

### MIP ALLOCATION LIMITS:

(Exceptions may be considered by Agency in its sole discretion)

- 1. **Project Cap:** No project may receive more than the lesser of \$8 million, or the aggregate MIP loan amount calculated based on up to \$50,000 per MIP regulated units or up to \$60,000 per MIP regulated units for a Project located within the Highest or High Resource areas pursuant to CTCAC regulations designated on the CTCAC/HCD (California Department of Housing and Community Department) Opportunity Area Map.
- 2. **Sponsor Cap:** No sponsor (any individual, entity, affiliate and related entity) may receive more than 20% of total MIP allocation or funding of two projects, whichever is less, for the respective year.
- 3. County Cap: No one county may receive more than 25% of total MIP allocations for the respective year.
- 4. Age-Restricted Cap: No more than 25% of total MIP funds for the respective year may be received by age-restricted projects (units that are restricted to residents who are 62 years of age or older under the applicable provisions of California Civil Code Section 51.3 and the federal Fair Housing Act), unless a waiver of the minimum age requirement has been granted by U.S. Department of Housing and Urban Development ("HUD").

## **EVIDENCE OF COST CONTAINMENT:**

A Cost Containment Certification must be provided at the time of Construction Loan Closing in a form acceptable to CalHFA in its sole discretion. The certification acceptable to CalHFA may be found at <a href="https://www.calhfa.ca.gov/multifamily/mixedincome/forms/closing-cost-containment-certification.pdf">www.calhfa.ca.gov/multifamily/mixedincome/forms/closing-cost-containment-certification.pdf</a>.

The developer/sponsor must certify that cost containment measures have been implemented to minimize construction costs. These measures should include, but may not be limited to, 1) competitively bidding out all major subcontractor and self-performing trades and 2) engaging a value engineer/consultant during the design process.

## **EVIDENCE OF SUBSIDY EFFICIENCY:**

A Subsidy Efficiency Analysis will be completed as part of the application review. The analysis will be completed again prior to construction loan closing and closing of the MIP subordinate loan. The MIP loan amount may be reduced based on the final analysis. Parameters of the analysis may include, but are not limited to, the following:

- A maximum of 1.20 Debt Service Coverage Ratio ("DSCR") at year 1 ("Initial DSCR"). CalHFA may allow an
  initial DSCR higher than 1.20 on a case-by-case basis, if deemed necessary. The year 1 DSCR underwritten
  at the time of final loan approval and final commitment must be maintained through the term of the
  CalHFA permanent first lien loan,
- A project cash flow that supports the residential component of the project based on the required CalHFA
  permanent first lien annual debt service coverage ratio,
- A separate project cash flow that supports any commercial component of a mixed-use project,
- A cash flow after debt service shall be limited to the higher of 25% of the anticipated annual must pay debt service payment or 8% of gross income, during each of the first three years of project operation,
- Inflation factors and vacancy rates consistent with the Agency's Underwriting Standards,
- Developer Fee requirements matching those required under the 4% federal and/or state tax credit reservation,
- Capitalized reserves subject to approval by Agency for reasonableness consistent with the Agency's Underwriting Standards and the Investor Limited Partnership Agreement (ILPA),

# **Qualifications** (continued)

- Review of Excess Sources over final Uses as approved by CalHFA resulting from any of the following:
  - · An increase in tax credit equity,
  - · An increase in permanent loan debt due to a combination of permanent loan rate reduction and/or reduction to operating expense assumptions;
- Construction Cost Savings as evidenced by final cost certification, funds shall be used to reduce the MIP loan prior to CalHFA MIP loan closing or if required by other subordinate lenders, funds may be split on a pro rata basis between CalHFA and other subordinate lenders,
- State tax credit request is expected to be within a range of \$50,000 to \$75,000 per unit. The projects that evidence the most efficient use of bond cap, state tax credits, and MIP per adjusted unit shall be prioritized for MIP funding considerations. The bond cap, state tax credits, and MIP per adjusted unit calculation shall be consistent with CDLAC Regulation Section 5231(g)(1) and 5231(g)(2). MIP final commitment shall be subject to evidence of project's receipt of CDLAC's preliminary tax-exempt bond allocations and CTCAC's tax credits reservations within the respective year,
- Acquisition cost shall be the lesser of 1) the purchase price pursuant to a current purchase and sales
  agreement between unrelated parties, 2) the purchase price of an arm's length transaction executed within
  the past 10 years plus reasonable carrying costs, or 3) the appraised "as-is" value based on an Appraisal
  acceptable to CalHFA in its sole discretion. The appraised value of the real estate may be considered if the
  arm's length transaction exceeds 10 years.

## CalHFA Mixed-Income Qualified Construction Lender

A CalHFA Qualified Construction Lender is defined as a Construction Lender that has closed at least five construction loans using tax-exempt bonds and 4% federal and/or state tax credits in California within the last three years and satisfies the requirement set forth within the application.

# CalHFA Mixed-Income Development Team Qualifications

The **Developer/Co-Developer/General Partner** must be registered to do business and in good standing in the state of California. A CalHFA Qualified Developer/Co-Developer/General Partner must have developed at least three comparable projects within the past five years or meet the requirements to receive a minimum of 7 points under the CDLAC General Partner Experience category pursuant to CDLAC Regulations Section 5230(f).

The proposed **Project Manager** must have personally managed the development of at least two comparable projects within the past five years.

**Financial Consultants** hired to assist the Developer in meeting the minimum experience requirements must be able to provide details regarding at least three comparably financed projects over the last five years.

**Architects** new to CalHFA must provide information for three comparable projects they designed that were built and occupied within the past five years in California.

**General Contractor (GC)** must be licensed by the State of California. GCs new to CalHFA must provide information related to three comparable (in design) projects built in the past five years. Similar information will be required for the proposed on-site construction supervisor. The on-site construction supervisor must have overseen three comparable projects built in the past five years, and they must have overseen the projects from construction start to final completion.

Tax Credit Investors must have closed/executed at least five investor limited partnership agreements for a comparable deal structure using tax-exempt bonds and 4% federal and/or state tax credits in California within the last three years.

# CalHFA Mixed-Income Development Team Qualifications (Continued)

Management Company must have a local presence or a field office in Northern or Southern CA (depending on the location of the Project) and have experience managing at least 10 low- to moderate-income, rentrestricted comparable (size and tenant types) projects. Also required is a resume for the proposed on-site Property Manager, reflecting prior experience during the past five years managing onsite project operations and compliance with rent-restricted units or meet the requirements to receive a minimum of 3 points under the CDLAC Management Company Experience category pursuant to CDLAC Regulations Section 5230(f).

# Permanent First Lien Loan

Must be provided by CalHFA. The permanent loan must meet an initial minimum DSCR of at least 1.15 and must maintain the year 1 DSCR underwritten at the time of final loan approval and final commitment through the term of the CalHFA permanent first lien loan. The Initial DSCR must not exceed 1.20.

## **Construction First Lien Loan**

Must be provided by a CalHFA Mixed-Income Qualified Construction Lender. All parties shall permit the Agency to, in its sole and absolute discretion, recycle all or a portion of any bond volume cap related to a paydown of the bond-financed loans, at the conversion of the construction financing to permanent financing and payoff of the construction loan, pursuant to the authority provided in Section 146(i)(6) of the Internal Revenue Code of 1986 and CDLAC Regulation Section 5060 (the "Bond Recycling"). The bond documents, loan documents and any other documents related to the financing of the Development shall contain any necessary approvals and permit all actions necessary to accomplish a Bond Recycling.

## Limitations

- 1. MIP cannot be combined with the CTCAC 9% program.
- 2. MIP cannot be combined with other state subordinate debt and/or subsidy programs (this does not include state tax credits) with the exception of the Infill Infrastructure Grant (IIG), Affordable Housing and Sustainable Communities (AHSC) and Transit Oriented Development (TOD) housing programs. Inclusion of these programs is contingent upon restrictions that are compatible with the MIP program requirements outlined herein. Inclusion of other subordinate debt and subsidy will be allowed at CalHFA's sole discretion so long as any restrictions of subordinate debt or subsidy are compatible with MIP program requirements outlined herein.
- 3. Projects that have a below market rate component resulting from an inclusionary obligation or are 100% below market as a result of an inclusionary obligation must demonstrate master developer commitment through a dollar-for-dollar match of CalHFA's subsidy resources. Match can be obtained through a monetary match or equivalent in-kind contributions (e.g., land donation, land use fee concessions.)
- 4. At the time of MIP application, a project must not have already received an allocation of 4% federal and/ or state tax credits from CTCAC or a tax-exempt bond allocation from CDLAC.
- 5. Projects will not be eligible for other subsidy resources from CalHFA in addition to MIP.

## Mixed-Income Project Occupancy Requirements

## BOND REGULATORY AGREEMENT REQUIREMENTS (ALL PROJECTS):

Must maintain either (a) 20% of the units must be rent restricted and occupied by individuals whose incomes are 50% or less of AMI with adjustments for household size ("20% @ 50% AMI"), OR (b) 40% or more of the units must be both rent restricted and occupied by individuals whose incomes are 60% or less of AMI with adjustments for household size ("40% @ 60% AMI"): in the latter case, CDLAC requires a minimum of 10% of the unit types must be at 50% or less of AMI ("10% @ 50% AMI").

## Mixed-Income Project Occupancy Requirements (Continued)

## MIXED INCOME REGULATORY AGREEMENT REQUIREMENTS (ALL PROJECTS):

## Affordability Requirements:

- 1. To qualify, a project must meet the following affordability restrictions, which are based on the HUD and locality (as applicable) income and rent limits which are current at the time of MIP application, for a term of 55 years:
  - a. 30% of total units at or below 50% of AMI. Of these, a minimum of 10% of total units must be at or below 30% of AMI,
  - b. 10% of total units between 60% and 80% of AMI with an average of 70% of AMI or greater, subject to the Maximum Allowable Rents outlined below, and
  - c. Remaining 60% of total units at or below 120% of AMI (with the exception of any non-restricted manager's unit(s)) OR at the affordability restrictions consistent with CTCAC requirements.
  - d. The minimum range between the lowest and highest occupancy target levels must be at least 40%.(Deviations from the above requirements will only be considered if Market Study supports such deviations.)
- 2. If applicable, tax credit transactions that are income-averaged must have a maximum average affordability up to 60% of AMI across all CTCAC restricted units.

## Mixed-Income Project Occupancy Requirements (Continued)

## **MAXIMUM ALLOWABLE RENTS:**

Rents for all restricted units must be at least 10% below market rents for the MIP affordability term as evidenced by a current market study or appraisal. This threshold will be analyzed at time of application and again at CalHFA's final commitment approval and may be monitored on an ongoing basis for the MIP affordability term. The report shall be current within 180 days of Agency's final commitment and may be subject to required updating if the report expires prior to construction loan closing. For underwriting purposes, CTCAC and locality maximum rents for the respective target income limits must be used. Any proposed rent adjustments above 5% of the approved rents subsequent to construction loan closing may be considered if supported by a recent or updated market study or appraisal that is dated within 180 days of MIP loan closing, at CalHFA's sole discretion.

Any units restricted by the Agency pursuant to this program, including those units restricted in addition to the minimum requirements set forth above, shall be rented at rents not to exceed 30% of the applicable income restriction required in the Agency's Regulatory Agreement.

## Mixed-Income Subordinate Loan

- 1. Maximum loan amount for each project shall not exceed the lesser of \$8 million or the aggregate MIP loan amount calculated based on up to \$60,000 per MIP regulated units, unless an exception is approved by Agency in its sole discretion.
  - a. Maximum loan per restricted (tax credit or CalHFA) units between 30%-120% AMI shall be up to \$50,000.
  - b. Projects located within the Highest or High Resource areas pursuant to CTCAC regulations designated on the CTCAC/HCD Opportunity Area Map shall be eligible for an additional amount up to \$10,000 per MIP regulated unit. Opportunity Map Home Page: <a href="https://www.treasurer.ca.gov/ctcac/opportunity.asp">www.treasurer.ca.gov/ctcac/opportunity.asp</a>
- 2. Loan size based on project need but cannot be more than 50% of the permanent loan amount.

## Mixed-Income Subordinate Loan Rates & Terms

- 1. Interest Rate: Greater of 1% simple interest or the applicable federal rate (AFR) at time of MIP closing.
- 2. Loan Term: The MIP loan term shall be coterminous with the CalHFA permanent first lien loan.
- 3. Lien Position: Second lien position, after CalHFA permanent first lien loan.
- 4. Loan Payment: Residual receipt repayment based on cash flow analysis and split 50% to Owner and 50% to CalHFA and other residual receipt lenders. Residual receipt is defined as 50% of surplus cash which is determined as net operating income minus total debt service and other Agency approved payments. Payments shall be applied to the current and/or accrued interest and then principal of the MIP loan. Deviation from the net cash flow split may be granted 1) to meet equity investor's deferred developer's fee requirement as evidence by the limited partnership agreement, and 2) is subject to approval(s) by other residual receipt lender(s), as applicable.
- 5. Affordability Term: 55 years.
- 6. Prepayment: May be prepaid at any time without penalty.
- 7. Subordination: A subordination and/or extension of MIP maturity request in conjunction with a resyndication, refinance, or ownership transfer ("capitalization event(s)") will be considered. If MIP loan is outstanding at time of the capitalization event(s) and requires subordination at the time of such event, the surplus cash split between borrower and CalHFA and other residual receipt lenders may be altered to reflect an increased percentage of residual receipts to CalHFA out of Borrower's share until such time as the MIP loan is paid in full. The remaining residual receipts may be split between other residual receipt lenders.
- 8. Funded: Only at permanent loan conversion.

## CalHFA Conduit Bond Program

For more information on CalHFA's Conduit Issuer Program and the fees associated with it, visit CalHFA's website: <a href="https://www.calhfa.ca.gov/multifamily/programs/forms/termsheet-conduit.pdf">www.calhfa.ca.gov/multifamily/programs/forms/termsheet-conduit.pdf</a>

## CalHFA First Lien Permanent Rates & Terms (subject to change)

For more information on CalHFA's Permanent Loan Program and the fees associated with it, visit CalHFA's website: <a href="https://www.calhfa.ca.gov/multifamily/programs/forms/termsheet-perm-tax-exempt.pdf">www.calhfa.ca.gov/multifamily/programs/forms/termsheet-perm-tax-exempt.pdf</a>

## Fees (subject to change)

Loan Fee: 1.00% of the loan amount (50% due at final commitment and 50% due at CalHFA MIP loan closing).

**Conduit Bond Program Fees:** Refer to CalHFA Conduit Bond Program www.calhfa.ca.gov/multifamily/programs/forms/termsheet-conduit.pdf

**CDLAC Fees:** Refer to CDLAC regulations for all applicable fees.

**Other Fees:** Refer to CalHFA First Lien Permanent Rates & Terms for first mortgage loan fees, credit enhancements, trustee fees, legal fees, inspection fees, administrative fees. <a href="https://www.calhfa.ca.gov/multifamily/programs/forms/termsheet-perm-tax-exempt.pdf">www.calhfa.ca.gov/multifamily/programs/forms/termsheet-perm-tax-exempt.pdf</a>

Last revised: 01/25/2022

The information provided in this program description is for guidance only. While we have taken care to provide accurate information, we cannot cover every circumstance nor program nuance. This program description is subject to change from time to time without prior notice. The California Housing Finance Agency does not discriminate on any prohibited basis in employment or in the admission and access to its programs or activities. Not printed at taxpayer expense.

# TAX-EXEMPT PERMANENT LOAN PROGRAM

CalHFA's Tax-Exempt Permanent Loan Program ("Perm Loan") provides competitive tax-exempt long-term financing for affordable multifamily rental housing Projects. Eligible projects include newly constructed or acquisition/rehabilitation developments that provide affordable housing opportunities for individuals, families, seniors, veterans, and special needs tenants ("Project").

#### Qualifications

- Available to for-profit, non-profit, and public agency sponsors.
- Tax-exempt bond authority must be obtained from the California Debt Limit Allocation Committee (CDLAC) or through a 501(c)(3) exemption.
- The Tax-Exempt Permanent Loan may be used with or without 4% low income housing tax credits.
- If a lender other than CalHFA is providing short-term, first-lien debt, CalHFA shall be used as the bond issuer (for more information, review the Conduit Issuer Program Term Sheet).
- For Section 8 Projects, a final commitment is conditioned upon review and acceptance by CalHFA of the HAP or AHAP contract.
- The Perm Loan will be credit-enhanced through CalHFA's HUD/FHA Risk Sharing Program.
- For existing CalHFA portfolio loans, the current owner is required to pay off all outstanding CalHFA debt. Visit www.calhfa.ca.gov for the <u>CalHFA Portfolio Loan Prepayment Policy</u>.

#### **Loan Amount**

- Minimum Perm Loan amount of \$5,000,000.
- Minimum 1.15x for initial debt service coverage ratio (include any financing with amortizing debt). If a Project includes CalHFA's subsidy loan, the maximum DSCR at year 1 shall not exceed 1.20, unless CalHFA approves a higher DSCR at its own discretion. The year 1 DSCR underwritten at the time of final loan approval and final commitment must be maintained as the minimum DSCR through the term of the Perm Loan. CalHFA may require the initial DSCR to be higher than the minimum 1.15x, if deemed necessary to meet the Agency's underwriting requirements.
- Lesser of 90% of restricted value or 100% of development costs. For Projects with equity being cashed out, the Perm Loan amount will be restricted to no more than 80% of the restricted value.

### Fees (subject to change)

- Application Fee: \$10,000 non-refundable, due at time of application submittal, and is credited toward
  the CalHFA Legal Fee at Perm Loan closing. The applicant may be subject to a new Application Fee if the
  CalHFA commitment expires prior to construction loan closing.
- Perm Loan Fee: 1.00%, half due at final commitment, with balance due at Perm Loan closing.
- Credit Enhancement Fee: included in the interest rate.
- Annual Monitoring Fee: \$7,500 annually (not to be duplicated if used in conjunction with CalHFA's Conduit Program).
- Inspection fees should be estimated at \$500 per month for the term of the construction (reports and fees
  can be shared with other construction lenders)
- Legal Fee: \$35,000, half due at final commitment, with balance due at Perm Loan closing.
- Perm Loan Funding Fee: \$110,000 at Perm Loan closing.
- Administrative Fee: \$1,000 at Perm Loan closing.
- Letter of Interest Fee: \$5,000 at LOI request, and is credited toward the CalHFA Perm Loan Fee

See CalHFA standard Conduit Issuer Program Term Sheet for information on conduit issuance fees.

Kevin Brown, Housing Finance Officer 500 Capitol Mall, Suite 1400, MS-990 Sacramento, CA 95814 916.326.8808 kbrown@calhfa.ca.gov Jennifer Beardwood, Housing Finance Specialist 500 Capitol Mall, Suite 1400, MS-990 Sacramento, CA 95814 916.326.8805 jbeardwood@calhfa.ca.gov

# Rate & Terms (subject to change)

#### Interest Rate:

- 17-Year Balloon Loans: 15-Year "AAA" Municipal Market Data (MMD) plus CalHFA spread
- 30-Year Balloon and Fully Amortizing Loans: 30-Year "AAA" MMD plus CalHFA spread
- Estimated CalHFA Spread: 2.00% to 3.00%
- Rate may be locked up to 30 days prior to the construction loan closing. Rate may be locked for the term of the construction period, not to exceed 3 years.

#### Amortization/Term:

- Amortization: Up to 40 Year Amortization
- Term: Fully Amortizing, and 17- or 30-Year Balloons available1
- Perm Loan Reduction: up to 10% reduction at Perm Loan closing permitted at no cost.
- Up to two, three-month extension(s) permitted upon payment of a fee equal to 0.25% of the Perm Loan amount for each three-month extension.
- Breakage Fee (if applicable): due between construction loan closing and Perm Loan closing and calculated based on hedge termination cost.
- 1. Balloon loans subject to agency approved exit strategy.

# Loan Closing Requirements

- 90% stabilized rental housing occupancy for 90 days as evidenced by rent rolls.
- 90% of tax credit investor equity shall have been paid into the Project.
- Project income is sufficient to pay operating expenses, required debt service, reserves and monitoring fees.
- For mixed-use Projects, 100% non-residential occupancy as evidenced by executed leases or guarantees.
- Deposit Account Control Agreement between CalHFA, the Borrower and lending institution is in form and substance acceptable to all parties and ready to be executed at Perm Loan closing.

#### **Prepayment**

The Perm Loan may be prepaid at par after 15 years of the Perm Loan period. However, the Perm Loan may be prepaid after 10 years of the Perm Loan period subject to a yield maintenance calculation of:

- 5% of the principal balance after the end of year 10
- 4% of the principal balance after the end of year 11
- 3% of the principal balance after the end of year 12
- 2% of the principal balance after the end of year 13
- 1% of the principal balance after the end of year 14

All prepayments require a prior written 120-day notice to CalHFA.

# Subordinate Financing

Financing or grants are encouraged from local governments and third parties to achieve project feasibility. All financing, leases, development and regulatory agreements must be coterminous (or have a longer term than the combined terms of any CalHFA Acq/Rehab Loan and Perm Loan) and be subordinate to CalHFA financing. A Lien Priority/Position Estoppel in form and substance acceptable to CalHFA will be required prior to construction financing closing, if applicable.

#### Occupancy Requirements

Must maintain the greater of (A) existing affordability restrictions, or (B) either (i) 20% of the units must be rent restricted and occupied by individuals whose incomes are 50% or less of the area (county) median gross income as determined by HUD ("AMI") with adjustments for household size ("20% @ 50% AMI"), or (ii) 40% or more of the units must be both rent restricted and occupied by individuals whose income is 60% or less of the AMI, with adjustments for household size ("40% @ 60% AMI"): however in the latter case, a minimum of 10% of the units must be at 50% or less of AMI (i.e., 30% @ 60% AMI; 10% @ 50% AMI).

#### Occupancy Requirements (continued)

Any units restricted by the Agency pursuant to this program, including those units restricted in addition to the minimum requirements set forth above, shall be rented at rents up to 30% of the applicable income restriction using the occupancy assumptions required in the Agency's Regulatory Agreement. Rents for all restricted units must be at least 10% below market rents as evidenced by current market study or an appraisal.

CalHFA's regulated units must represent a comparable share of the available unit sizes (by bedroom count and square feet) and be disbursed throughout the project.

#### **Due Diligence**

The following due diligence is required to be provided at the Owner/Borrower's expense (refer to the program's document checklist for a full list):

- Appraisal\* (a construction lender's appraisal may be acceptable).
- HUD-2530 previous participation clearance.
- Construction Costs Review for new construction loans (other construction lender's review is acceptable).
- Physical Needs Assessment\* ("PNA") for rehabilitation projects with a Replacement Reserve Needs Analysis
  ("RRNA") over time for the first 20-year term (other lender's PNA/RRNA may be acceptable). A RRNA for a
  longer time period may be required if the Perm Loan term is greater than 20 years.
- Phase I and Phase II (if applicable) Environmental Site Assessment\* including, but not limited to, impact
  reviews that meet federal environmental requirements (such as historic preservation and noise remediation).
   The Purpose section of Phase I must state "a purpose of the Phase I is to document compliance with HUD
  policy pursuant to 24 CFR §58.5(i)(2) or §50.3(i)".
- Market Study\* satisfactory to CalHFA.
- NEPA Review.
- Termite/Dry Rot reports\* by licensed company.
- Seismic review\* and other studies may be required at CalHFA's discretion.

\*Note: Third party reports shall be within 180 days prior to the CalHFA's final commitment approval and may be subject to a new or updated report if the report(s) was completed more than 180 days prior to construction loan closing, in CalHFA's sole discretion.

#### Required Impounds and Reserves

- Replacement Reserve: Initial cash deposit required for existing Projects with annual deposits between \$250 and \$500 per unit/per year depending on the Project type and PNA/RRNA findings.
- Operating Expense Reserve ("OER"): 3-6 months of operating expenses, reserves, debt service, and
  monitoring fees due at Perm Loan closing (letter of credit or cash) and held for the life of the CalHFA Perm
  Loan by CalHFA. In the event OER funds are drawn down during the term of CalHFA Perm Loan, it must be
  replenished over a period of 12 months to the original level.
- Impounds held by CalHFA: One year's prepaid earthquake, hazard and liability insurance premiums, and property tax assessments are collected at loan closing. An earthquake insurance waiver is available for Projects which have met CalHFA earthquake waiver standards during rehabilitation or construction.
- Transition Operating Reserve (TOR): required for Projects with state or locally administered rental subsidy contracts with contract terms that are less than 20 years or the CalHFA Perm Loan term.
- Other reserves as required (at CalHFA's discretion).

# California Housing Finance Agency

#### CONDUIT ISSUER PROGRAM

#### MULTIFAMILY HOUSING BONDS

Term sheet effective for applications submitted after March 1, 2022

The CalHFA Conduit Issuer Program is designed to facilitate access to tax-exempt and taxable bonds ("Bond") by developers that seek financing for eligible projects that provide affordable multifamily rental housing for individuals, families, seniors, veterans or special needs tenants ("Project"). The conduit Bonds may be used to finance the acquisition, rehabilitation, and/or development of an existing Project, or they can be used for the construction of a new Project.

#### Qualifications Available to for-profit, nonprofit or public agency sponsors. Nonprofit borrowers may be eligible for 501(c)(3) bonds. If bond proceeds are utilized to pay off an existing CalHFA portfolio loan visit www.calhfa.ca.gov for the CalHFA Portfolio Loan Prepayment Policy. **Bond Amount** Bond amount is determined by the loan amount of the selected construction lender. Application Fee: \$5,000 non-refundable, due at time of application submittal (covers the cost of the TEFRA **Fees** (subject to change) required for tax-exempt issuances) and is credited toward the CalHFA Issuer Fee. The greater of \$15,000 or 18.75 basis points of the Bond amount if lesser than or equal to \$20 million. 2. If more than \$20 million: \$37.500 + 5 basis points for the amount above \$20 million. Annual Administrative Fee: 5 bps of the tax-exempt bond issuance amount due at construction loan closing and due annually thereafter until permanent loan conversion. After permanent loan conversion, billed annually in advance, 5 bps of unpaid principal balance amount of tax-exempt bond financed loan(s) until bonds are fully redeemed. Minimum Annual Administrative Fee shall be \$4,000 through both the Qualified Project Period and the CDLAC compliance period. For taxable only issuances, annual administrative fees above will be charged based on the taxable bond financed loan(s) for the term of the CalHFA affordability restrictions. If used in conjunction with a CalHFA permanent loan product, the annual administrative fee will not be duplicated. Please refer to the applicable permanent loan term sheet for the annual administrative fee. Public Sale: Additional fee of \$5,000 to \$10,000 applies when Bonds are sold to the public. CDLAC Allocation Fee: 0.035% of the Bond amount, \$1,200 of which is due at time of CDLAC application submittal with the remaining fee due at construction loan closing and payable to CDLAC. CDLAC Performance Deposit: 0.50% of the requested Bond amount, not to exceed \$100,000, due at time of CDLAC application submittal. Deposit to be refunded after the Bond closing, upon receipt of authorization letter from CDLAC. The Borrower shall be responsible for all other costs of Bond issuance including fees of the underwriter, trustee, rating agencies, lender, compliance administrator, all Bond counsel legal fees, and any other parties required to complete the transaction.

#### Occupancy Requirements

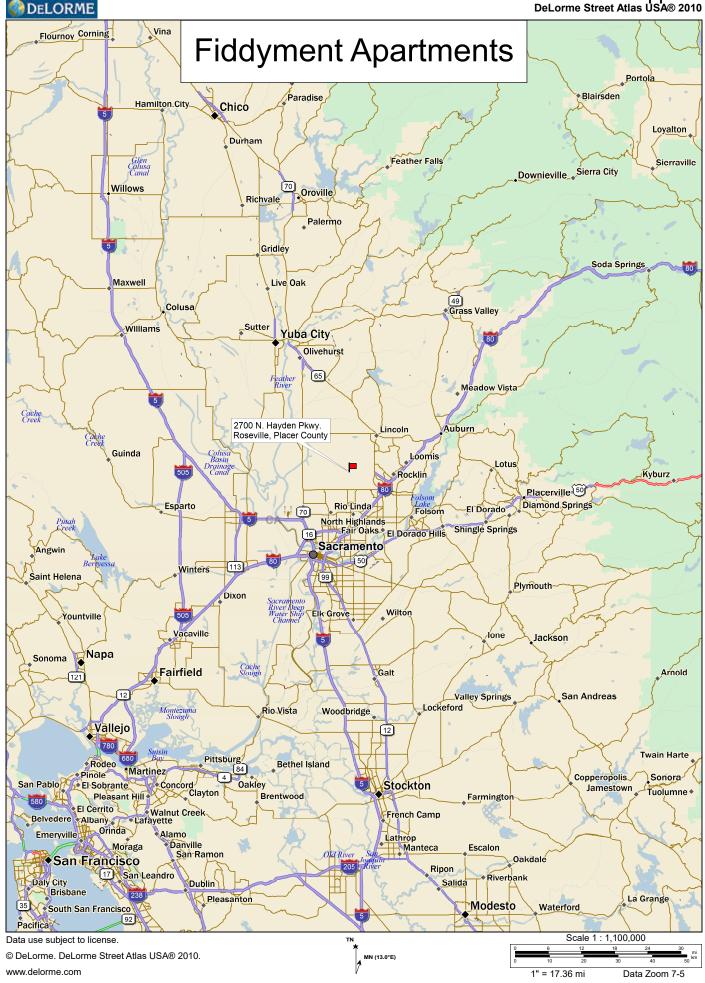

- Either (A) 20% of the units must be rent restricted and occupied by individuals whose incomes are 50% or less of the area median income as determined by HUD ("AMI") with adjustments for household size ("20% @ 50% AMI"), or (B) 40% or more of the units must be rent restricted and occupied by individuals whose income is 60% or less of AMI, with adjustments for household size ("40% @ 60% AMI"); however in the latter case, a minimum of 10% of the units must be at 50% or less of AMI (i.e., 30% @ 60% AMI; 10% @ 50% AMI)).
- Any units restricted by the Agency pursuant to this program, including those units restricted in addition to the
  minimum requirements set forth above, shall be rented at rents up to 30% of the applicable income restriction
  using the occupancy assumptions required in the Agency's Regulatory Agreement. Rents for all restricted
  units must be at least 10% below market rents as evidenced by a current market study or an appraisal.
- Borrower will be required to enter into a Regulatory Agreement which will be recorded against the Project for
  the Qualified Project Period (as defined in the CalHFA Regulatory Agreement). This includes the later of the
  federally-required qualified project period, repayment of the Bond funded loan, redemption of the Bonds,
  the full term of the CDLAC Resolution requirements or 55 years.

## **Fiddyment Apartments**

#### BOARD OF DIRECTORS 1 OF THE CALIFORNIA HOUSING FINANCE AGENCY 2 3 4 5 RESOLUTION NO. 22-27 6 RESOLUTION AUTHORIZING A FINAL LOAN COMMITMENT 7 8 WHEREAS, the California Housing Finance Agency (the "Agency") has received a 9 loan application on behalf of Roseville Pacific Associates, a California Limited Partnership, a 10 California limited partnership (the "Borrower"), seeking a loan commitment, the proceeds of 11 which are to be used to provide financing for a multifamily housing development located in the 12 City of Roseville, County of Placer, California, to be known as Fiddyment Apartments (the 13 "Development"); and 14 15 WHEREAS, the loan application has been reviewed by Agency staff which prepared a 16 report presented to the Board on the meeting date recited below (the "Staff Report"), 17 recommending Board approval subject to certain recommended terms and conditions; and 18 19 20 WHEREAS, Agency staff has determined or expects to determine prior to making a binding commitment to fund the loan for which the application has been made, that (i) the 21 Agency can effectively and prudently raise capital to fund the loan for which the application has 22 been made, by direct access to the capital markets, by private placement, or other means and (ii) 23 any financial mechanisms needed to insure prudent and reasonable financing of loans can be 24 achieved; and 25 26 WHEREAS, pursuant to the Executive Director's authority to issue Conduit Bonds, 27 under Resolution 21-04 the Agency has filed an application with the California Debt Limit 28 Allocation Committee ("CDLAC") for an allocation of California Qualified Private Activity 29 Bonds for the Development; and 30 31 32 WHEREAS, the Development has received a TEFRA Resolution as required by the Tax Equity and Fiscal Responsibility Act of 1983, and under 26 U.S.C. section 147(f); and 33 34 WHEREAS, Section 1.150-2 of the Treasury Regulations requires the Agency, as the 35 issuer of tax-exempt bonds, to declare its reasonable official intent to reimburse prior 36 expenditures for the Development with proceeds of a subsequent borrowing; and 37 38 39 WHEREAS, on February 14, 2022, the Executive Director exercised the authority delegated to her under Resolution 15-16 to declare the official intent of the Agency to reimburse 40 such prior expenditures for the Development; and 41

WHEREAS, the Agency has conditionally approved a subsidy loan pursuant to

CalHFA's Mixed-Income Program ("MIP") pursuant to its authority under Resolutions 19-02

42 43

44 45

46

and 19-14; and

Resolution No. 22-27 Page 2

WHEREAS, the Board wishes to grant the staff the authority to enter into a loan commitment to provide permanent financing for the development and taking out the Conduit Bonds upon Agency staff determining in its judgment that reasonable and prudent financing mechanisms can be achieved;

NOW, THEREFORE, BE IT RESOLVED by the Board of Directors (the "Board") of the California Housing Finance Agency as follows:

1. The Executive Director, or in her absence, the Chief Deputy Director, is hereby authorized to execute and deliver a final commitment letter, in a form acceptable to the Agency, and subject to recommended terms and conditions set forth in the Staff Report and any terms and conditions as the Board has designated in the Minutes of the Board Meeting, in relation to the Development described above and as follows:

Lien Loan

PROJECT NUMBER	DEVELOPMENT NAME/ LOCALITY	MORTGAGE AMOUNT
22-009-A/X/N	FIDDYMENT APARTMENTS City of Roseville, County of Placer	\$37,400,000.00 Tax-Exempt Bond or FFB Permanent 1st Lien Loan with HUD Risk Share
		\$ 8,000,000.00 Mixed-Income Program Residual Receipt 2 <sup>nd</sup>

The Board recognizes that in the event that staff cannot determine that reasonable and prudent financing mechanisms can be achieved, the staff will not enter into loan commitments to finance the Development. In addition, access to capital markets may require significant changes to the terms of loans submitted to the Board. Notwithstanding paragraph 2 below, the staff is authorized to make any needed modifications to the loan which in staff's judgment are directly or indirectly the result of the disruptions to the capital markets referred to above.

The Executive Director may modify the terms and conditions of the loan or loans as described in the Staff Report, provided that major modifications, as defined below. must be submitted to this Board for approval. "Major modifications" as used herein means modifications which either (i) increase the total aggregate amount of any loans made pursuant to the Resolution by more than 7%; or (ii) modifications which in the judgment of the Executive Director, or in her absence, the Chief Deputy Director of the Agency, adversely change the financial or public purpose aspects of the final commitment in a substantial way.

Resolution No. 22-27 Page 3

SECRETARY'S CERTIFICATE I, Claire Tauriainen, the undersigned, do hereby certify that I am the duly authorized Secretary of the Board of Directors of the California Housing Finance Agency, and hereby further certify that the foregoing is a full, true, and correct copy of Resolution No. 22-27 duly adopted at a regular meeting of the Board of Directors of the California Housing Finance Agency duly called and held on the 20th day of October 2022, at which meeting all said directors had due notice, a quorum was present and that at said meeting said resolution was adopted by the following vote: AYES: NOES: ABSTENTIONS: ABSENT: IN WITNESS WHEREOF, I have executed this certificate hereto this 20th day of October 2022. ATTEST: CLAIRE TAURIAINEN Secretary of the Board of Directors of the California Housing Finance Agency

Hayward.

**Financing Structure:** The Project's financing structure includes financing from tax-exempt bonds, taxable bonds, 4% Federal Tax Credit Equity (4% Federal LIHTC allocation), State Housing Tax Credit equity, subordinate recycled tax-exempt bonds and CalHFA permanent loan and Mixed-Income Program (original and supplemental). The project will be income averaged, pursuant to TCAC regulations.

**Tax Credits and/or CDLAC Status:** The project received an allocation for 4% federal tax credits and California state tax credits and bond cap from TCAC/CDLAC on June 15, 2022 and an allocation of supplemental tax-exempt bonds from CDLAC on September 1, 2022. The supplemental allocation was requested to add a cushion to the project's 50% aggregate basis requirement (the "50% test") which was at approximately 50% and now will increase to approximately 52%. The supplemental allocation is necessary to accommodate a potential cost increase during construction.

Ground Lease: Not applicable.

**Project Amenities:** The Project includes a community room, playground, outdoor recreational area with fitness equipment, indoor flex-room, computer lab, laundry facilities, elevators, and security features. Unit amenities will include dishwashers, disposals, and heating & air conditioning,

**Local Resources and Services:** For TCAC/CDLAC purposes, the Project is located within a Low resource area per TCAC/HCD's 2022 Opportunity Area Map. The Project is in close proximity to the following local amenities and services:

- Grocery stores 0.95 miles
- Pharmacy 0.54 miles
- Schools 0.50 miles
- Public Library 1.43 miles
- Public transit 0.25 miles
- Fire 0.76 miles
- Police 2.90 miles
- Park and recreation 0.67 miles
- Hospitals 0.65 miles

Non-displacement <u>and</u> No Net Loss: To the extent feasible, it is the Agency's priority to mitigate the overall effects upon affordable housing availability that may arise from multifamily developments that may result in permanent displacement of existing affordable housing residents and/or net loss of existing affordable housing units. The Project is a new construction project on vacant land, with no related demolition of existing affordable housing, hence no existing affordable housing units will be lost nor will existing residential households be displaced as a result of this development.

**Commercial and/or Other (i.e., Parking) Space:** The Project does not include commercial space.

#### **MISSION**

#### 3. | CalHFA Mission/Goals

This Project and financing proposal provide 174 units of affordable housing with a range of restricted rents between 30% of AMI and 80% of AMI which will support much needed rental housing that will remain affordable for 55 years.

#### **ANTICIPATED PROJECT MILESTONES & SCHEDULE**

4.	CDLAC/TCAC Closing Deadline:	3/12/2023*	Est. Construction Loan Closing:	12/2022			
	Estimated Construction Start:	12/2022	Est. Construction Completion:	2/2025			
	Estimated Conversion to Perm Loa	n(s):	12/2025				

<sup>\*</sup> On September 28, 2022 CDLAC approved a 90-day extension to the bond issuance deadline from 12/12/2022 to 3/12/2022 for all projects that received bond allocation on June 15, 2022.

<sup>\*</sup> Repayment of the CalHFA Supplemental MIP allocation shall have priority over the Original MIP Loan allocation in

accounting for the repayment of the MIP Loan.

\*Gap Funding Explanation and request for supplemental MIP subsidy loan funding: The Sources of Funds chart shown above includes more detailed information related to each financing and/or equity source and uses during the construction and permanent periods of development.

At the time of CalHFA's initial commitment (March 2022), the developer estimated the total development cost (TDC) to be \$95,182,214 or \$540,808/unit. CalHFA issued an initial commitment based on these initial costs estimates for the developer to use to apply to CDLAC for tax exempt bond cap and to CTCAC for federal tax credits. On June 15, 2022, the Borrower received the related allocations from CDLAC and CTCAC. On September 1, 2022, the Borrower was awarded supplemental bond allocation from CDLAC.

On the sources side, there were cost adjustments related predominantly to; 1) market related increases driving CalHFA's higher interest rate and spreads which resulted in a \$3,200,000 reduction to the permanent loan amount; 2) increase in investor equity contribution of \$7,077,148; 3) increase in deferred developer's fee of \$377,814. On the Uses side, cost increases were related to; 1) increased construction hard costs of \$6,586,624; 2) increased financing costs of \$163,573; 3) increased construction interest reserves of \$502,116; 4) increases to other soft costs of \$273,009. Overall, the deficit in the updated budget is \$3,270,000.

The Borrower has requested a \$3,270,000 increase to the MIP Subsidy Loan in an effort to offset cost increases and loan reductions outlined above and below. The summary of changes in sources and uses between initial commitment vs. current proposed are outlined below:

Summary of changes in Sources/Uses since the Initial Commitment approval										
SOURCES - Major Changes Description	Initial Commitment Amount \$	Current Proposed Amount \$	Increase/ Reduction \$	Per unit Cost Adjustment	% Adjustment of IC Approval					
1 - CalHFA Perm Loan (prior to removal of 25bps cushion)	\$27,500,000	\$23,110,000	-\$4,390,000	-\$24,943	-15.96%					
2 - Deferred Developer Fee Note	\$7,867,186	\$8,245,000	\$377,814	\$2,147	4.80%

	Current	Funding Gap (A-B):	-\$4,460,000		
Gap Funding sources:					
Increase in CalHFA Perm Lo	an (Rate lock with	out 25bps cushion):	\$1,190,000		
	Supplem	\$3,270,000			
	Gap fun	iding Sources Total:	\$3,270,000		
	Rema	aining Funding Gap:	\$0		

Hard Cost/Soft Cost changes: The Project experienced significant increases in the cost of construction due to COVID, labor shortages and supply chain issues that resulted in the construction costs budget increasing by \$6,586,264. As reflected on the above chart, most other budget line items increased as a result of loan financing costs and other soft costs related to macroeconomic factors, such as inflation.

Deferred Developer Fee: The current budget also reflects no increase to the developer fee, however, the current deferred developer's fee (DDF) is approximately \$377,814 higher than the original budget, which results in an increase of the net DDF by \$377,814 (original developer fee \$11,887,186 with \$7,867,186 deferred and current developer fee \$11,887,186 with \$8,245,000 deferred).

Perm Loan Reduction & Equity Contribution Adjustment: The equity contribution adjustment is anticipated to increase by approximately \$7,077,148 due to increases in eligible basis. At receipt of the Supplemental MIP application, the CalHFA permanent loan of \$27,500,000 was reduced by \$4,390,000 to \$23,110,000. This was attributed to increases in perm loan financing costs related to macroeconomic factors, such as inflation. The interest rate of 6.55% included a 25bps underwriting cushion and is inclusive of costs associated with the Agency offering extended rate lock period of 6+ months and interest rate hedging costs incurred by the Agency.

At final underwriting, to mitigate the funding gap of \$4,460,000, CalHFA was able to increase the perm loan by allowing the removal of 25 bps underwriting cushion which was possible by entering into an early rate lock agreement and hedge, locking the maximum rate at 6.30% fixed interest rate for loan closing (perm conversion at 36-month forward from construction loan closing). This resulted in a permanent loan increase of \$1,700,000 to \$24,300,000, which reduced the overall funding gap to \$3,270,000 as shown above.

The estimated funding gap after exhausting all resources available to the project totals approximately \$3,270,000. The Borrower has requested an increase to the MIP Subsidy Loan of \$3,270,000 to fund the remaining gap. Pursuant to the TCAC/CDLAC requirements, this project must begin construction by March 2023. A \$3,270,000 increase in the MIP supplemental subsidy (\$18,793/unit) results in an overall MIP Regulated Unit amount of \$47,529 per restricted unit. The original MIP and Supplemental MIP total is therefore \$8,270,000.

**Subsidy Efficiency:** The Initial MIP commitment for this Project was \$5,000,000 (\$28,736 per MIP restricted units). The current proposed MIP commitment is \$8,270,000 (\$47,529 per MIP restricted units) including the requested Supplemental MIP funding. Staff is recommending exceptions to the per project Allocation Limit of \$8,000,000. Approval of these exceptions are further detailed in the "Underwriting Standards or Term Sheet Variations" section 9 below.

#### Tax Credit Type(s), Amount(s) and per total units:

- 4% Federal Tax Credits: \$50,962,680 (\$292,889 per TCAC restricted unit).
- State Tax Credits: \$12,210,000 (\$70,172 per TCAC restricted unit).

**Rental Subsidies:** The Project will not be subsidized by project-based vouchers.

**Other State Subsidies:** The Project will not be funded by other state funds.

Other Locality Subsidies: The Project will not be funded by locality funds.

**Cost Containment Strategy:** The developer is using its affiliated company, Pacific West Buildings, Inc., as its General Contractor. The developer established cost containment strategies that include: 1) engaging the General Contractor to provide pre-construction services including: conceptual design review, estimating, value engineering, and a critical path schedule, 2) reviewing the GMP contract for any exclusions or exceptions to mitigate project cost increases, and 3) requiring that the General Contractor provide a minimum of 3 bids for each major trade and all other trades, if available.

**High-Cost Explanation:** The total development cost per unit is \$581,730. The Project is in a HUD high cost-designated area of the San Francisco Bay Area, which ranks as one of the most expensive places in the nation to develop and operate real estate. Other contributing factors are as follows:

 Construction costs are based on a cost estimate assuming a December 2022 construction start, though the developer has seen unprecedented hard cost escalation in recent years

SLC Date: 10/05/2022

SLC Final Staff Report for: La Vista Residential CalHFA Project Number: 21-033-A/X/N Board Date: 10/20/2022

- As required by the City, significant off-site improvements, including new pedestrian sidewalks, curbs, gutters, and roads are required, which total \$3,520,000.
- Significant onsite improvements, including earthwork, wet/dry utilities, concrete, and roads and parking, which total \$10,809,700.
- Local development Impact Fees include an additional Foothill Trail Improvement fee of \$326,500.

Deducting these costs results in an adjusted total development cost of approximately \$498,456 per unit.

6. Equity – Cash Out (estimate): Not Applicable.

#### TRANSACTION OVERVIEW

#### 7. **Proposal and Project Strengths**

- The Project has received 4% federal and state tax credits which is projected to generate equity representing 55.4% of total financing sources.
- The developer/sponsor has extensive experience in developing similar affordable housing projects and has experience with CalHFA.
- The Project will serve low-income families ranging between 30% to 80% of AMI. On average, the rents are between 10% to 65% below market rents based on current appraisal.
- The Loan-to-Value will be 49%, which is well below the Agency's maximum allowable LTV of 90% LTV. This results in less risk to the Agency.
- The exit analysis assumes a 2% increase (6.50%) cap rate and a 3% increase (9.30%) of the underwriting interest rate at loan maturity. Based on these assumptions, the Project will have the ability to fully repay the balance of Agency's permanent first lien and subsidy loans if the project is refinanced or re-syndicated at CalHFA loan maturity.

#### 8. **Project Weaknesses with Mitigants:**

- The total estimated deferred developer's fee is not anticipated to be fully repaid by year 15. The developer has confirmed that they will forgo any outstanding developer fee in year 15 and treat the amount as a developer's contribution. This condition will be documented in the investor commitment letter and/or LPA.
- The Project budget indicates a deficit of approximately \$3,700,000. The Borrower has requested an increase to the initially committed MIP subsidy loan to facilitate the progression of this shovel ready project to construction. Refer to section 5 for detailed explanation.
- The Project was previously owned by the California Department of Transportation (Caltrans) and was sold to the City of Hayward pursuant to a Director's Deed Grant. Such deed includes a Power of Termination, which requires that certain conditions be met by the City, otherwise the fee simple interest in the Project would revert back to Caltrans. Prior to construction loan closing, all conditions of the Director's Deed Grant must have been met, and a Relinquishment of Power of Termination, or such other document approved by the Agency, must be recorded against the property at construction loan closing, relinquishing Caltrans' Power of Termination and all other conditions placed on the Project by the Director's Deed Grant.

#### **Underwriting Standards or Term Sheet Variations**

Pursuant to the MIP loan term sheet, no project may receive more than the lesser of (i) \$8 million project cap, (ii) the aggregate MIP loan amount based on up to \$50k per MIP regulated unit for a project, or (iii) MIP loan not to exceed 50% of the CalHFA perm loan. Based on the project economics, the combined original and supplemental MIP is \$8,270,000 (\$47,529/restricted unit), which exceeds the per project threshold. This is an exception to the MIP term sheet and is recommended by Multifamily Underwriting and Credit Staff for approval to facilitate the progression of a shovel ready project without delay; the project received tax credit and bond cap allocations from TCAC/CDLAC on June 15, 2022 and is ready to proceed to construction loan closing by December 2022.

SLC Final Staff Report for: La Vista Residential CalHFA Project Number: 21-033-A/X/N

SLC Date: 10/05/2022 Board Date: 10/20/2022

#### 10. Project Specific Conditions of Approval

Approval is conditioned upon:

- No site work or construction commenced prior to the issuance of a HUD Firm Approval Letter.
- Prior to construction closing, receipt of seismic report confirming Probable Maximum Loss (PLM) below 20%, and/or other reports as deemed necessary by CalHFA.
- The total deferred developer's fee of \$8,245,000 will not be fully repaid by year 15 per project cashflow, therefore the owner must provide evidence of investors approval of the total deferred developer's fee structure.
- The Borrower has requested that 100% of surplus cash be available for the repayment of the deferred developer's fee (DDF) until the earlier of year 15 of operations is complete or full repayment of the DDF. Thereafter, the surplus cash split shall be 50% to Borrower and 50% to Residual Receipt lender(s). As a condition of this approval, the Borrower must provide evidence that the DDF repayment structure is required pursuant to the Limited Partnership Agreement (LPA). In addition, the owner must provide evidence of investor and all residual receipt lender(s) approvals of the total deferred developer's fee structure and residual receipt split. Residual receipt lenders must also agree to defer the payments on their loans.
- The locality is requiring the Borrower to encumber the Property by recording a Density Bonus Agreement. Prior to construction loan closing and closing of the CalHFA loan(s), the Density Bonus Agreement is subject to CalHFA review and approval in accordance with agency underwriting standards.
- The CalHFA subsidy (including the supplemental MIP subsidy loan) will be, in the Agency's sole discretion, the lesser of 1) the principal amount as stated on hereto or 2) an amount as determined by the Agency in the event the financial assumptions change prior to construction loan closing and/or permanent loan closing.
- All MIP Loan principal and interest will be due and payable at maturity. Outstanding Supplemental MIP loan funds will have first repayment priority whether the source of repayment is cash flow during the term of the loan or repayment via refinance, partner contribution, or other source at loan maturity.
- Any default as to any loan by the Agency for the Development shall constitute a default under any other loan by the Agency for the Development.
- In the event of cost savings at permanent loan conversion, 100% of cost savings will be used to reduce the supplemental portion of the MIP loan amount first (may be shared with other residual receipt lenders on a pro rata basis, if applicable). Once the supplemental portion of the MIP loan amount is fully reduced, the remaining cost savings will be split 50% between reducing the original MIP loan amount (or may be shared with other residual receipt lenders on a pro rata basis, if applicable) and reducing the Deferred Developer Fee.
- Project includes approximately \$3.5 Million of offsite improvement costs which are anticipated to be paid for with
  a taxable construction loan and tax credit equity at permanent conversion. Funds from the CalHFA permanent loan
  and/or the subsidy loan shall not be used to fund or offset any portion of the offsite improvement costs.
- Prior to construction loan closing, all conditions of the Director's Deed Grant must have been met, and a
  Relinquishment of Power of Termination, or such other document approved by the Agency, must be recorded
  against the property at construction loan closing, relinquishing Caltrans' Power of Termination and all other
  conditions placed on the Project by the Director's Deed Grant.

#### 11. Staff Conclusion/Recommendation:

The Multifamily Lending Division supports approval of the described financing in the amount(s) requested, subject to the above proposed terms and conditions. As noted earlier, the supplemental MIP subsidy loan allocation of \$3,270,000 was not part of the Initial Commitment approved by SLC, and hence approval is being sought for this financing through the subject Final Commitment Approval.

#### **AFFORDABILITY**

#### 12. | CalHFA Affordability (Occupancy and Rent) Restrictions

The CalHFA Permanent Financing Regulatory Agreement will restrict a minimum of 40% of the total units at or below 60% of AMI; with 30% of the total units (53 units) at or below 60% AMI and 10% of the total units (18 units) at 50% of AMI for 55 years.

The CalHFA MIP Subsidy Regulatory Agreement requires 10% of total units (18 units) be restricted at or below 30% of AMI, 20% of total units (36 units) be restricted at or below 50% of AMI, and 10% of total units (18 units) be restricted between 60% and 80% of AMI with a minimum average of 70% of AMI for a term of 55 years. The rents for the 60% to 80% tranche will be determined by the minimum income limit of 70% of AMI, not to exceed 80% of AMI. The remaining 102 restricted units will be restricted at or below 120% of AMI. For underwriting purposes, the initial rents at permanent loan closing must be no less than the underwriting rent levels outlined on the "Unit Mix and Rent Summary" enclosed as part of the project's staff report package. The CalHFA permanent loan agreement will require minimum underwriting rent levels as outlined in the Rent Limit Summary Table Below.

Rent Limit Summary Table										
AMI	Total	Studio	1-bdrm	2-bdrm	3-bdrm	4-bdrm	% of Total			
30%	30% 21			4	5	-	11.9%			
40%	. 0		-	0.0%						
50%	38 4		14	10	10	-	21.6%			
60%	65	19	16	15	15	-	36.9%			
80%	50	11	9	15 15		-	28.4%			
Manager's										
Unit	2	-	-	-	2	-	1.1%			
Total	176	38	47	44	47	0	100.0%			

CalHFA requires net rents to be at least 10% below market rents. To meet this requirement, the rents for the 50 units restricted at 80% AMI are underwritten approximately 11% below TCAC maximum rents and are 90% of market rents according to the appraisal dated 8/24/2022.

NUMBER OF UNITS AND AMI RENTS RESTRICTED BY EACH AGENCY

#### **APPRAISAL AND MARKET ANALYSIS**

# Appraisal Review The Appraisal dated 9/17/2022, prepared by Pacific Real Estate Appraisal, values the land at \$4,360,000. The cap rate of 4.50% and projected \$2,247,123 of net operating income, which is approximately \$330,354 higher than the developer proposed budget. This is attributed to the appraiser using TCAC maximum rents for the units restricted at 80% AMI where CalHFA and developer projections are underwriting these units 11% below TCAC maximums as described in section 12. Additionally, the appraisal estimates higher management costs than Developer projections. Eden Housing Management, Inc. has certified the project operating expenses and has calculated expenses based on similar projects they manage in the project area. The as-restricted stabilized value is \$49,940,000, which results in the Agency's permanent first lien loan to value (LTV) of 49%. The combined LTV, including MIP subsidy loan is 65%. The project capture rate is 4.98% of eligible households in the immediate market area, which is slightly lower than the market study dated 11/3/21. The project is expected to achieve stabilized occupancy within 7 months after construction completion which is approximately three months longer than market study estimates.

Market Study:Laurin & AssociatesDated: November 3, 2021

#### **Regional Market Overview**

- The Primary Market Area is the Central City of Hayward (population of 132,001). The Market Study deemed a Secondary Market Area "unnecessary due to the demand and wait lists for affordable units in the Central Hayward Primary Market Area." However, the area most appropriate for an SMA would include: the western portion of the City of Hayward, the southwestern portion of the City of San Leandro, and the Community of San Lorenzo.
- The general population in the PMA is anticipated to increase by 2.4% by 2025. The general populations in the entire City of Hayward and Alameda County are anticipated to increase by 2.6% and 3.0% (respectively) by 2025.
- Unemployment in the City of Hayward was 7.4% in 2021, down from 9.0% in 2020. Per the appraisal, the unemployment rate in August was 2.8%. At the time of the Market Study, the City has generally experienced higher unemployment due to the effects of the pandemic as services account for the largest employment sector in the City. Unemployment is expected to return to a more normal level in 2025 when the project is in lease-up.

#### **Local Market Area Analysis**

- Supply:
  - There are currently sixteen (16) affordable family projects in the Central Hayward Market Area, and they are 99.8% occupied with long wait lists.
  - o There are two (2) affordable projects under construction that are expected to have a total of 380 units.
- Demand/Absorption:
  - The project will need to capture 5.3% of the total demand for family units in the PMA. The affordable units are anticipated to lease up at a rate of 44 units per month.
  - Stabilized occupancy overall is estimated within four months of completion.

#### **DEVELOPMENT SUMMARY**

#### 31. Co-Developers/Sponsors

Pacific West Communities, Inc. and Eden Housing, Inc. are co-developers of the Project. Pacific West Communities, Inc. (PWC) is a vertically integrated for-profit developer that has extensive experience developing and constructing affordable housing projects similar to this Project across the western United States. PWC currently has 22 projects (20 affordable) with a total of 1,850 units in their pipeline and 27 projects (25 affordable) with a total of 2,700 units that are under construction. PWC has completed 37 projects (36 affordable) with a total of 3,750 units in CA within the last five years, and 1 of these projects (The Aspens at South Lake Tahoe MHSA) is in the CalHFA Asset Management portfolio.

PWC has 9 projects including CalHFA financing in various stages of development and 1 project in the CalHFA Asset Management portfolio as described in the chart below.

SLC Final Staff Report for: La Vista Residential

CalHFA Project Number: 21-033-A/X/N

SLC Date: 10/05/2022

Board Date: 10/20/2022

Eden Housing, Inc. (Eden) is a 501(c)3 non-profit developer that has extensive experience in developing, constructing, and managing affordable housing projects similar to this project throughout California. Eden currently has 171 projects, with a total of 11,951 units in their portfolio including 20 projects (a combination of CalHFA first lien lending and MHSA) that are in CalHFA's portfolio that are performing as expected. Eden has 7 projects currently under construction, none of which include CalHFA financing. Eden has 40 projects in their development pipeline, of which, the subject property is the only project that includes CalHFA financing. Eden has 17 projects in CalHFA's Asset Management portfolio as described in the chart below.

#### 32. Management Agent

The Project will be managed by Eden Housing Management, Inc. which has extensive experience in managing similar affordable housing projects in the area and manages 20 projects in CalHFA's portfolio that are performing as expected.

#### 33. Service Provider Required by TCAC or other funding source? Yes No

The Borrower has elected to provide a Service Coordinator to meet the City of Hayward's and TCAC requirements for a term of 15 years and the expense for these services is currently within the approved line-item operating budget. Eden Housing Management, Inc. will be providing the services onsite, at no cost to the residents. Supportive services will include instructor-led adult educational classes, skill building classes, and health and wellness classes and programs.

#### 34. Contractor Experienced with CalHFA? ✓ Yes No

The general contractor (GC) is Pacific West Buildings, Inc., an affiliated entity to the Co-Developer, which has extensive experience in constructing similar affordable housing projects in California and is familiar with CalHFA. Pacific West

SLC Final Staff Report for: La Vista Residential

CalHFA Project Number: 21-033-A/X/N

SLC Date: 10/05/2022

Board Date: 10/20/2022

affordable	Buildings, Inc. is the construction arm of the developer, The Pacific Companies. The GC currently has 26 projects (25 affordable) under construction and 36 projects (35 affordable) completed in CA within the last five years. The GC and developer have completed 120+ projects and have 36 currently in development stage.									
35.	35. Architect Experienced with CalHFA? 🖂 Yes 🗌 No									
projects ir 48 project architect a	tect is Architects Orange, which has extensive experience in designing and managing similar affordable housing in California through the locality's building permit process and is familiar with CalHFA. The Architect currently has its (5 affordable) under construction and 210 (10 affordable) completed projects within the last five years. The land the developer have worked on 30 project(s) that have been completed and is working on 5 projects that are proment stage.									
36.	Local Review via Locality Contribution Letter									
The localit	ty, City of Hayward, returned the local contribution letter stating they strongly support the project.

# MIXED-INCOME LOAN PROGRAM (2022)

The California Housing Finance Agency ("CalHFA" or "Agency") Mixed-Income Program ("MIP") provides competitive, long-term, subordinate financing for new construction multifamily housing projects restricting units (tax credit or CalHFA) between 30% and 120% of county Area Median Income ("AMI").

The MIP must be paired with CalHFA's Conduit Bond Issuance Program and a CalHFA Mixed-Income Qualified Construction Lender (defined below). Additionally, the program must be paired with CalHFA's Permanent Loan product. The MIP resources will take the form of a subordinate loan to incentivize newly developed multifamily housing projects that serve a range of extremely low to moderate income renters. Eligible projects must create newly constructed regulated units that meet the income and occupancy requirements reflected below.

#### Qualifications

#### APPLICATION:

Sponsors/developers must submit a complete application package which includes all items listed on the application, the application addendum and the checklist. Incomplete application packages will not be considered. The application and checklist can be found at <a href="https://www.calhfa.ca.gov/multifamily/mixedincome/index.htm">www.calhfa.ca.gov/multifamily/mixedincome/index.htm</a>. If the sponsor/developer is not able to meet the readiness timeline referenced below, MIP funds may be rescinded and reallocated.

#### **AVAILABILITY:**

Available to for-profit, nonprofit, and public agency sponsors. Development teams must meet CalHFA experience requirements, as defined in the CalHFA Development Team Qualifications section below.

#### **USES:**

MIP subsidy loans must be used in conjunction with CalHFA's Conduit Bond Issuance Program and a construction loan from a CalHFA Mixed-Income Qualified Construction Lender. MIP subsidy loans must also be used in conjunction with CalHFA's permanent first-lien mortgage financing. CalHFA Mixed-Income Qualified Construction Lender is defined in that section below.

#### FINANCING STRUCTURE:

Projects accessing the MIP subsidy loan funds must be structured as one of the following:

1. Tax-exempt bond and 4% tax credit project where at least 51% of the units in the project must be tax-credit-financed

OF

2. Qualified mixed-income project through income averaging pursuant to Internal Revenue Code Section 42 (g)(1)(C).

Kevin Brown, Housing Finance Specialist 500 Capitol Mall, Suite 1400, MS-990 Sacramento, CA 95814 916.326.8808 kbrown@calhfa.ca.gov Jennifer Beardwood, Housing Finance Specialist 500 Capitol Mall, Suite 1400, MS-990 Sacramento, CA 95814 916.326.8805 jbeardwood@calhfa.ca.gov

# **Qualifications** (continued)

#### READINESS:

Projects must have site control and be prepared to submit for a bond and tax credit allocation and will only receive funds if bonds are issued within the issuance timeframes specified in the California Debt Limit Allocation Committee's (CDLAC) Regulations Section 5100.

- 1. Site: The site must be ready for construction (all potential environmental issues have been identified, mitigation plan is in place, and costs associated with the mitigation plan have been incorporated in the development budget). Environmental issues may include, but not be limited to, receipt of clearances for CEQA, NEPA, and applicable tribal land environmental reviews. Pursuant to HUD-Risk Sharing requirements, sponsor is expected to start the NEPA process shortly after CalHFA verifies application completeness and determines that the project is ready to move forward with an initial commitment ("notification date"). The NEPA clearance and HUD's firm approval letter will be required prior to construction loan closing.
- 2. General Contractor and/or Third Party Construction Services Engagement: At the time of application, applicant must provide evidence that the applicant or developer has engaged a general contractor or third-party construction services company to provide construction services including, but not limited to, value engineering, bid/budget services, and constructability review of plans and designs. In addition, the proposed construction budget is based on the general contractor's or third-party construction services company's preliminary bid estimates pursuant to the current plans and designs.
- **3. Disposition and Development Agreement:** Applicant must provide a copy of the disposition and development agreement, if applicable.
- 4. Construction Start: All projects must commit to begin construction 180 days from the earlier of the date of the tax-exempt bond allocation or 4% federal/state tax credit reservation, unless an extension has been approved by California Tax Credit Allocation Committee (CTCAC), CDLAC, and CalHFA, as applicable. Within the 180-day period, the following items must be submitted to CalHFA in their final form:
  - A complete, updated application form along with a detailed explanation of any changes from the initial application,
  - b. An executed construction contract,
  - Recorded deeds of trust for all construction financing (unless a project's location on tribal trust land precludes this),
  - d. Binding commitments for any other financing required to complete project construction,
  - e. Copy of a limited partnership agreement executed by the general partner/sponsor and the investor limited partner/equity provider,
  - f. Payment of all construction lender fees,
  - g. Copies of buildings permits (a grading permit does not suffice to meet this requirement, except if the city or county as a rule does not issue building permits prior to the completion of grading, then a grading permit shall suffice; if the project is a design build project in which the city or county does not issue building permits until designs are fully complete, the city or county shall have approved construction to begin) or the applicable tribal documents,
  - h. Copy of the notice to proceed delivered to the contractor,
  - If no construction lender is involved, evidence must be submitted within 180 days, as applicable, that the equity partner has been admitted to the ownership entity, and that an initial disbursement of funds has occurred,
  - j. Other documentation and information required by CalHFA to close construction financing.

## **Qualifications** (continued)

#### MIP ALLOCATION LIMITS:

(Exceptions may be considered by Agency in its sole discretion)

- 1. **Project Cap:** No project may receive more than the lesser of \$8 million, or the aggregate MIP loan amount calculated based on up to \$50,000 per MIP regulated units or up to \$60,000 per MIP regulated units for a Project located within the Highest or High Resource areas pursuant to CTCAC regulations designated on the CTCAC/HCD (California Department of Housing and Community Department) Opportunity Area Map.
- 2. **Sponsor Cap:** No sponsor (any individual, entity, affiliate and related entity) may receive more than 20% of total MIP allocation or funding of two projects, whichever is less, for the respective year.
- 3. County Cap: No one county may receive more than 25% of total MIP allocations for the respective year.
- 4. Age-Restricted Cap: No more than 25% of total MIP funds for the respective year may be received by age-restricted projects (units that are restricted to residents who are 62 years of age or older under the applicable provisions of California Civil Code Section 51.3 and the federal Fair Housing Act), unless a waiver of the minimum age requirement has been granted by U.S. Department of Housing and Urban Development ("HUD").

#### **EVIDENCE OF COST CONTAINMENT:**

A Cost Containment Certification must be provided at the time of Construction Loan Closing in a form acceptable to CalHFA in its sole discretion. The certification acceptable to CalHFA may be found at <a href="https://www.calhfa.ca.gov/multifamily/mixedincome/forms/closing-cost-containment-certification.pdf">www.calhfa.ca.gov/multifamily/mixedincome/forms/closing-cost-containment-certification.pdf</a>.

The developer/sponsor must certify that cost containment measures have been implemented to minimize construction costs. These measures should include, but may not be limited to, 1) competitively bidding out all major subcontractor and self-performing trades and 2) engaging a value engineer/consultant during the design process.

#### **EVIDENCE OF SUBSIDY EFFICIENCY:**

A Subsidy Efficiency Analysis will be completed as part of the application review. The analysis will be completed again prior to construction loan closing and closing of the MIP subordinate loan. The MIP loan amount may be reduced based on the final analysis. Parameters of the analysis may include, but are not limited to, the following:

- A maximum of 1.20 Debt Service Coverage Ratio ("DSCR") at year 1 ("Initial DSCR"). CalHFA may allow an
  initial DSCR higher than 1.20 on a case-by-case basis, if deemed necessary. The year 1 DSCR underwritten
  at the time of final loan approval and final commitment must be maintained through the term of the
  CalHFA permanent first lien loan,
- A project cash flow that supports the residential component of the project based on the required CalHFA
  permanent first lien annual debt service coverage ratio,
- A separate project cash flow that supports any commercial component of a mixed-use project,
- A cash flow after debt service shall be limited to the higher of 25% of the anticipated annual must pay debt service payment or 8% of gross income, during each of the first three years of project operation,
- Inflation factors and vacancy rates consistent with the Agency's Underwriting Standards,
- Developer Fee requirements matching those required under the 4% federal and/or state tax credit reservation,
- Capitalized reserves subject to approval by Agency for reasonableness consistent with the Agency's Underwriting Standards and the Investor Limited Partnership Agreement (ILPA),

# **Qualifications** (continued)

- Review of Excess Sources over final Uses as approved by CalHFA resulting from any of the following:
  - · An increase in tax credit equity,
  - An increase in permanent loan debt due to a combination of permanent loan rate reduction and/or reduction to operating expense assumptions;
- Construction Cost Savings as evidenced by final cost certification, funds shall be used to reduce the MIP loan prior to CalHFA MIP loan closing or if required by other subordinate lenders, funds may be split on a pro rata basis between CalHFA and other subordinate lenders,
- State tax credit request is expected to be within a range of \$50,000 to \$75,000 per unit. The projects that evidence the most efficient use of bond cap, state tax credits, and MIP per adjusted unit shall be prioritized for MIP funding considerations. The bond cap, state tax credits, and MIP per adjusted unit calculation shall be consistent with CDLAC Regulation Section 5231(g)(1) and 5231(g)(2). MIP final commitment shall be subject to evidence of project's receipt of CDLAC's preliminary tax-exempt bond allocations and CTCAC's tax credits reservations within the respective year,
- Acquisition cost shall be the lesser of 1) the purchase price pursuant to a current purchase and sales
  agreement between unrelated parties, 2) the purchase price of an arm's length transaction executed within
  the past 10 years plus reasonable carrying costs, or 3) the appraised "as-is" value based on an Appraisal
  acceptable to CalHFA in its sole discretion. The appraised value of the real estate may be considered if the
  arm's length transaction exceeds 10 years.

#### CalHFA Mixed-Income Qualified Construction Lender

A CalHFA Qualified Construction Lender is defined as a Construction Lender that has closed at least five construction loans using tax-exempt bonds and 4% federal and/or state tax credits in California within the last three years and satisfies the requirement set forth within the application.

# CalHFA Mixed-Income Development Team Qualifications

The **Developer/Co-Developer/General Partner** must be registered to do business and in good standing in the state of California. A CalHFA Qualified Developer/Co-Developer/General Partner must have developed at least three comparable projects within the past five years or meet the requirements to receive a minimum of 7 points under the CDLAC General Partner Experience category pursuant to CDLAC Regulations Section 5230(f).

The proposed **Project Manager** must have personally managed the development of at least two comparable projects within the past five years.

**Financial Consultants** hired to assist the Developer in meeting the minimum experience requirements must be able to provide details regarding at least three comparably financed projects over the last five years.

**Architects** new to CalHFA must provide information for three comparable projects they designed that were built and occupied within the past five years in California.

**General Contractor (GC)** must be licensed by the State of California. GCs new to CalHFA must provide information related to three comparable (in design) projects built in the past five years. Similar information will be required for the proposed on-site construction supervisor. The on-site construction supervisor must have overseen three comparable projects built in the past five years, and they must have overseen the projects from construction start to final completion.

Tax Credit Investors must have closed/executed at least five investor limited partnership agreements for a comparable deal structure using tax-exempt bonds and 4% federal and/or state tax credits in California within the last three years.

# CalHFA Mixed-Income Development Team Qualifications (Continued)

Management Company must have a local presence or a field office in Northern or Southern CA (depending on the location of the Project) and have experience managing at least 10 low- to moderate-income, rentrestricted comparable (size and tenant types) projects. Also required is a resume for the proposed on-site Property Manager, reflecting prior experience during the past five years managing onsite project operations and compliance with rent-restricted units or meet the requirements to receive a minimum of 3 points under the CDLAC Management Company Experience category pursuant to CDLAC Regulations Section 5230(f).

## Permanent First Lien Loan

Must be provided by CalHFA. The permanent loan must meet an initial minimum DSCR of at least 1.15 and must maintain the year 1 DSCR underwritten at the time of final loan approval and final commitment through the term of the CalHFA permanent first lien loan. The Initial DSCR must not exceed 1.20.

### **Construction First Lien Loan**

Must be provided by a CalHFA Mixed-Income Qualified Construction Lender. All parties shall permit the Agency to, in its sole and absolute discretion, recycle all or a portion of any bond volume cap related to a paydown of the bond-financed loans, at the conversion of the construction financing to permanent financing and payoff of the construction loan, pursuant to the authority provided in Section 146(i)(6) of the Internal Revenue Code of 1986 and CDLAC Regulation Section 5060 (the "Bond Recycling"). The bond documents, loan documents and any other documents related to the financing of the Development shall contain any necessary approvals and permit all actions necessary to accomplish a Bond Recycling.

#### Limitations

- 1. MIP cannot be combined with the CTCAC 9% program.
- 2. MIP cannot be combined with other state subordinate debt and/or subsidy programs (this does not include state tax credits) with the exception of the Infill Infrastructure Grant (IIG), Affordable Housing and Sustainable Communities (AHSC) and Transit Oriented Development (TOD) housing programs. Inclusion of these programs is contingent upon restrictions that are compatible with the MIP program requirements outlined herein. Inclusion of other subordinate debt and subsidy will be allowed at CalHFA's sole discretion so long as any restrictions of subordinate debt or subsidy are compatible with MIP program requirements outlined herein.
- 3. Projects that have a below market rate component resulting from an inclusionary obligation or are 100% below market as a result of an inclusionary obligation must demonstrate master developer commitment through a dollar-for-dollar match of CalHFA's subsidy resources. Match can be obtained through a monetary match or equivalent in-kind contributions (e.g., land donation, land use fee concessions.)
- 4. At the time of MIP application, a project must not have already received an allocation of 4% federal and/ or state tax credits from CTCAC or a tax-exempt bond allocation from CDLAC.
- 5. Projects will not be eligible for other subsidy resources from CalHFA in addition to MIP.

#### Mixed-Income Project Occupancy Requirements

#### BOND REGULATORY AGREEMENT REQUIREMENTS (ALL PROJECTS):

Must maintain either (a) 20% of the units must be rent restricted and occupied by individuals whose incomes are 50% or less of AMI with adjustments for household size ("20% @ 50% AMI"), OR (b) 40% or more of the units must be both rent restricted and occupied by individuals whose incomes are 60% or less of AMI with adjustments for household size ("40% @ 60% AMI"): in the latter case, CDLAC requires a minimum of 10% of the unit types must be at 50% or less of AMI ("10% @ 50% AMI").

#### Mixed-Income Project Occupancy Requirements (Continued)

#### MIXED INCOME REGULATORY AGREEMENT REQUIREMENTS (ALL PROJECTS):

#### Affordability Requirements:

- 1. To qualify, a project must meet the following affordability restrictions, which are based on the HUD and locality (as applicable) income and rent limits which are current at the time of MIP application, for a term of 55 years:
  - a. 30% of total units at or below 50% of AMI. Of these, a minimum of 10% of total units must be at or below 30% of AMI,
  - b. 10% of total units between 60% and 80% of AMI with an average of 70% of AMI or greater, subject to the Maximum Allowable Rents outlined below, and
  - c. Remaining 60% of total units at or below 120% of AMI (with the exception of any non-restricted manager's unit(s)) OR at the affordability restrictions consistent with CTCAC requirements.
  - d. The minimum range between the lowest and highest occupancy target levels must be at least 40%.(Deviations from the above requirements will only be considered if Market Study supports such deviations.)
- 2. If applicable, tax credit transactions that are income-averaged must have a maximum average affordability up to 60% of AMI across all CTCAC restricted units.

#### Mixed-Income Project Occupancy Requirements (Continued)

#### MAXIMUM ALLOWABLE RENTS:

Rents for all restricted units must be at least 10% below market rents for the MIP affordability term as evidenced by a current market study or appraisal. This threshold will be analyzed at time of application and again at CalHFA's final commitment approval and may be monitored on an ongoing basis for the MIP affordability term. The report shall be current within 180 days of Agency's final commitment and may be subject to required updating if the report expires prior to construction loan closing. For underwriting purposes, CTCAC and locality maximum rents for the respective target income limits must be used. Any proposed rent adjustments above 5% of the approved rents subsequent to construction loan closing may be considered if supported by a recent or updated market study or appraisal that is dated within 180 days of MIP loan closing, at CalHFA's sole discretion.

Any units restricted by the Agency pursuant to this program, including those units restricted in addition to the minimum requirements set forth above, shall be rented at rents not to exceed 30% of the applicable income restriction required in the Agency's Regulatory Agreement.

#### Mixed-Income Subordinate Loan

- 1. Maximum loan amount for each project shall not exceed the lesser of \$8 million or the aggregate MIP loan amount calculated based on up to \$60,000 per MIP regulated units, unless an exception is approved by Agency in its sole discretion.
  - a. Maximum loan per restricted (tax credit or CalHFA) units between 30%-120% AMI shall be up to \$50,000.
  - Projects located within the Highest or High Resource areas pursuant to CTCAC regulations designated on the CTCAC/HCD Opportunity Area Map shall be eligible for an additional amount up to \$10,000 per MIP regulated unit. Opportunity Map Home Page: <a href="www.treasurer.ca.gov/ctcac/opportunity.asp">www.treasurer.ca.gov/ctcac/opportunity.asp</a>
- 2. Loan size based on project need but cannot be more than 50% of the permanent loan amount.

#### Mixed-Income Subordinate Loan Rates & Terms

- 1. Interest Rate: Greater of 1% simple interest or the applicable federal rate (AFR) at time of MIP closing.
- 2. Loan Term: The MIP loan term shall be coterminous with the CalHFA permanent first lien loan.
- 3. Lien Position: Second lien position, after CalHFA permanent first lien loan.
- 4. Loan Payment: Residual receipt repayment based on cash flow analysis and split 50% to Owner and 50% to CalHFA and other residual receipt lenders. Residual receipt is defined as 50% of surplus cash which is determined as net operating income minus total debt service and other Agency approved payments. Payments shall be applied to the current and/or accrued interest and then principal of the MIP loan. Deviation from the net cash flow split may be granted 1) to meet equity investor's deferred developer's fee requirement as evidence by the limited partnership agreement, and 2) is subject to approval(s) by other residual receipt lender(s), as applicable.
- 5. Affordability Term: 55 years.
- 6. Prepayment: May be prepaid at any time without penalty.
- 7. Subordination: A subordination and/or extension of MIP maturity request in conjunction with a resyndication, refinance, or ownership transfer ("capitalization event(s)") will be considered. If MIP loan is outstanding at time of the capitalization event(s) and requires subordination at the time of such event, the surplus cash split between borrower and CalHFA and other residual receipt lenders may be altered to reflect an increased percentage of residual receipts to CalHFA out of Borrower's share until such time as the MIP loan is paid in full. The remaining residual receipts may be split between other residual receipt lenders.
- 8. Funded: Only at permanent loan conversion.

#### CalHFA Conduit Bond Program

For more information on CalHFA's Conduit Issuer Program and the fees associated with it, visit CalHFA's website: <a href="https://www.calhfa.ca.gov/multifamily/programs/forms/termsheet-conduit.pdf">www.calhfa.ca.gov/multifamily/programs/forms/termsheet-conduit.pdf</a>

#### CalHFA First Lien Permanent Rates & Terms (subject to change)

For more information on CalHFA's Permanent Loan Program and the fees associated with it, visit CalHFA's website: <a href="https://www.calhfa.ca.gov/multifamily/programs/forms/termsheet-perm-tax-exempt.pdf">www.calhfa.ca.gov/multifamily/programs/forms/termsheet-perm-tax-exempt.pdf</a>

# Fees (subject to change)

Loan Fee: 1.00% of the loan amount (50% due at final commitment and 50% due at CalHFA MIP loan closing).

**Conduit Bond Program Fees:** Refer to CalHFA Conduit Bond Program www.calhfa.ca.gov/multifamily/programs/forms/termsheet-conduit.pdf

**CDLAC Fees:** Refer to CDLAC regulations for all applicable fees.

**Other Fees:** Refer to CalHFA First Lien Permanent Rates & Terms for first mortgage loan fees, credit enhancements, trustee fees, legal fees, inspection fees, administrative fees. <a href="https://www.calhfa.ca.gov/multifamily/programs/forms/termsheet-perm-tax-exempt.pdf">www.calhfa.ca.gov/multifamily/programs/forms/termsheet-perm-tax-exempt.pdf</a>

# TAX-EXEMPT PERMANENT LOAN PROGRAM

CalHFA's Tax-Exempt Permanent Loan Program ("Perm Loan") provides competitive tax-exempt long-term financing for affordable multifamily rental housing Projects. Eligible projects include newly constructed or acquisition/rehabilitation developments that provide affordable housing opportunities for individuals, families, seniors, veterans, and special needs tenants ("Project").

#### Qualifications

- Available to for-profit, non-profit, and public agency sponsors.
- Tax-exempt bond authority must be obtained from the California Debt Limit Allocation Committee (CDLAC) or through a 501(c)(3) exemption.
- The Tax-Exempt Permanent Loan may be used with or without 4% low income housing tax credits.
- If a lender other than CalHFA is providing short-term, first-lien debt, CalHFA shall be used as the bond issuer (for more information, review the Conduit Issuer Program Term Sheet).
- For Section 8 Projects, a final commitment is conditioned upon review and acceptance by CalHFA of the HAP or AHAP contract.
- The Perm Loan will be credit-enhanced through CalHFA's HUD/FHA Risk Sharing Program.
- For existing CalHFA portfolio loans, the current owner is required to pay off all outstanding CalHFA debt. Visit www.calhfa.ca.gov for the <u>CalHFA Portfolio Loan Prepayment Policy</u>.

#### **Loan Amount**

- Minimum Perm Loan amount of \$5,000,000.
- Minimum 1.15x for initial debt service coverage ratio (include any financing with amortizing debt). If a Project includes CalHFA's subsidy loan, the maximum DSCR at year 1 shall not exceed 1.20, unless CalHFA approves a higher DSCR at its own discretion. The year 1 DSCR underwritten at the time of final loan approval and final commitment must be maintained as the minimum DSCR through the term of the Perm Loan. CalHFA may require the initial DSCR to be higher than the minimum 1.15x, if deemed necessary to meet the Agency's underwriting requirements.
- Lesser of 90% of restricted value or 100% of development costs. For Projects with equity being cashed out, the Perm Loan amount will be restricted to no more than 80% of the restricted value.

### Fees (subject to change)

- Application Fee: \$10,000 non-refundable, due at time of application submittal, and is credited toward
  the CalHFA Legal Fee at Perm Loan closing. The applicant may be subject to a new Application Fee if the
  CalHFA commitment expires prior to construction loan closing.
- Perm Loan Fee: 1.00%, half due at final commitment, with balance due at Perm Loan closing.
- Credit Enhancement Fee: included in the interest rate.
- Annual Monitoring Fee: \$7,500 annually (not to be duplicated if used in conjunction with CalHFA's Conduit Program).
- Inspection fees should be estimated at \$500 per month for the term of the construction (reports and fees
  can be shared with other construction lenders)
- Legal Fee: \$35,000, half due at final commitment, with balance due at Perm Loan closing.
- Perm Loan Funding Fee: \$110,000 at Perm Loan closing.
- Administrative Fee: \$1,000 at Perm Loan closing.
- Letter of Interest Fee: \$5,000 at LOI request, and is credited toward the CalHFA Perm Loan Fee

See CalHFA standard Conduit Issuer Program Term Sheet for information on conduit issuance fees.

Kevin Brown, Housing Finance Officer 500 Capitol Mall, Suite 1400, MS-990 Sacramento, CA 95814 916.326.8808 kbrown@calhfa.ca.gov Jennifer Beardwood, Housing Finance Specialist 500 Capitol Mall, Suite 1400, MS-990 Sacramento, CA 95814 916.326.8805 jbeardwood@calhfa.ca.gov

#### Rate & Terms (subject to change)

#### Interest Rate:

- 17-Year Balloon Loans: 15-Year "AAA" Municipal Market Data (MMD) plus CalHFA spread
- 30-Year Balloon and Fully Amortizing Loans: 30-Year "AAA" MMD plus CalHFA spread
- Estimated CalHFA Spread: 2.00% to 3.00%
- Rate may be locked up to 30 days prior to the construction loan closing. Rate may be locked for the term of the construction period, not to exceed 3 years.

#### Amortization/Term:

- Amortization: Up to 40 Year Amortization
- Term: Fully Amortizing, and 17- or 30-Year Balloons available1
- Perm Loan Reduction: up to 10% reduction at Perm Loan closing permitted at no cost.
- Up to two, three-month extension(s) permitted upon payment of a fee equal to 0.25% of the Perm Loan amount for each three-month extension.
- Breakage Fee (if applicable): due between construction loan closing and Perm Loan closing and calculated based on hedge termination cost.
- 1. Balloon loans subject to agency approved exit strategy.

#### **Loan Closing** Requirements

- 90% stabilized rental housing occupancy for 90 days as evidenced by rent rolls.
- 90% of tax credit investor equity shall have been paid into the Project.
- Project income is sufficient to pay operating expenses, required debt service, reserves and monitoring fees.
- For mixed-use Projects, 100% non-residential occupancy as evidenced by executed leases or guarantees.
- Deposit Account Control Agreement between CalHFA, the Borrower and lending institution is in form and substance acceptable to all parties and ready to be executed at Perm Loan closing.

#### **Prepayment**

The Perm Loan may be prepaid at par after 15 years of the Perm Loan period. However, the Perm Loan may be prepaid after 10 years of the Perm Loan period subject to a yield maintenance calculation of:

- 5% of the principal balance after the end of year 10
- 4% of the principal balance after the end of year 11
- 3% of the principal balance after the end of year 12
- 2% of the principal balance after the end of year 13
- 1% of the principal balance after the end of year 14

All prepayments require a prior written 120-day notice to CalHFA.

#### **Subordinate Financing**

Financing or grants are encouraged from local governments and third parties to achieve project feasibility. All financing, leases, development and regulatory agreements must be coterminous (or have a longer term than the combined terms of any CalHFA Acq/Rehab Loan and Perm Loan) and be subordinate to CalHFA financing. A Lien Priority/Position Estoppel in form and substance acceptable to CalHFA will be required prior to construction financing closing, if applicable.

#### **Occupancy** Requirements

Must maintain the greater of (A) existing affordability restrictions, or (B) either (i) 20% of the units must be rent restricted and occupied by individuals whose incomes are 50% or less of the area (county) median gross income as determined by HUD ("AMI") with adjustments for household size ("20% @ 50% AMI"), or (ii) 40% or more of the units must be both rent restricted and occupied by individuals whose income is 60% or less of the AMI, with adjustments for household size ("40% @ 60% AMI"): however in the latter case, a minimum of 10% of the units must be at 50% or less of AMI (i.e., 30% @ 60% AMI; 10% @ 50% AMI).

#### Occupancy Requirements (continued)

Any units restricted by the Agency pursuant to this program, including those units restricted in addition to the minimum requirements set forth above, shall be rented at rents up to 30% of the applicable income restriction using the occupancy assumptions required in the Agency's Regulatory Agreement. Rents for all restricted units must be at least 10% below market rents as evidenced by current market study or an appraisal.

CalHFA's regulated units must represent a comparable share of the available unit sizes (by bedroom count and square feet) and be disbursed throughout the project.

#### **Due Diligence**

The following due diligence is required to be provided at the Owner/Borrower's expense (refer to the program's document checklist for a full list):

- Appraisal\* (a construction lender's appraisal may be acceptable).
- HUD-2530 previous participation clearance.
- Construction Costs Review for new construction loans (other construction lender's review is acceptable).
- Physical Needs Assessment\* ("PNA") for rehabilitation projects with a Replacement Reserve Needs Analysis
  ("RRNA") over time for the first 20-year term (other lender's PNA/RRNA may be acceptable). A RRNA for a
  longer time period may be required if the Perm Loan term is greater than 20 years.
- Phase I and Phase II (if applicable) Environmental Site Assessment\* including, but not limited to, impact
  reviews that meet federal environmental requirements (such as historic preservation and noise remediation).
   The Purpose section of Phase I must state "a purpose of the Phase I is to document compliance with HUD
  policy pursuant to 24 CFR §58.5(i)(2) or §50.3(i)".
- Market Study\* satisfactory to CalHFA.
- NEPA Review.
- Termite/Dry Rot reports\* by licensed company.
- Seismic review\* and other studies may be required at CalHFA's discretion.

\*Note: Third party reports shall be within 180 days prior to the CalHFA's final commitment approval and may be subject to a new or updated report if the report(s) was completed more than 180 days prior to construction loan closing, in CalHFA's sole discretion.

#### Required Impounds and Reserves

- Replacement Reserve: Initial cash deposit required for existing Projects with annual deposits between \$250 and \$500 per unit/per year depending on the Project type and PNA/RRNA findings.
- Operating Expense Reserve ("OER"): 3-6 months of operating expenses, reserves, debt service, and
  monitoring fees due at Perm Loan closing (letter of credit or cash) and held for the life of the CalHFA Perm
  Loan by CalHFA. In the event OER funds are drawn down during the term of CalHFA Perm Loan, it must be
  replenished over a period of 12 months to the original level.
- Impounds held by CalHFA: One year's prepaid earthquake, hazard and liability insurance premiums, and property tax assessments are collected at loan closing. An earthquake insurance waiver is available for Projects which have met CalHFA earthquake waiver standards during rehabilitation or construction.
- Transition Operating Reserve (TOR): required for Projects with state or locally administered rental subsidy contracts with contract terms that are less than 20 years or the CalHFA Perm Loan term.
- Other reserves as required (at CalHFA's discretion).

# California Housing Finance Agency

#### CONDUIT ISSUER PROGRAM

#### MULTIFAMILY HOUSING BONDS

Term sheet effective for applications submitted after March 1, 2022

The CalHFA Conduit Issuer Program is designed to facilitate access to tax-exempt and taxable bonds ("Bond") by developers that seek financing for eligible projects that provide affordable multifamily rental housing for individuals, families, seniors, veterans or special needs tenants ("Project"). The conduit Bonds may be used to finance the acquisition, rehabilitation, and/or development of an existing Project, or they can be used for the construction of a new Project.

#### Qualifications Available to for-profit, nonprofit or public agency sponsors. Nonprofit borrowers may be eligible for 501(c)(3) bonds. If bond proceeds are utilized to pay off an existing CalHFA portfolio loan visit www.calhfa.ca.gov for the CalHFA Portfolio Loan Prepayment Policy. **Bond Amount** Bond amount is determined by the loan amount of the selected construction lender. Application Fee: \$5,000 non-refundable, due at time of application submittal (covers the cost of the TEFRA **Fees** (subject to change) required for tax-exempt issuances) and is credited toward the CalHFA Issuer Fee. The greater of \$15,000 or 18.75 basis points of the Bond amount if lesser than or equal to \$20 million. 2. If more than \$20 million: \$37.500 + 5 basis points for the amount above \$20 million. Annual Administrative Fee: 5 bps of the tax-exempt bond issuance amount due at construction loan closing and due annually thereafter until permanent loan conversion. After permanent loan conversion, billed annually in advance, 5 bps of unpaid principal balance amount of tax-exempt bond financed loan(s) until bonds are fully redeemed. Minimum Annual Administrative Fee shall be \$4,000 through both the Qualified Project Period and the CDLAC compliance period. For taxable only issuances, annual administrative fees above will be charged based on the taxable bond financed loan(s) for the term of the CalHFA affordability restrictions. If used in conjunction with a CalHFA permanent loan product, the annual administrative fee will not be duplicated. Please refer to the applicable permanent loan term sheet for the annual administrative fee. Public Sale: Additional fee of \$5,000 to \$10,000 applies when Bonds are sold to the public. CDLAC Allocation Fee: 0.035% of the Bond amount, \$1,200 of which is due at time of CDLAC application submittal with the remaining fee due at construction loan closing and payable to CDLAC. CDLAC Performance Deposit: 0.50% of the requested Bond amount, not to exceed \$100,000, due at time of CDLAC application submittal. Deposit to be refunded after the Bond closing, upon receipt of authorization letter from CDLAC. The Borrower shall be responsible for all other costs of Bond issuance including fees of the underwriter, trustee, rating agencies, lender, compliance administrator, all Bond counsel legal fees, and any other parties required to complete the transaction.

Kevin Brown, Housing Finance Officer 500 Capitol Mall, Suite 1400, MS-990 Sacramento, CA 95814 916.326.8808 kbrown@calhfa.ca.gov

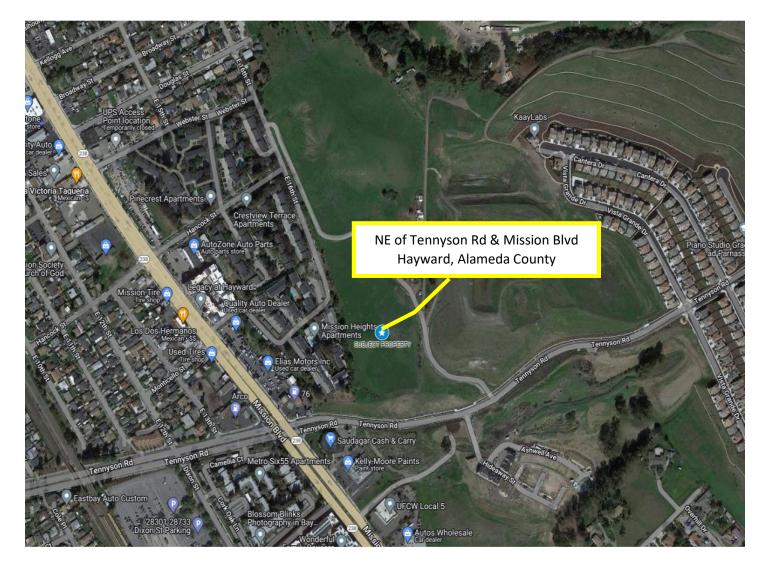

#### Occupancy Requirements

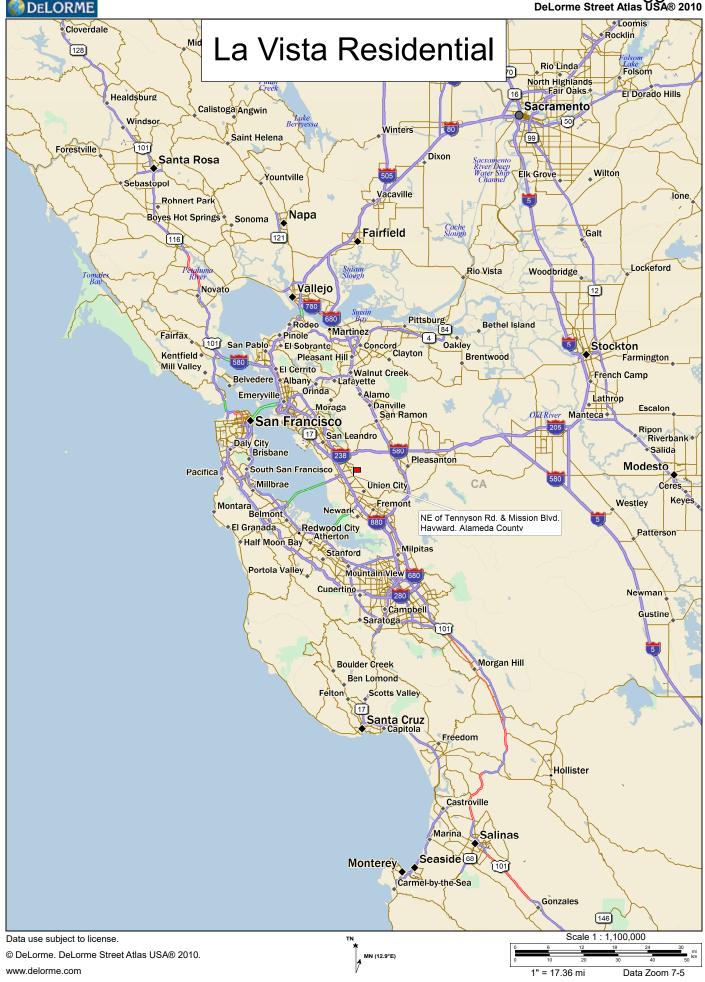

- Either (A) 20% of the units must be rent restricted and occupied by individuals whose incomes are 50% or less of the area median income as determined by HUD ("AMI") with adjustments for household size ("20% @ 50% AMI"), or (B) 40% or more of the units must be rent restricted and occupied by individuals whose income is 60% or less of AMI, with adjustments for household size ("40% @ 60% AMI"); however in the latter case, a minimum of 10% of the units must be at 50% or less of AMI (i.e., 30% @ 60% AMI; 10% @ 50% AMI).
- Any units restricted by the Agency pursuant to this program, including those units restricted in addition to the
  minimum requirements set forth above, shall be rented at rents up to 30% of the applicable income restriction
  using the occupancy assumptions required in the Agency's Regulatory Agreement. Rents for all restricted
  units must be at least 10% below market rents as evidenced by a current market study or an appraisal.
- Borrower will be required to enter into a Regulatory Agreement which will be recorded against the Project for
  the Qualified Project Period (as defined in the CalHFA Regulatory Agreement). This includes the later of the
  federally-required qualified project period, repayment of the Bond funded loan, redemption of the Bonds,
  the full term of the CDLAC Resolution requirements or 55 years.

Last revised: 05/2022

### La Vista Residential

#### BOARD OF DIRECTORS 1 OF THE CALIFORNIA HOUSING FINANCE AGENCY 2 3 4 5 RESOLUTION NO. 22-28 6 RESOLUTION AUTHORIZING A FINAL LOAN COMMITMENT 7 8 WHEREAS, the California Housing Finance Agency (the "Agency") has received a 9 loan application on behalf of La Vista Hayward, L.P., a California limited partnership (the 10 "Borrower"), seeking a loan commitment, the proceeds of which are to be used to provide 11 financing for a multifamily housing development located in the City of Hayward, County of 12 Alameda, California, to be known as La Vista Residential (the "Development"); and 13 14 WHEREAS, the loan application has been reviewed by Agency staff which prepared a 15 report presented to the Board on the meeting date recited below (the "Staff Report"), 16 recommending Board approval subject to certain recommended terms and conditions; and 17 18 19 WHEREAS, Agency staff has determined or expects to determine prior to making a 20 binding commitment to fund the loan for which the application has been made, that (i) the Agency can effectively and prudently raise capital to fund the loan for which the application has 21 been made, by direct access to the capital markets, by private placement, or other means and (ii) 22 any financial mechanisms needed to insure prudent and reasonable financing of loans can be 23 achieved; and 24 25 WHEREAS, pursuant to the Executive Director's authority to issue Conduit Bonds, 26 under Resolution 21-04 the Agency has filed an application with the California Debt Limit 27 Allocation Committee ("CDLAC") for an allocation of California Qualified Private Activity 28 Bonds for the Development; and 29 30 WHEREAS, the Development has received a TEFRA Resolution as required by the 31 32 Tax Equity and Fiscal Responsibility Act of 1983, and under 26 U.S.C. section 147(f); and 33 WHEREAS, Section 1.150-2 of the Treasury Regulations requires the Agency, as the 34 issuer of tax-exempt bonds, to declare its reasonable official intent to reimburse prior 35 expenditures for the Development with proceeds of a subsequent borrowing; and 36 37 WHEREAS, on November 1, 2021, the Executive Director exercised the authority 38 39 delegated to her under Resolution 15-16 to declare the official intent of the Agency to reimburse such prior expenditures for the Development; and 40 41 42 WHEREAS, the Agency has conditionally approved a subsidy loan pursuant to CalHFA's Mixed-Income Program ("MIP") pursuant to its authority under Resolutions 19-02 43

and 19-14; and

44 45 46

\$3,270,000.00 Supplemental

MIP Allocation)

Resolution No. 22-28 Page 2

WHEREAS, the Board wishes to grant the staff the authority to enter into a loan commitment to provide permanent financing for the development and taking out the Conduit Bonds upon Agency staff determining in its judgment that reasonable and prudent financing mechanisms can be achieved;

NOW, THEREFORE, BE IT RESOLVED by the Board of Directors (the "Board") of the California Housing Finance Agency as follows:

1. The Executive Director, or in her absence, the Chief Deputy Director, is hereby authorized to execute and deliver a final commitment letter, in a form acceptable to the Agency, and subject to recommended terms and conditions set forth in the Staff Report and any terms and conditions as the Board has designated in the Minutes of the Board Meeting, in relation to the Development described above and as follows:

PROJECT NUMBER	DEVELOPMENT NAME/ LOCALITY	MORTGAGE AMOUNT	
21-033-A/X/N	LA VISTA RESIDENTIAL City of Hayward, County of Alameda	\$24,300,000.00	Tax-Exempt Bond or FFB Permanent 1st Lien Loan with HUD Risk Share
		\$ 8,270,000.00	Total Mixed- Income Program Residual Receipt 2 <sup>nd</sup> Lien Loan
		(\$5,000,000.00]	MIP Allocation;

The Board recognizes that in the event that staff cannot determine that reasonable and prudent financing mechanisms can be achieved, the staff will not enter into loan commitments to finance the Development. In addition, access to capital markets may require significant changes to the terms of loans submitted to the Board. Notwithstanding paragraph 2 below, the staff is authorized to make any needed modifications to the loan which in staff's judgment are directly or indirectly the result of the disruptions to the capital markets referred to above.

2. The Executive Director may modify the terms and conditions of the loan or loans as described in the Staff Report, provided that major modifications, as defined below, must be submitted to this Board for approval. "Major modifications" as used herein means modifications which either (i) increase the total aggregate amount of any loans made pursuant to the Resolution by more than 7%; or (ii) modifications which in the judgment of the Executive Director, or in her absence, the Chief Deputy Director of the Agency, adversely change the financial or public purpose aspects of the final commitment in a substantial way.

 Resolution No. 22-28 Page 3

SECRETARY'S CERTIFICATE I, Claire Tauriainen, the undersigned, do hereby certify that I am the duly authorized Secretary of the Board of Directors of the California Housing Finance Agency, and hereby further certify that the foregoing is a full, true, and correct copy of Resolution No. 22-28 duly adopted at a regular meeting of the Board of Directors of the California Housing Finance Agency duly called and held on the 20th day of October 2022, at which meeting all said directors had due notice, a quorum was present and that at said meeting said resolution was adopted by the following vote: AYES: NOES: ABSTENTIONS: ABSENT: IN WITNESS WHEREOF, I have executed this certificate hereto this 20th day of October 2022. ATTEST: CLAIRE TAURIAINEN Secretary of the Board of Directors of the California Housing Finance Agency

SLC Date: 9/28/2022 Board Date: 10/20/2022

SLC Final Commitment Staff Report for: Shiloh Crossing CalHFA Project Number: 22-008-A/X/N

**Local Resources and Services:** For TCAC/CDLAC purposes, the Project is located within a high resource area per TCAC/HCD's Opportunity Area Map. The Project is in close

• Grocery stores – 0.12 of miles

proximity to the following local amenities and services:

- Schools 1.5 of miles
- Public Library 2.5 of miles
- Public transit 0.13 of miles
- Retail 2.2 of miles
- Park and recreation 0.22 of miles
- Medical Clinic 0.21 of miles

Non-displacement <u>and</u> No Net Loss: To the extent feasible, it is the Agency's priority to mitigate the overall effects upon affordable housing availability that may arise from multifamily developments that may result in permanent displacement of existing affordable housing residents and/or net loss of existing affordable housing units. The Project is a new construction project, with no related demolition of existing affordable housing, hence no existing affordable housing units will be lost nor will existing residential households be displaced as a result of this development.

Commercial and/or Other (i.e. Parking) Space: As required by the Town of Windsor, the project includes construction of 8,000 sq. ft of commercial space. The borrowing entity will enter into a Master Lease Agreement as the lessor, and it is currently assumed that the Developer will be the lessee of this space and will enter into subleases with commercial tenants. The space will be leased using a triple net lease with a term of at least 17 years. While commercial tenants have yet to be identified, possible uses for the space include retail, restaurant, and other commercial uses. There will be 40 parking spaces designated specifically for the commercial tenants. The operating expense and revenue from the commercial space are not contemplated in the proposed operating expense budget. The commercial space will not be condominiumized from the residential portion of the project, however, the Master Lease is expected to mitigate the residential portion from expenses and capital needs related to the commercial portion. The utilities for the commercial portion of the project will be separately metered from the residential portion. The construction cost of the commercial component is anticipated to be funded by tax credit equity. Approval of the master lease agreement, commercial tenants, and commercial sublease agreements are included as a condition of approval in Section 10.

#### **MISSION**

3.	CalHFA Mission/Goals	
This P	roject and financing proposal provi	de 171 units of affordable housing with a range of restricted rents between 30% of

This Project and financing proposal provide 171 units of affordable housing with a range of restricted rents between 30% of AMI and 80% of AMI which will support much needed rental housing that will remain affordable for 55 years.

#### ANTICIPATED PROJECT MILESTONES & SCHEDULE

4.	CDLAC/TCAC Closing Deadline:	3/12/2023*	Est. Construction Loan Closing:	12/2022

<sup>\*</sup> Repayment of the CalHFA Supplemental MIP allocation shall have priority over the Original MIP Loan allocation in accounting for the repayment of the MIP Loan.

<sup>\*</sup>Gap Funding Explanation and request for supplemental MIP subsidy loan funding: The Sources of Funds chart shown above includes more detailed information related to each financing and/or equity source and uses during the construction and permanent periods of development.

SLC Date: 9/28/2022 Board Date: 10/20/2022 CalHFA Project Number: 22-008-A/X/N

estimates for the developer to use to apply to CDLAC for tax exempt bond cap and to CTCAC for federal tax credits. On June 15, 2022 the Borrower received the related allocations from CDLAC and CTCAC.

On the sources side, there were cost adjustments related predominantly to; 1) market related increases driving CalHFA's higher interest rate and spreads which resulted in a \$4,854,000 reduction to the permanent loan amount; 2) increase in investor equity contribution of \$3,008,487; 3) increase in deferred developer's fee of \$952,913. On the Uses side, cost increases were related to; 1) increased construction reserves of \$1,616,225; 2) increased construction costs of \$3,618,088; 3) increased insurance costs of \$425,000; 4) increased impact fees of \$478,774; 5) increased developer fee of \$750,000; 6) increases to other soft costs of \$314,675; Overall, the deficit in the updated budget is \$8,095,362.

The Borrower has requested a \$7,442,362 increase to the MIP Subsidy Loan in an effort to offset cost increases and loan reductions outlined above and below. The summary of changes in sources and uses between initial commitment vs. current proposed are outlined below:

communent vs. current proposed are outlined below.								
Summary of changes in Sources/Uses since the Initial Commitment approval								
SOURCES - Major Changes Description	Initial Commitment Amount \$	Current Proposed Amount \$	Increase/ Reduction \$	Per unit Cost Adjustment	% Adjustment of IC Approval

Total Changes in Uses (B)	\$79,371,994	\$86,574,756	\$7,202,762	\$41,634	9.07%
	Current Fu	nding Gap (A-B):	-\$8,095,362		
Gap Funding sources:					
Increase in CalHFA Perm Loar	(Rate lock without	25bps cushion):	\$653,000		
	\$7,442,362				
	\$8,095,362				
	Remaini	ing Funding Gap:	\$0		

Hard Cost/Soft Cost changes: The Developer is undergoing the cost containment strategies outlined later in this section, however, there was an overall \$3,618,088 increase in construction costs attributed to inflation. In addition, the construction lender is requiring a \$1,616,225 increase to the construction interest reserve. Insurance rates have increased for course of construction insurance by \$425,000. The Town of Windsor bases their impact fees off of the Engineering News-Record Construction Cost Index which has increased the impact fees by \$478,774.

Deferred Developer Fee: The current budget also reflects an increase of the total developer's fee by \$750,000, however, the current deferred developer's fee (DDF) is approximately \$952,913 higher than the original budget, which results in an increase of the net DDF by \$202,913 (original developer fee \$9,250,000 with \$7,791,930 deferred and current developer fee \$10,000,000 with \$8,744,843 deferred).

SLC Date: 9/28/2022 CalHFA Project Number: 22-008-A/X/N Board Date: 10/20/2022

Perm Loan Reduction & Equity Contribution Adjustment: The equity contribution adjustment is anticipated to increase by approximately \$3,008,487 due to increases in eligible basis. At receipt of the Supplemental MIP application, the CalHFA permanent loan of \$25,897,000 was reduced by \$4,854,000 to \$21,043,000. This was attributed to increases in perm loan financing costs related to macroeconomic factors, such as inflation. The interest rate of 6.56% included a 25bps underwriting cushion and is inclusive of costs associated with the Agency offering extended rate lock period of 6+ months and interest rate hedging costs incurred by the Agency. At final underwriting, to mitigate the funding gap of \$8,095,362 CalHFA was able to increase the perm loan by allowing the removal of 25 bps underwriting cushion which was possible by entering into an early rate lock agreement and hedge, locking the maximum rate at 6.31% fixed interest rate for loan closing (perm conversion at 36month forward from construction loan closing). This resulted in a permanent loan increase of \$653,000 to \$21,696,000, which reduced the overall funding gap to \$7,442,326 as shown above.

The estimated funding gap after exhausting all resources available to the project totals approximately \$7,442,326. The Borrower has requested an increase to the MIP Subsidy Loan of \$7,442,326 to fund the remaining gap. Pursuant to the TCAC/CDLAC requirements this project must begin construction by December 2022. A \$7,442,326 increase in the MIP supplemental subsidy (\$43,523/unit) results in an overall MIP Regulated Unit amount of \$90,306 per restricted unit. The original MIP and Supplemental MIP total is therefore \$15,442,362.

Subsidy Efficiency: The Initial MIP commitment for this Project was \$8,000,000 (\$46,784 per MIP restricted units). The current proposed MIP commitment is \$15,442,326 (\$90,306 per MIP restricted units) including the requested Supplemental MIP funding. Staff is recommending exceptions to the per project Allocation Limit of \$8,000,000, per unit limit of \$50,000, and the 50% limit of the MIP loan to perm loan requirement. Approval of these exceptions are further detailed in the "Underwriting Standards or Term Sheet Variations" section 9 below.

#### Tax Credit Type(s), Amount(s), and per total units:

- 4% Federal Tax Credits: \$36,761,020 (\$212,491 per TCAC restricted unit).
- State Tax Credits: \$5,531,759 (\$31,975 per TCAC restricted unit).
- Solar Tax Credits: \$314,860 (\$1,820 per TCAC restricted unit).

**Rental Subsidies**: The Project will not be subsidized by project-based vouchers.

Other State Subsidies: The Project will not be funded by other state funds.

Other Locality Subsidies: The Project will not be funded by locality funds.

Cost Containment: CBH has engaged BLH Construction Co. (GC) for the project and plans to utilize a competitive bidding process, utilizing a minimum of three bid review. CBH's team of architects and engineers are intimately familiar with each other and will value engineer the project from conception through the end of construction. The development team will work early to develop a critical path method, ensuring that key construction milestones and timelines are met. BLH is affiliated with the Administrative General Partner (Integrated Community Development).

Equity – Cash Out (estimate): Not Applicable 6.

#### TRANSACTION OVERVIEW

#### 7. **Proposal and Project Strengths**

- The Project has received 4% tax credits, solar tax credits, and state tax credits which is projected to generate equity representing 47% of total financing sources.
- The developer/sponsor has extensive experience in developing similar affordable housing projects and have experience with CalHFA.

SLC Date: 9/28/2022 CalHFA Project Number: 22-008-A/X/N Board Date: 10/20/2022

The Project will serve low-income families ranging between 30% to 80% of AMI. On average, the rents are between 29% to 72% below market rents based on current appraisal.

- The Loan-to-Value ("LTV") will be 60%, which is well below the Agency's maximum allowable LTV of 90%. This results in less risk to the Agency.
- The projected portion of the developer's fee that will be collected at to permanent loan conversion is \$1,255,157 (13% of total developer fee) which could be available to cover cost overruns and/or unforeseen issues during construction.

#### 8. **Project Weaknesses with Mitigants:**

- An updated Phase I report and a limited Phase II report dated January 26, 2022, and September 1, 2021, respectively, identified the presence of several volatile organic compounds in soil vapor at concentrations which slightly exceed Environmental Screening Levels for residential land use. The development budget includes roughly \$75,000, which is the anticipated costs associated with addressing these environmental issues pending an updated soils report. The mitigation plan has been received and a certification that mitigation measures have been implemented must be received prior to permanent loan closing.
- The exit analysis assumes 2% increase to the appraisal cap rate (resulting in 6.75%) and a 3% increase of the underwriting interest rate at loan maturity (resulting in 9.31%). Based on these assumptions, the Project will have the ability to fully repay the balance of the Agency's permanent first lien loan and a portion of the Supplemental MIP loan allocation in the estimated amount of \$1,146,935, leaving an amount of \$9,644,490 of the Supplemental MIP allocation (including principal and accrued interest) plus the full amount of the original MIP loan in the estimated amount of \$11,600,000 (principal and accrued interest), the total estimated amount of the MIP Loan at refinance is \$21,244,490. This is expected by CalHFA given the requirement that the MIP loan be co-terminus with the permanent first mortgage. The primary source of repayment for both the first mortgage and the MIP subsidy loan is refinance of the project's first mortgage. To the extent such a refinance is insufficient to fully repay the MIP loan, it is contemplated that any remaining balance will be paid from a general partner contribution as part of the final close out of partnership obligations to allow re-syndication.
- The construction lender's term sheet allows a maximum of 80% loan-to-value (LTV) and 80% loan-to-cost (LTC). The proposed aggregate construction loan amounts exceed this limit showing 97% LTV and 96% LTC. The construction lender has confirmed, in writing, that they accept the proposed LTV and LTC amounts.

#### 9. **Underwriting Standards or Term Sheet Variations**

- Pursuant to MIP loan term sheet, no project may receive more than the lesser of (i) \$8 million project cap, (ii) the aggregate MIP loan amount based on up to \$60k per MIP regulated unit for a project located within the high/highest resource area per TCAC/HCD opportunity map, or (iii) MIP loan not to exceed 50% of the CalHFA permanent loan. This project is located in a high resource area. Based on the project economics, the combined original and supplemental MIP is \$15,442,326 (\$90,306/restricted unit) (MIP loan percentage is approximately 71% of the CalHFA permanent loan), which exceeds all 3 thresholds. This is an exception to the MIP term sheet and is recommended by Multifamily Underwriting and Credit Staff for approval to facilitate the progression of a shovel ready project without delay; the project received tax credit and bond cap allocations from TCAC/CDLAC on June 15, 2022 and is ready to proceed to construction loan closing by December 2022.
- For purposes of MIP subsidy efficiency analysis, the underwriting of the permanent first lien loan is typically required to be sized based on the maximum TCAC income and rent limits. The developer is requesting an exception to this requirement and instead has requested that project rents for 19 of the units be limited to 13% below TCAC regulated maximum rents. This is a condition required by the investor to ensure that the income average is at 58.3% of AMI (60% is the maximum), which mitigates the Project's risk of losing tax credits during the compliance period pursuant to income averaging requirements. The proposed rents for these 19 units average 32% below market rents for similar units vs. average of 22% below market rents if TCAC maximum rents are used. To facilitate project feasibility, staff is recommending an exception to the MIP subsidy efficiency requirement to allow the project's permanent first lien loan underwriting to align with the investor's requirements.

SLC Date: 9/28/2022 CalHFA Project Number: 22-008-A/X/N Board Date: 10/20/2022

#### **Project Specific Conditions of Approval**

Approval is conditioned upon:

- No site work or construction commenced prior to the issuance of a HUD Firm Approval Letter.
- The CalHFA subsidy (including the supplemental MIP subsidy loan) will be, in the Agency's sole discretion, the lesser of 1) the principal amount as stated on hereto or 2) an amount as determined by the Agency in the event the financial assumptions change prior to construction loan closing and/or permanent loan closing.
- All MIP Loan principal and interest will be due and payable at maturity. Outstanding Supplemental MIP loan funds will have first repayment priority whether the source of repayment is cash flow during the term of the loan or repayment via refinance, partner contribution, or other source at loan maturity.
- Receipt of LPA and investor written approval evidencing that any outstanding deferred developer fee remaining in Year 15 will be treated as a developer contribution, if applicable. The owner must provide evidence of investor and approval of the total deferred developer's fee structure.
- The Borrower has requested that 100% of surplus cash be allowed towards the repayment of the deferred developer's fee (DDF) for up to 15 years or until DDF has been fully repaid, whichever is sooner. Thereafter, the surplus cash split shall be 50% to Borrower and 50% to Residual Receipt lender(s). As a condition of this approval, the Borrower must provide evidence that the DDF repayment structure is required pursuant to the Limited Partnership Agreement (LPA). In addition, the owner must provide evidence of investor and all residual receipt lender(s) approvals of the total deferred developer's fee structure and residual receipt split. Residual receipt lenders must also agree to defer the payments on their loans.
- Prior to construction loan closing, receipt and CalHFA approval of Master Lease Agreement.
- Subject to CalHFA's final underwriting and approvals of commercial structure, use, and agreement between Developer and prospective commercial tenants. Documentation may include but not limited to commercial sublease agreement(s).
- Prior to construction closing, receipt of seismic report confirming Probable Maximum Loss (PML) below 20% and/or other reports as deemed necessary by CalHFA.
- Prior to construction loan closing, CalHFA approval of any shared use/easement agreement between commercial and residential portions of the project.
- Prior to construction loan closing, equity investor and TCAC/CDLAC approvals of utility allowances derived from using the California Utility Allowance Calculator (CUAC).
- In the event of cost savings at permanent loan conversion, 100% of cost savings will be used to reduce the supplemental portion of the MIP loan amount first (may be shared with other residual receipt lenders on a pro rata basis, if applicable). Once the supplemental portion of the MIP loan amount is fully reduced, the remaining cost savings will be split 50% between reducing the original MIP loan amount (or may be shared with other residual receipt lenders on a pro rata basis, if applicable) and reducing the Deferred Developer Fee.

#### **Staff Conclusion/Recommendation:**

The Multifamily Lending Division supports approval of the described financing in the amount(s) requested, subject to the above proposed terms and conditions. As noted earlier, the supplemental MIP subsidy loan of \$7,442,362, which is in addition to the original MIP subsidy loan of \$8,000,000, was not part of the Initial Commitment approved by the SLC, and hence approval is being sought for this financing through the subject Final Commitment Approval.

#### **AFFORDABILITY**

12. The CalHFA Permanent Financing Regulatory Agreement will restrict a minimum of 40% of the total units at or below 60% of AMI; with 30% of the total units (52 units) at or below 60% AMI and 10% of the total units (18 units) at or below 50% of AMI for 55 year(s).

The CalHFA MIP Subsidy Regulatory Agreement requires 10% of total units (18 units) be restricted at or below 30% of AMI, 20% of the total units (35 units) be restricted at or below 50% of AMI, and 10% of total units (18 units) be restricted between 60% and 80% of AMI with a minimum average of 70% of AMI, and the remaining 100 restricted units will be restricted at or below 120% of AMI for a term of 55 years. The rents for the 60% to 80% tranche will be

SLC Date: 9/28/2022 CalHFA Project Number: 22-008-A/X/N Board Date: 10/20/2022

determined by the minimum income limit of 70% of AMI, not to exceed 80% of AMI. For underwriting purposes, the initial rents at permanent loan conversion must be no less than the underwriting rent levels outlined on the "Unit Mix and Rent Summary" enclosed as part of the project's staff report package. The CalHFA permanent loan agreement will require minimum underwriting rent levels as outlined in the Rent Limit Summary Table Below.

The TCAC Regulatory Agreement will restrict a total of 171 units between 30% and 80% of AMI for a term of 55years.

Rent Limit Summary Table								
AMI	Total	Studio	1-bdrm	2-bdrm	3-bdrm	4-bdrm	% of Total	
30%	19	2	7	5	5	-	11.0%	
40%	0	1	ı	-	ı	-	0.0%	
50%	35	3	14	9	9	-	20.2%	
60%	54	5	21	14	14	-	31.2%	
70%	44	3	19	11	11	-	25.4%	
80%	19	2	7	5	5	-	11.0%	
Manager's Unit	2	-	2	-	-	-	1.2%	
Total	173	15	70	44	44	0	100.0%	

The average affordability restriction is 59% of AMI based on 171 TCAC-restricted units. The tax credit equity investor is requiring 19 units restricted at 80% of AMI to be underwritten using 70% of AMI maximum rents in order to add a cushion to the average income test, bringing the average income to 58.30%. In the event the IRS overturns their decision on average income and the tax credit investor is comfortable increasing the average income to 60%, the rents for these units will be increased to the 80% of AMI maximum level.

#### FINANCIAL ANALYSIS SUMMARY

14.	Capitalized Reserves:	
	Replacement Reserves (RR):	N/A
		\$664,528* OER amount is size based on 3 months of operating expenses, first lien debt service, and annual replacement reserves deposits. The Investor will hold this reserve for the term of the CalHFA permanent loan and in the event the OER is

96

SLC Date: 9/28/2022

Board Date: 10/20/2022

SLC Final Commitment Staff Report for: Shiloh Crossing
CalHFA Project Number: 22-008-A/X/N

		drawn down during the term of the loan, the OER must be replenished over a 12 month period to the original level.							
		*A minimum of 3 to 6 months operating expense, reserves, and debt service ("OER") is required to be held for the life of the CalHFA permanent loan. The OER may be based on 3 months of total operating expense, reserves, and debt service if the developer provides evidence that, within the last 2 years, they have received allocations from TCAC or provided a certification from a third- party accountant that they met TCAC's general partner and management experience pursuant to CTCAC regulations. The developer has submitted supporting documentation that they've met this requirement.							
	Transitional Operating Reserve (TOR):	N/A							
<b>15</b> .	Cash Flow Analysis								
	1 <sup>st</sup> Year DSCR:	1.16	Project-Based Subsidy Term:	N/A					
	End Year DSCR:	1.56	Annual Replacement Reserve Per Unit:	\$300/unit					
	Residential Vacancy Rate: Subsidy Vacancy Rate:		Rental Income Inflation Rate: Subsidy Income Inflation Rate:	2.5075					
	Non-residential Vacancy Rate:	N/A	Project Expenses Inflation Rate: Property Tax Inflation Rate:						
16.	Loan Security								
The Ca	alHFA loan(s) will be secured by a	first lien deed of trus	st against the above-described Project site	e and improvements.					
17.	Balloon Exit Analysis	Applicable:	∑ Yes ☐ No						

The exit analysis assumes 2% increase to the appraisal cap rate (resulting in 6.75%) and a 3% increase of the underwriting interest rate at loan maturity (resulting in 9.31%). Based on these assumptions, the Project will have the ability to fully repay the balance of the Agency's permanent first lien loan and a portion of the Supplemental MIP loan allocation in the estimated amount of \$1,146,935, leaving an amount of \$9,644,490 of the Supplemental MIP allocation (including principal and accrued interest) Plus the full amount of the original MIP loan in the estimated amount of \$11,600,000 (principal and accrued interest), the total estimated amount of the MIP Loan at refinance is \$21,244,490. This is expected by CalHFA given the requirement that the MIP loan be co-terminus with the permanent first mortgage. The primary source of repayment for both the first mortgage and the MIP subsidy loan is refinance of the project's first mortgage. To the extent such a refinance is insufficient to fully repay the MIP loan, it is contemplated that any remaining balance will be paid from a general partner contribution as part of the final close out of partnership obligations to allow re-syndication.

#### **APPRAISAL AND MARKET ANALYSIS**

18.	Appraisal Review Dated: 7/1/2022										
	<ul> <li>The cap rate of 4.7 proposed net oper rents for the 19 un</li> <li>The as-restricted s (LTV) of 60%. The companient of the absorption rate</li> </ul>	d May 29, 2022, prepared by Watts, Cohn and Partners values the 5% and projected \$1,812,543 of net operating income is \$83,817 hating income budget. This is attributed to the appraiser using 80% its restricted at 80% of AMI but underwritten using 70% of AMI rerestabilized value is \$36,250,000 which results in the Agency's permar combined LTV, including MIP subsidy loan is 102%.  The is 24 units per month and the Project is expected to reach stabilizaruction completion. This is generally consistent with the market st	igher than Developer and of AMI maximum allowable ats. Hent first lien loan to value ared occupancy within 7

	Regional Market Overview										

Dated: 1/26/2022

SLC Final Commitment Staff Report for: Shiloh Crossing

SLC Date: 9/28/2022 Board Date: 10/20/2022 CalHFA Project Number: 22-008-A/X/N

- The Primary Market Area is the town of Windsor and portions of Mark West, Larkfield-Wikiup, and Fulton (population of 87,509) and the Secondary Market Area ("SMA") is Santa Rosa-Petaluma Metropolitan Area (population of 489,521).
- The general population in the PMA is not anticipated to increase and the SMA population is expected to increase by 0.6% by 2026.
- Unemployment in the PMA is 5.4%, with the SMA having an unemployment rate of 2.6%, which evidences a strong employment area.
- Median home value in the PMA is \$810,000. The median home value in the SMA is \$750,000. Median home values in the PMA are about 8% higher than in the SMA.

#### **Local Market Area Analysis**

#### Supply:

- o There are currently 20 affordable family project(s) in the PMA and they are 99.6% occupied with long
- o There are six affordable project(s) under construction which are anticipated to complete construction by 2023.

#### Demand/Absorption:

The project will need to capture 11.2% of the total demand for family units in the PMA. The affordable units are anticipated to lease up at a rate of 25 units per month and reach stabilized occupancy within 7 months of opening.

#### **DEVELOPMENT SUMMARY**

#### 19. Site Description

- Requires Flood Insurance:  $\square$  Yes  $\boxtimes$  No
- The property is located on the west side of Shiloh Road and Redwood Highway, in the Town of Windsor, Sonoma County.
- The site is currently vacant, with level topography at street grade, measuring approximately 5.92 acres and is generally rectangular in shape.
- The site is zoned Compact Residential (CR) with permitted multifamily residential use.
- The subject is located in Flood Zone X (area of minimum flood hazard). Zone X is the area determined to be outside the 500-year floodplain and protected by levee from 100-year floodplain, therefore the Project will not be subject to flood insurance.

#### 20. Form of Site Control & Expiration Date

The current site owner, Integrated Community Development, LLC (ICD), entered into a Purchase & Sale agreement (PSA) with the previous owner, Robert L. Mayer Trust of 1982, for \$3,000,000 dated November 4, 2020. ICD purchased the site, per the closing statement on April 8, 2021. ICD then entered into a PSA with 295 Shiloh Rd., LP, the Borrower, dated April 15, 2021. ICD is the Administrative General Partner of Borrower. The PSA between ICD and Borrower is for the original \$3,000,000 arms-length transaction plus carrying costs. The carrying costs are due to the original seller note on the site. Total carry costs are expected to be \$201,000 by the time of construction loan closing of the site. The existing seller note is anticipated to be repaid at construction loan closing.

#### **Current Ownership Entity of Record**

Title is currently vested in Integrated Community Development, LLC as the fee owner.

#### **Environmental Review Findings**

An updated Phase I report and a limited Phase II report, performed by EBA Engineering and dated January 26, 2022, and September 1, 2021, respectively, identified the presence of several volatile organic compounds in soil vapor at concentrations which slightly exceed Environmental Screening Levels for residential land use. Per a report from GeoKinetics dated March 23, 2022, a soil VOC vapor mitigation system will be installed at the site. The development budget includes roughly \$75,000, which is the anticipated costs associated with addressing these environmental issues pending an updated

#### 31. Developer/Sponsor

Corporation for Better Housing (CBH) is a 501c3 non-profit corporation that was founded in 1995. CBH has over 25 years of experience building affordable housing developments in California. CBH has been involved in 74 affordable tax credit projects with a portfolio of over 4,500 units. CBH currently has 6 projects in their development pipeline, 10 projects under construction, and has completed 15 projects in California within the last 5 years.

CBH has 5 projects that include CalHFA financing in various stages of development and 4 projects in CalHFA's Asset Management portfolio as described in the chart below.

Projects In CalHFA Pipeline	Total Units	Perm Loan Amount	MIP/Other Subsidy Loan Amount	Target Construction Closing	Target Perm Closing	Under Construction?	Progressing as Expected?	Notes

The California Housing Finance Agency ("CalHFA" or "Agency") Mixed-Income Program ("MIP") provides competitive, long-term, subordinate financing for new construction multifamily housing projects restricting units (tax credit or CalHFA) between 30% and 120% of county Area Median Income ("AMI").

The MIP must be paired with CalHFA's Conduit Bond Issuance Program and a CalHFA Mixed-Income Qualified Construction Lender (defined below). Additionally, the program must be paired with CalHFA's Permanent Loan product. The MIP resources will take the form of a subordinate loan to incentivize newly developed multifamily housing projects that serve a range of extremely low to moderate income renters. Eligible projects must create newly constructed regulated units that meet the income and occupancy requirements reflected below.

#### Qualifications

#### APPLICATION:

Sponsors/developers must submit a complete application package which includes all items listed on the application, the application addendum and the checklist. Incomplete application packages will not be considered. The application and checklist can be found at <a href="https://www.calhfa.ca.gov/multifamily/mixedincome/index.htm">www.calhfa.ca.gov/multifamily/mixedincome/index.htm</a>. If the sponsor/developer is not able to meet the readiness timeline referenced below, MIP funds may be rescinded and reallocated.

#### **AVAILABILITY:**

Available to for-profit, nonprofit, and public agency sponsors. Development teams must meet CalHFA experience requirements, as defined in the CalHFA Development Team Qualifications section below.

#### **USES:**

MIP subsidy loans must be used in conjunction with CalHFA's Conduit Bond Issuance Program and a construction loan from a CalHFA Mixed-Income Qualified Construction Lender. MIP subsidy loans must also be used in conjunction with CalHFA's permanent first-lien mortgage financing. CalHFA Mixed-Income Qualified Construction Lender is defined in that section below.

#### FINANCING STRUCTURE:

Projects accessing the MIP subsidy loan funds must be structured as one of the following:

1. Tax-exempt bond and 4% tax credit project where at least 51% of the units in the project must be tax-credit-financed

Оŀ

2. Qualified mixed-income project through income averaging pursuant to Internal Revenue Code Section 42 (g)(1)(C).

Kevin Brown, Housing Finance Specialist 500 Capitol Mall, Suite 1400, MS-990 Sacramento, CA 95814 916.326.8808 kbrown@calhfa.ca.gov Jennifer Beardwood, Housing Finance Specialist 500 Capitol Mall, Suite 1400, MS-990 Sacramento, CA 95814 916.326.8805 jbeardwood@calhfa.ca.gov

# **Qualifications** (continued)

#### **READINESS:**

Projects must have site control and be prepared to submit for a bond and tax credit allocation and will only receive funds if bonds are issued within the issuance timeframes specified in the California Debt Limit Allocation Committee's (CDLAC) Regulations Section 5100.

- 1. Site: The site must be ready for construction (all potential environmental issues have been identified, mitigation plan is in place, and costs associated with the mitigation plan have been incorporated in the development budget). Environmental issues may include, but not be limited to, receipt of clearances for CEQA, NEPA, and applicable tribal land environmental reviews. Pursuant to HUD-Risk Sharing requirements, sponsor is expected to start the NEPA process shortly after CalHFA verifies application completeness and determines that the project is ready to move forward with an initial commitment ("notification date"). The NEPA clearance and HUD's firm approval letter will be required prior to construction loan closing.
- 2. General Contractor and/or Third Party Construction Services Engagement: At the time of application, applicant must provide evidence that the applicant or developer has engaged a general contractor or third-party construction services company to provide construction services including, but not limited to, value engineering, bid/budget services, and constructability review of plans and designs. In addition, the proposed construction budget is based on the general contractor's or third-party construction services company's preliminary bid estimates pursuant to the current plans and designs.
- **3. Disposition and Development Agreement:** Applicant must provide a copy of the disposition and development agreement, if applicable.
- 4. Construction Start: All projects must commit to begin construction 180 days from the earlier of the date of the tax-exempt bond allocation or 4% federal/state tax credit reservation, unless an extension has been approved by California Tax Credit Allocation Committee (CTCAC), CDLAC, and CalHFA, as applicable. Within the 180-day period, the following items must be submitted to CalHFA in their final form:
  - A complete, updated application form along with a detailed explanation of any changes from the initial application,
  - b. An executed construction contract,
  - Recorded deeds of trust for all construction financing (unless a project's location on tribal trust land precludes this),
  - d. Binding commitments for any other financing required to complete project construction,
  - e. Copy of a limited partnership agreement executed by the general partner/sponsor and the investor limited partner/equity provider,
  - f. Payment of all construction lender fees,
  - g. Copies of buildings permits (a grading permit does not suffice to meet this requirement, except if the city or county as a rule does not issue building permits prior to the completion of grading, then a grading permit shall suffice; if the project is a design build project in which the city or county does not issue building permits until designs are fully complete, the city or county shall have approved construction to begin) or the applicable tribal documents,
  - h. Copy of the notice to proceed delivered to the contractor,
  - i. If no construction lender is involved, evidence must be submitted within 180 days, as applicable, that the equity partner has been admitted to the ownership entity, and that an initial disbursement of funds has occurred.
  - j. Other documentation and information required by CalHFA to close construction financing.

# **Qualifications** (continued)

#### MIP ALLOCATION LIMITS:

(Exceptions may be considered by Agency in its sole discretion)

- 1. **Project Cap:** No project may receive more than the lesser of \$8 million, or the aggregate MIP loan amount calculated based on up to \$50,000 per MIP regulated units or up to \$60,000 per MIP regulated units for a Project located within the Highest or High Resource areas pursuant to CTCAC regulations designated on the CTCAC/HCD (California Department of Housing and Community Department) Opportunity Area Map.
- 2. **Sponsor Cap:** No sponsor (any individual, entity, affiliate and related entity) may receive more than 20% of total MIP allocation or funding of two projects, whichever is less, for the respective year.
- 3. County Cap: No one county may receive more than 25% of total MIP allocations for the respective year.
- 4. Age-Restricted Cap: No more than 25% of total MIP funds for the respective year may be received by age-restricted projects (units that are restricted to residents who are 62 years of age or older under the applicable provisions of California Civil Code Section 51.3 and the federal Fair Housing Act), unless a waiver of the minimum age requirement has been granted by U.S. Department of Housing and Urban Development ("HUD").

#### **EVIDENCE OF COST CONTAINMENT:**

A Cost Containment Certification must be provided at the time of Construction Loan Closing in a form acceptable to CalHFA in its sole discretion. The certification acceptable to CalHFA may be found at <a href="https://www.calhfa.ca.gov/multifamily/mixedincome/forms/closing-cost-containment-certification.pdf">www.calhfa.ca.gov/multifamily/mixedincome/forms/closing-cost-containment-certification.pdf</a>.

The developer/sponsor must certify that cost containment measures have been implemented to minimize construction costs. These measures should include, but may not be limited to, 1) competitively bidding out all major subcontractor and self-performing trades and 2) engaging a value engineer/consultant during the design process.

#### **EVIDENCE OF SUBSIDY EFFICIENCY:**

A Subsidy Efficiency Analysis will be completed as part of the application review. The analysis will be completed again prior to construction loan closing and closing of the MIP subordinate loan. The MIP loan amount may be reduced based on the final analysis. Parameters of the analysis may include, but are not limited to, the following:

- A maximum of 1.20 Debt Service Coverage Ratio ("DSCR") at year 1 ("Initial DSCR"). CalHFA may allow an
  initial DSCR higher than 1.20 on a case-by-case basis, if deemed necessary. The year 1 DSCR underwritten
  at the time of final loan approval and final commitment must be maintained through the term of the
  CalHFA permanent first lien loan,
- A project cash flow that supports the residential component of the project based on the required CalHFA
  permanent first lien annual debt service coverage ratio,
- A separate project cash flow that supports any commercial component of a mixed-use project,
- A cash flow after debt service shall be limited to the higher of 25% of the anticipated annual must pay debt service payment or 8% of gross income, during each of the first three years of project operation,
- Inflation factors and vacancy rates consistent with the Agency's Underwriting Standards,
- Developer Fee requirements matching those required under the 4% federal and/or state tax credit reservation,
- Capitalized reserves subject to approval by Agency for reasonableness consistent with the Agency's Underwriting Standards and the Investor Limited Partnership Agreement (ILPA),

# **Qualifications** (continued)

- Review of Excess Sources over final Uses as approved by CalHFA resulting from any of the following:
  - · An increase in tax credit equity,
  - An increase in permanent loan debt due to a combination of permanent loan rate reduction and/or reduction to operating expense assumptions;
- Construction Cost Savings as evidenced by final cost certification, funds shall be used to reduce the MIP loan prior to CalHFA MIP loan closing or if required by other subordinate lenders, funds may be split on a pro rata basis between CalHFA and other subordinate lenders,
- State tax credit request is expected to be within a range of \$50,000 to \$75,000 per unit. The projects that evidence the most efficient use of bond cap, state tax credits, and MIP per adjusted unit shall be prioritized for MIP funding considerations. The bond cap, state tax credits, and MIP per adjusted unit calculation shall be consistent with CDLAC Regulation Section 5231(g)(1) and 5231(g)(2). MIP final commitment shall be subject to evidence of project's receipt of CDLAC's preliminary tax-exempt bond allocations and CTCAC's tax credits reservations within the respective year,
- Acquisition cost shall be the lesser of 1) the purchase price pursuant to a current purchase and sales
  agreement between unrelated parties, 2) the purchase price of an arm's length transaction executed within
  the past 10 years plus reasonable carrying costs, or 3) the appraised "as-is" value based on an Appraisal
  acceptable to CalHFA in its sole discretion. The appraised value of the real estate may be considered if the
  arm's length transaction exceeds 10 years.

#### CalHFA Mixed-Income Qualified Construction Lender

A CalHFA Qualified Construction Lender is defined as a Construction Lender that has closed at least five construction loans using tax-exempt bonds and 4% federal and/or state tax credits in California within the last three years and satisfies the requirement set forth within the application.

# CalHFA Mixed-Income Development Team Qualifications

The **Developer/Co-Developer/General Partner** must be registered to do business and in good standing in the state of California. A CalHFA Qualified Developer/Co-Developer/General Partner must have developed at least three comparable projects within the past five years or meet the requirements to receive a minimum of 7 points under the CDLAC General Partner Experience category pursuant to CDLAC Regulations Section 5230(f).

The proposed **Project Manager** must have personally managed the development of at least two comparable projects within the past five years.

**Financial Consultants** hired to assist the Developer in meeting the minimum experience requirements must be able to provide details regarding at least three comparably financed projects over the last five years.

**Architects** new to CalHFA must provide information for three comparable projects they designed that were built and occupied within the past five years in California.

**General Contractor (GC)** must be licensed by the State of California. GCs new to CalHFA must provide information related to three comparable (in design) projects built in the past five years. Similar information will be required for the proposed on-site construction supervisor. The on-site construction supervisor must have overseen three comparable projects built in the past five years, and they must have overseen the projects from construction start to final completion.

Tax Credit Investors must have closed/executed at least five investor limited partnership agreements for a comparable deal structure using tax-exempt bonds and 4% federal and/or state tax credits in California within the last three years.

# CalHFA Mixed-Income Development Team Qualifications (Continued)

Management Company must have a local presence or a field office in Northern or Southern CA (depending on the location of the Project) and have experience managing at least 10 low- to moderate-income, rent-restricted comparable (size and tenant types) projects. Also required is a resume for the proposed on-site Property Manager, reflecting prior experience during the past five years managing onsite project operations and compliance with rent-restricted units or meet the requirements to receive a minimum of 3 points under the CDLAC Management Company Experience category pursuant to CDLAC Regulations Section 5230(f).

# Permanent First Lien Loan

Must be provided by CalHFA. The permanent loan must meet an initial minimum DSCR of at least 1.15 and must maintain the year 1 DSCR underwritten at the time of final loan approval and final commitment through the term of the CalHFA permanent first lien loan. The Initial DSCR must not exceed 1.20.

# Construction First Lien Loan

Must be provided by a CalHFA Mixed-Income Qualified Construction Lender. All parties shall permit the Agency to, in its sole and absolute discretion, recycle all or a portion of any bond volume cap related to a paydown of the bond-financed loans, at the conversion of the construction financing to permanent financing and payoff of the construction loan, pursuant to the authority provided in Section 146(i)(6) of the Internal Revenue Code of 1986 and CDLAC Regulation Section 5060 (the "Bond Recycling"). The bond documents, loan documents and any other documents related to the financing of the Development shall contain any necessary approvals and permit all actions necessary to accomplish a Bond Recycling.

#### Limitations

- 1. MIP cannot be combined with the CTCAC 9% program.
- 2. MIP cannot be combined with other state subordinate debt and/or subsidy programs (this does not include state tax credits) with the exception of the Infill Infrastructure Grant (IIG), Affordable Housing and Sustainable Communities (AHSC) and Transit Oriented Development (TOD) housing programs. Inclusion of these programs is contingent upon restrictions that are compatible with the MIP program requirements outlined herein. Inclusion of other subordinate debt and subsidy will be allowed at CalHFA's sole discretion so long as any restrictions of subordinate debt or subsidy are compatible with MIP program requirements outlined herein.
- 3. Projects that have a below market rate component resulting from an inclusionary obligation or are 100% below market as a result of an inclusionary obligation must demonstrate master developer commitment through a dollar-for-dollar match of CalHFA's subsidy resources. Match can be obtained through a monetary match or equivalent in-kind contributions (e.g., land donation, land use fee concessions.)
- 4. At the time of MIP application, a project must not have already received an allocation of 4% federal and/ or state tax credits from CTCAC or a tax-exempt bond allocation from CDLAC.
- 5. Projects will not be eligible for other subsidy resources from CalHFA in addition to MIP.

#### Mixed-Income Project Occupancy Requirements

#### BOND REGULATORY AGREEMENT REQUIREMENTS (ALL PROJECTS):

Must maintain either (a) 20% of the units must be rent restricted and occupied by individuals whose incomes are 50% or less of AMI with adjustments for household size ("20% @ 50% AMI"), OR (b) 40% or more of the units must be both rent restricted and occupied by individuals whose incomes are 60% or less of AMI with adjustments for household size ("40% @ 60% AMI"): in the latter case, CDLAC requires a minimum of 10% of the unit types must be at 50% or less of AMI ("10% @ 50% AMI").

#### Mixed-Income Project Occupancy Requirements (Continued)

#### MIXED INCOME REGULATORY AGREEMENT REQUIREMENTS (ALL PROJECTS):

#### Affordability Requirements:

- To qualify, a project must meet the following affordability restrictions, which are based on the HUD and locality (as applicable) income and rent limits which are current at the time of MIP application, for a term of 55 years:
  - a. 30% of total units at or below 50% of AMI. Of these, a minimum of 10% of total units must be at or below 30% of AMI,
  - b. 10% of total units between 60% and 80% of AMI with an average of 70% of AMI or greater, subject to the Maximum Allowable Rents outlined below, and
  - c. Remaining 60% of total units at or below 120% of AMI (with the exception of any non-restricted manager's unit(s)) OR at the affordability restrictions consistent with CTCAC requirements.
  - d. The minimum range between the lowest and highest occupancy target levels must be at least 40%.

    (Deviations from the above requirements will only be considered if Market Study supports such deviations.)
- 2. If applicable, tax credit transactions that are income-averaged must have a maximum average affordability up to 60% of AMI across all CTCAC restricted units.

#### Mixed-Income Project Occupancy Requirements (Continued)

#### MAXIMUM ALLOWABLE RENTS:

Rents for all restricted units must be at least 10% below market rents for the MIP affordability term as evidenced by a current market study or appraisal. This threshold will be analyzed at time of application and again at CalHFA's final commitment approval and may be monitored on an ongoing basis for the MIP affordability term. The report shall be current within 180 days of Agency's final commitment and may be subject to required updating if the report expires prior to construction loan closing. For underwriting purposes, CTCAC and locality maximum rents for the respective target income limits must be used. Any proposed rent adjustments above 5% of the approved rents subsequent to construction loan closing may be considered if supported by a recent or updated market study or appraisal that is dated within 180 days of MIP loan closing, at CalHFA's sole discretion.

Any units restricted by the Agency pursuant to this program, including those units restricted in addition to the minimum requirements set forth above, shall be rented at rents not to exceed 30% of the applicable income restriction required in the Agency's Regulatory Agreement.

#### Mixed-Income Subordinate Loan

- 1. Maximum loan amount for each project shall not exceed the lesser of \$8 million or the aggregate MIP loan amount calculated based on up to \$60,000 per MIP regulated units, unless an exception is approved by Agency in its sole discretion.
  - a. Maximum loan per restricted (tax credit or CalHFA) units between 30%-120% AMI shall be up to \$50,000.
  - b. Projects located within the Highest or High Resource areas pursuant to CTCAC regulations designated on the CTCAC/HCD Opportunity Area Map shall be eligible for an additional amount up to \$10,000 per MIP regulated unit. Opportunity Map Home Page: <a href="https://www.treasurer.ca.gov/ctcac/opportunity.asp">www.treasurer.ca.gov/ctcac/opportunity.asp</a>
- 2. Loan size based on project need but cannot be more than 50% of the permanent loan amount.

#### Mixed-Income Subordinate Loan Rates & Terms

- 1. Interest Rate: Greater of 1% simple interest or the applicable federal rate (AFR) at time of MIP closing.
- 2. Loan Term: The MIP loan term shall be coterminous with the CalHFA permanent first lien loan.
- 3. Lien Position: Second lien position, after CalHFA permanent first lien loan.
- 4. Loan Payment: Residual receipt repayment based on cash flow analysis and split 50% to Owner and 50% to CalHFA and other residual receipt lenders. Residual receipt is defined as 50% of surplus cash which is determined as net operating income minus total debt service and other Agency approved payments. Payments shall be applied to the current and/or accrued interest and then principal of the MIP loan. Deviation from the net cash flow split may be granted 1) to meet equity investor's deferred developer's fee requirement as evidence by the limited partnership agreement, and 2) is subject to approval(s) by other residual receipt lender(s), as applicable.
- 5. Affordability Term: 55 years.
- 6. Prepayment: May be prepaid at any time without penalty.
- 7. Subordination: A subordination and/or extension of MIP maturity request in conjunction with a resyndication, refinance, or ownership transfer ("capitalization event(s)") will be considered. If MIP loan is outstanding at time of the capitalization event(s) and requires subordination at the time of such event, the surplus cash split between borrower and CalHFA and other residual receipt lenders may be altered to reflect an increased percentage of residual receipts to CalHFA out of Borrower's share until such time as the MIP loan is paid in full. The remaining residual receipts may be split between other residual receipt lenders.
- 8. Funded: Only at permanent loan conversion.

#### CalHFA Conduit Bond Program

For more information on CalHFA's Conduit Issuer Program and the fees associated with it, visit CalHFA's website:  $\underline{ www.calhfa.ca.gov/multifamily/programs/forms/termsheet-conduit.pdf}$ 

#### CalHFA First Lien Permanent Rates & Terms (subject to change)

For more information on CalHFA's Permanent Loan Program and the fees associated with it, visit CalHFA's website: <a href="https://www.calhfa.ca.gov/multifamily/programs/forms/termsheet-perm-tax-exempt.pdf">www.calhfa.ca.gov/multifamily/programs/forms/termsheet-perm-tax-exempt.pdf</a>

# Fees (subject to change)

Loan Fee: 1.00% of the loan amount (50% due at final commitment and 50% due at CalHFA MIP loan closing).

**Conduit Bond Program Fees:** Refer to CalHFA Conduit Bond Program www.calhfa.ca.gov/multifamily/programs/forms/termsheet-conduit.pdf

**CDLAC Fees:** Refer to CDLAC regulations for all applicable fees.

**Other Fees:** Refer to CalHFA First Lien Permanent Rates & Terms for first mortgage loan fees, credit enhancements, trustee fees, legal fees, inspection fees, administrative fees. <a href="https://www.calhfa.ca.gov/multifamily/programs/forms/termsheet-perm-tax-exempt.pdf">www.calhfa.ca.gov/multifamily/programs/forms/termsheet-perm-tax-exempt.pdf</a>

Last revised: 01/25/2022

The information provided in this program description is for guidance only. While we have taken care to provide accurate information, we cannot cover every circumstance nor program nuance. This program description is subject to change from time to time without prior notice. The California Housing Finance Agency does not discriminate on any prohibited basis in employment or in the admission and access to its programs or activities. Not printed at taxpayer expense.

# TAX-EXEMPT PERMANENT LOAN PROGRAM

CalHFA's Tax-Exempt Permanent Loan Program ("Perm Loan") provides competitive tax-exempt long-term financing for affordable multifamily rental housing Projects. Eligible projects include newly constructed or acquisition/rehabilitation developments that provide affordable housing opportunities for individuals, families, seniors, veterans, and special needs tenants ("Project").

### Qualifications

- Available to for-profit, non-profit, and public agency sponsors.
- Tax-exempt bond authority must be obtained from the California Debt Limit Allocation Committee (CDLAC) or through a 501(c)(3) exemption.
- The Tax-Exempt Permanent Loan may be used with or without 4% low income housing tax credits.
- If a lender other than CalHFA is providing short-term, first-lien debt, CalHFA shall be used as the bond issuer (for more information, review the Conduit Issuer Program Term Sheet).
- For Section 8 Projects, a final commitment is conditioned upon review and acceptance by CalHFA of the HAP or AHAP contract.
- The Perm Loan will be credit-enhanced through CalHFA's HUD/FHA Risk Sharing Program.
- For existing CalHFA portfolio loans, the current owner is required to pay off all outstanding CalHFA debt. Visit www.calhfa.ca.gov for the <u>CalHFA Portfolio Loan Prepayment Policy</u>.

#### **Loan Amount**

- Minimum Perm Loan amount of \$5,000,000.
- Minimum 1.15x for initial debt service coverage ratio (include any financing with amortizing debt). If a Project includes CalHFA's subsidy loan, the maximum DSCR at year 1 shall not exceed 1.20, unless CalHFA approves a higher DSCR at its own discretion. The year 1 DSCR underwritten at the time of final loan approval and final commitment must be maintained as the minimum DSCR through the term of the Perm Loan. CalHFA may require the initial DSCR to be higher than the minimum 1.15x, if deemed necessary to meet the Agency's underwriting requirements.
- Lesser of 90% of restricted value or 100% of development costs. For Projects with equity being cashed out, the Perm Loan amount will be restricted to no more than 80% of the restricted value.

# Fees (subject to change)

- Application Fee: \$10,000 non-refundable, due at time of application submittal, and is credited toward
  the CalHFA Legal Fee at Perm Loan closing. The applicant may be subject to a new Application Fee if the
  CalHFA commitment expires prior to construction loan closing.
- Perm Loan Fee: 1.00%, half due at final commitment, with balance due at Perm Loan closing.
- Credit Enhancement Fee: included in the interest rate.
- Annual Monitoring Fee: \$7,500 annually (not to be duplicated if used in conjunction with CalHFA's Conduit Program).
- Inspection fees should be estimated at \$500 per month for the term of the construction (reports and fees can be shared with other construction lenders)
- Legal Fee: \$35,000, half due at final commitment, with balance due at Perm Loan closing.
- Perm Loan Funding Fee: \$110,000 at Perm Loan closing.
- Administrative Fee: \$1,000 at Perm Loan closing.
- Letter of Interest Fee: \$5,000 at LOI request, and is credited toward the CalHFA Perm Loan Fee

See CalHFA standard Conduit Issuer Program Term Sheet for information on conduit issuance fees.

# Rate & Terms (subject to change)

#### Interest Rate:

- 17-Year Balloon Loans: 15-Year "AAA" Municipal Market Data (MMD) plus CalHFA spread
- 30-Year Balloon and Fully Amortizing Loans: 30-Year "AAA" MMD plus CalHFA spread
- Estimated CalHFA Spread: 2.00% to 3.00%
- Rate may be locked up to 30 days prior to the construction loan closing. Rate may be locked for the term of the construction period, not to exceed 3 years.

#### Amortization/Term:

- Amortization: Up to 40 Year Amortization
- Term: Fully Amortizing, and 17- or 30-Year Balloons available1
- Perm Loan Reduction: up to 10% reduction at Perm Loan closing permitted at no cost.
- Up to two, three-month extension(s) permitted upon payment of a fee equal to 0.25% of the Perm Loan amount for each three-month extension.
- Breakage Fee (if applicable): due between construction loan closing and Perm Loan closing and calculated based on hedge termination cost.
- 1. Balloon loans subject to agency approved exit strategy.

# Loan Closing Requirements

- 90% stabilized rental housing occupancy for 90 days as evidenced by rent rolls.
- 90% of tax credit investor equity shall have been paid into the Project.
- Project income is sufficient to pay operating expenses, required debt service, reserves and monitoring fees.
- For mixed-use Projects, 100% non-residential occupancy as evidenced by executed leases or guarantees.
- Deposit Account Control Agreement between CalHFA, the Borrower and lending institution is in form and substance acceptable to all parties and ready to be executed at Perm Loan closing.

#### **Prepayment**

The Perm Loan may be prepaid at par after 15 years of the Perm Loan period. However, the Perm Loan may be prepaid after 10 years of the Perm Loan period subject to a yield maintenance calculation of:

- 5% of the principal balance after the end of year 10
- 4% of the principal balance after the end of year 11
- 3% of the principal balance after the end of year 12
- 2% of the principal balance after the end of year 13
- 1% of the principal balance after the end of year 14

All prepayments require a prior written 120-day notice to CalHFA.

#### Subordinate Financing

Financing or grants are encouraged from local governments and third parties to achieve project feasibility. All financing, leases, development and regulatory agreements must be coterminous (or have a longer term than the combined terms of any CalHFA Acq/Rehab Loan and Perm Loan) and be subordinate to CalHFA financing. A Lien Priority/Position Estoppel in form and substance acceptable to CalHFA will be required prior to construction financing closing, if applicable.

#### Occupancy Requirements

2022 CALIFORNIA HOUSING FINANCE AGENCY

Must maintain the greater of (A) existing affordability restrictions, or (B) either (i) 20% of the units must be rent restricted and occupied by individuals whose incomes are 50% or less of the area (county) median gross income as determined by HUD ("AMI") with adjustments for household size ("20% @ 50% AMI"), or (ii) 40% or more of the units must be both rent restricted and occupied by individuals whose income is 60% or less of the AMI, with adjustments for household size ("40% @ 60% AMI"): however in the latter case, a minimum of 10% of the units must be at 50% or less of AMI (i.e., 30% @ 60% AMI; 10% @ 50% AMI).

#### Occupancy Requirements (continued)

Any units restricted by the Agency pursuant to this program, including those units restricted in addition to the minimum requirements set forth above, shall be rented at rents up to 30% of the applicable income restriction using the occupancy assumptions required in the Agency's Regulatory Agreement. Rents for all restricted units must be at least 10% below market rents as evidenced by current market study or an appraisal.

CalHFA's regulated units must represent a comparable share of the available unit sizes (by bedroom count and square feet) and be disbursed throughout the project.

#### **Due Diligence**

The following due diligence is required to be provided at the Owner/Borrower's expense (refer to the program's document checklist for a full list):

- Appraisal\* (a construction lender's appraisal may be acceptable).
- HUD-2530 previous participation clearance.
- Construction Costs Review for new construction loans (other construction lender's review is acceptable).
- Physical Needs Assessment\* ("PNA") for rehabilitation projects with a Replacement Reserve Needs Analysis
  ("RRNA") over time for the first 20-year term (other lender's PNA/RRNA may be acceptable). A RRNA for a
  longer time period may be required if the Perm Loan term is greater than 20 years.
- Phase I and Phase II (if applicable) Environmental Site Assessment\* including, but not limited to, impact
  reviews that meet federal environmental requirements (such as historic preservation and noise remediation).
   The Purpose section of Phase I must state "a purpose of the Phase I is to document compliance with HUD
  policy pursuant to 24 CFR §58.5(i)(2) or §50.3(i)".
- Market Study\* satisfactory to CalHFA.
- NEPA Review.
- Termite/Dry Rot reports\* by licensed company.
- Seismic review\* and other studies may be required at CalHFA's discretion.

\*Note: Third party reports shall be within 180 days prior to the CalHFA's final commitment approval and may be subject to a new or updated report if the report(s) was completed more than 180 days prior to construction loan closing, in CalHFA's sole discretion.

#### Required Impounds and Reserves

- Replacement Reserve: Initial cash deposit required for existing Projects with annual deposits between \$250 and \$500 per unit/per year depending on the Project type and PNA/RRNA findings.
- Operating Expense Reserve ("OER"): 3-6 months of operating expenses, reserves, debt service, and
  monitoring fees due at Perm Loan closing (letter of credit or cash) and held for the life of the CalHFA Perm
  Loan by CalHFA. In the event OER funds are drawn down during the term of CalHFA Perm Loan, it must be
  replenished over a period of 12 months to the original level.
- Impounds held by CalHFA: One year's prepaid earthquake, hazard and liability insurance premiums, and property tax assessments are collected at loan closing. An earthquake insurance waiver is available for Projects which have met CalHFA earthquake waiver standards during rehabilitation or construction.
- Transition Operating Reserve (TOR): required for Projects with state or locally administered rental subsidy contracts with contract terms that are less than 20 years or the CalHFA Perm Loan term.
- Other reserves as required (at CalHFA's discretion).

#### CONDUIT ISSUER PROGRAM

#### MULTIFAMILY HOUSING BONDS

Term sheet effective for applications submitted after March 1, 2022

The CalHFA Conduit Issuer Program is designed to facilitate access to tax-exempt and taxable bonds ("Bond") by developers that seek financing for eligible projects that provide affordable multifamily rental housing for individuals, families, seniors, veterans or special needs tenants ("Project"). The conduit Bonds may be used to finance the acquisition, rehabilitation, and/or development of an existing Project, or they can be used for the construction of a new Project.

#### Qualifications Available to for-profit, nonprofit or public agency sponsors. Nonprofit borrowers may be eligible for 501(c)(3) bonds. If bond proceeds are utilized to pay off an existing CalHFA portfolio loan visit www.calhfa.ca.gov for the CalHFA Portfolio Loan Prepayment Policy. **Bond Amount** Bond amount is determined by the loan amount of the selected construction lender. Application Fee: \$5,000 non-refundable, due at time of application submittal (covers the cost of the TEFRA **Fees** (subject to change) required for tax-exempt issuances) and is credited toward the CalHFA Issuer Fee. The greater of \$15,000 or 18.75 basis points of the Bond amount if lesser than or equal to \$20 million. 2. If more than \$20 million: \$37.500 + 5 basis points for the amount above \$20 million. Annual Administrative Fee: 5 bps of the tax-exempt bond issuance amount due at construction loan closing and due annually thereafter until permanent loan conversion. After permanent loan conversion, billed annually in advance, 5 bps of unpaid principal balance amount of tax-exempt bond financed loan(s) until bonds are fully redeemed. Minimum Annual Administrative Fee shall be \$4,000 through both the Qualified Project Period and the CDLAC compliance period. For taxable only issuances, annual administrative fees above will be charged based on the taxable bond financed loan(s) for the term of the CalHFA affordability restrictions. If used in conjunction with a CalHFA permanent loan product, the annual administrative fee will not be duplicated. Please refer to the applicable permanent loan term sheet for the annual administrative fee. Public Sale: Additional fee of \$5,000 to \$10,000 applies when Bonds are sold to the public. CDLAC Allocation Fee: 0.035% of the Bond amount, \$1,200 of which is due at time of CDLAC application submittal with the remaining fee due at construction loan closing and payable to CDLAC. CDLAC Performance Deposit: 0.50% of the requested Bond amount, not to exceed \$100,000, due at time of CDLAC application submittal. Deposit to be refunded after the Bond closing, upon receipt of authorization letter from CDLAC. The Borrower shall be responsible for all other costs of Bond issuance including fees of the underwriter, trustee, rating agencies, lender, compliance administrator, all Bond counsel legal fees, and any other parties required to complete the transaction.

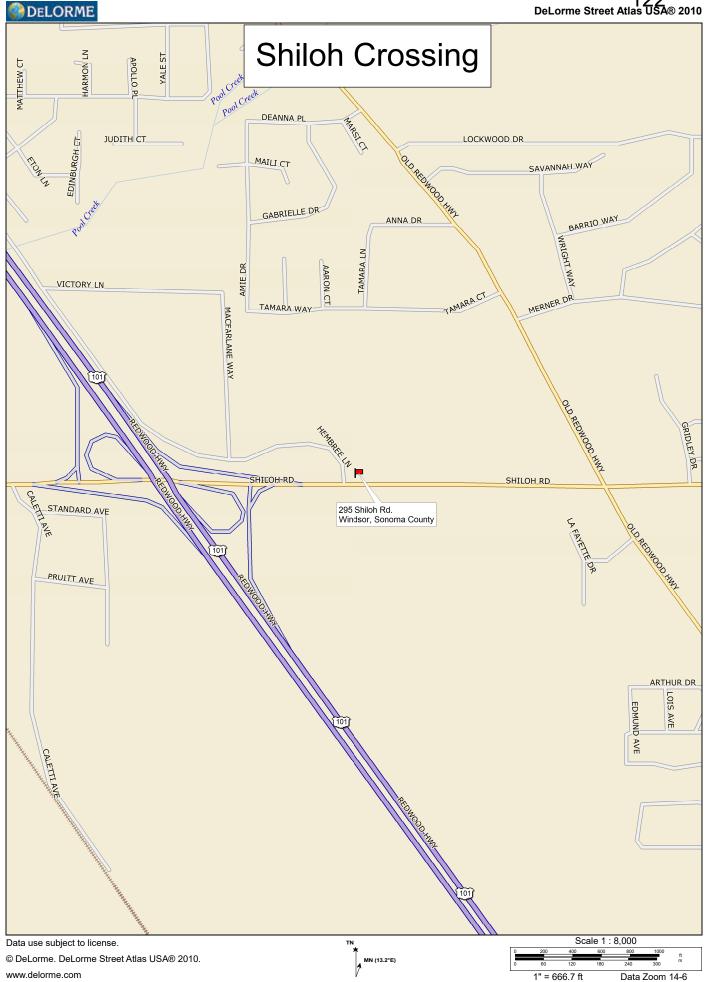

Kevin Brown, Housing Finance Officer 500 Capitol Mall, Suite 1400, MS-990 Sacramento, CA 95814 916.326.8808 kbrown@calhfa.ca.gov

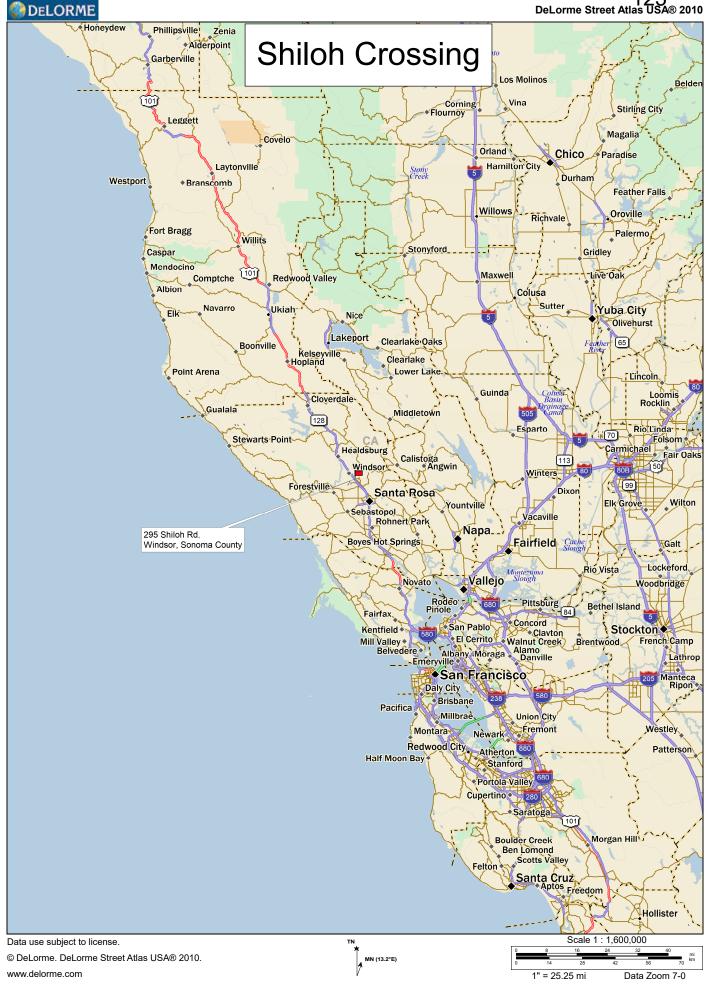

#### Occupancy Requirements

- Either (A) 20% of the units must be rent restricted and occupied by individuals whose incomes are 50% or less of the area median income as determined by HUD ("AMI") with adjustments for household size ("20% @ 50% AMI"), or (B) 40% or more of the units must be rent restricted and occupied by individuals whose income is 60% or less of AMI, with adjustments for household size ("40% @ 60% AMI"); however in the latter case, a minimum of 10% of the units must be at 50% or less of AMI (i.e., 30% @ 60% AMI; 10% @ 50% AMI).
- Any units restricted by the Agency pursuant to this program, including those units restricted in addition to the
  minimum requirements set forth above, shall be rented at rents up to 30% of the applicable income restriction
  using the occupancy assumptions required in the Agency's Regulatory Agreement. Rents for all restricted
  units must be at least 10% below market rents as evidenced by a current market study or an appraisal.
- Borrower will be required to enter into a Regulatory Agreement which will be recorded against the Project for
  the Qualified Project Period (as defined in the CalHFA Regulatory Agreement). This includes the later of the
  federally-required qualified project period, repayment of the Bond funded loan, redemption of the Bonds,
  the full term of the CDLAC Resolution requirements or 55 years.

#### BOARD OF DIRECTORS 1 OF THE CALIFORNIA HOUSING FINANCE AGENCY 2 3 4 5 RESOLUTION NO. 22.29 6 RESOLUTION AUTHORIZING A FINAL LOAN COMMITMENT 7 8 WHEREAS, the California Housing Finance Agency (the "Agency") has received a 9 loan application on behalf of 295 Shiloh Rd., L.P., a California limited partnership (the 10 "Borrower"), seeking a loan commitment, the proceeds of which are to be used to provide 11 financing for a multifamily housing development located in the Town of Windsor, County of 12 Sonoma, California, to be known as Shiloh Crossing (the "Development"); and 13 14 WHEREAS, the loan application has been reviewed by Agency staff which prepared a 15 report presented to the Board on the meeting date recited below (the "Staff Report"), 16 recommending Board approval subject to certain recommended terms and conditions; and 17 18 19 WHEREAS, Agency staff has determined or expects to determine prior to making a 20 binding commitment to fund the loan for which the application has been made, that (i) the Agency can effectively and prudently raise capital to fund the loan for which the application has 21 been made, by direct access to the capital markets, by private placement, or other means and (ii) 22 any financial mechanisms needed to insure prudent and reasonable financing of loans can be 23 achieved; and 24 25 WHEREAS, pursuant to the Executive Director's authority to issue Conduit Bonds, 26 under Resolution 21-04 the Agency has filed an application with the California Debt Limit 27 Allocation Committee ("CDLAC") for an allocation of California Qualified Private Activity 28 Bonds for the Development; and 29 30 WHEREAS, the Development has received a TEFRA Resolution as required by the 31 32 Tax Equity and Fiscal Responsibility Act of 1983, and under 26 U.S.C. section 147(f); and 33 WHEREAS, Section 1.150-2 of the Treasury Regulations requires the Agency, as the 34 issuer of tax-exempt bonds, to declare its reasonable official intent to reimburse prior 35 expenditures for the Development with proceeds of a subsequent borrowing; and 36 37 WHEREAS, on February 17, 2022, the Executive Director exercised the authority 38 39 delegated to her under Resolution 15-16 to declare the official intent of the Agency to reimburse such prior expenditures for the Development; and 40 41 42 WHEREAS, the Agency has conditionally approved a subsidy loan pursuant to

CalHFA's Mixed-Income Program ("MIP") pursuant to its authority under Resolutions 19-02

43

44 45 46 and 19-14; and

Resolution No. 22-29 Page 2

WHEREAS, the Board wishes to grant the staff the authority to enter into a loan commitment to provide permanent financing for the development and taking out the Conduit Bonds upon Agency staff determining in its judgment that reasonable and prudent financing mechanisms can be achieved;

NOW, THEREFORE, BE IT RESOLVED by the Board of Directors (the "Board") of the California Housing Finance Agency as follows:

1. The Executive Director, or in her absence, the Chief Deputy Director, is hereby authorized to execute and deliver a final commitment letter, in a form acceptable to the Agency, and subject to recommended terms and conditions set forth in the Staff Report and any terms and conditions as the Board has designated in the Minutes of the Board Meeting, in relation to the Development described above and as follows:

PROJECT <u>NUMBER</u>	DEVELOPMENT NAME/ LOCALITY	MORTGAGE AMOUNT
22-008-A/X/N	SHILOH CROSSING Town of Windsor, County of Sonoma	\$21,696,000.00 Tax-Exempt Bond or FFB Permanent 1st Lien Loan with HUD Risk Share
		\$15,442,362.00 Total Mixed- Income Residual Receipt 2 <sup>nd</sup> Lien Loan (\$8,000,000.00 MIP Allocation;
		\$7,442,326.00 Supplemental

The Board recognizes that in the event that staff cannot determine that reasonable and prudent financing mechanisms can be achieved, the staff will not enter into loan commitments to finance the Development. In addition, access to capital markets may require significant changes to the terms of loans submitted to the Board. Notwithstanding paragraph 2 below, the staff is authorized to make any needed modifications to the loan which in staff's judgment are directly or indirectly the result of the disruptions to the capital markets referred to above.

MIP Allocation)

2. The Executive Director may modify the terms and conditions of the loan or loans as described in the Staff Report, provided that major modifications, as defined below, must be submitted to this Board for approval. "Major modifications" as used herein means modifications which either (i) increase the total aggregate amount of any loans made pursuant to the Resolution by more than 7%; or (ii) modifications which in the judgment of the Executive Director, or in her absence, the Chief Deputy Director of the Agency, adversely change the financial or public purpose aspects of the final commitment in a substantial way.

 Resolution No. 22-29 Page 3

SECRETARY'S CERTIFICATE I, Claire Tauriainen, the undersigned, do hereby certify that I am the duly authorized Secretary of the Board of Directors of the California Housing Finance Agency, and hereby further certify that the foregoing is a full, true, and correct copy of Resolution No. 22-29 duly adopted at a regular meeting of the Board of Directors of the California Housing Finance Agency duly called and held on the 20th day of October 2022, at which meeting all said directors had due notice, a quorum was present and that at said meeting said resolution was adopted by the following vote: **AYES:** NOES: ABSTENTIONS: ABSENT: IN WITNESS WHEREOF, I have executed this certificate hereto this 20th day of October 2022. ATTEST: CLAIRE TAURIAINEN Secretary of the Board of Directors of the California Housing Finance Agency 

#### State of California

#### MEMORANDUM

**To:** CalHFA Board of Directors **Date:** October 20, 2022

**From:** Ellen Martin

CALIFORNIA HOUSING FINANCE AGENCY

**Subject:** Accessory Dwelling Unit Grant Program Update

In September 2021, CalHFA introduced the CalHFA Accessory Dwelling Unit (ADU) Grant Program which provides funding for predevelopment and other costs necessary to build an ADU. With \$100 million in funding, the ADU Grant Program was developed to incentivize construction of ADUs, meeting Administration goals of creating more affordable housing while emphasizing cost efficiency and encouraging location and climate-efficient site selection. This memorandum offers an update to the Board regarding the status of the CalHFA ADU Grant Program and outlines future related efforts.

#### **Current Status**

Over the last several months, uptake of the ADU grant program has accelerated rapidly. This increase is attributable to the onboarding of ADU partners that unlocked significant financing flexibility for the program. Previously, because CalHFA requires that the grant funds be distributed via a managed construction escrow account, financing options were largely limited to construction and renovation financing, which includes the managed construction escrow feature. In a rising interest rate environment, construction and renovation financing was not attractive to many homeowners because it would require them to refinance their first mortgage, potentially to a higher rate.

In August, we onboarded a nonprofit entity (HPP Cares) that offers a third-party managed construction escrow that will allow for different types of financing (e.g., HELOC, second mortgages, cash out refi). Borrowers can utilize the type of financing that works best for their unique situation, and deposit those funds with the third party managed construction escrow provider, who will then oversee the construction of the project and offer CalHFA the assurances we need that the ADU will ultimately be constructed. Current lenders can also partner with the

third party construction escrow provider to offer additional financing opportunities to their borrowers.

CalHFA Single Family staff have been working for many months to cultivate this financing flexibility, working very closely with HPP Cares and other potential partners to develop their ADU program and ensuring that their program would meet the requirements of CalHFA's ADU grant program. In the coming months, we hope to onboard additional ADU partners that can provide similar services and offer additional capacity.

As HPP Cares was building their program infrastructure, they were also offering in depth ADU education courses that walk homeowners through the process of building an ADU, how to access financing, and how to be landlord. Through this process, they developed a robust pipeline of potential borrowers that would qualify for the CalHFA ADU grant. Because of these efforts, upon approval of HPP Cares as a CalHFA qualified ADU partner in August 2022, the ADU grant program experienced a significant and sudden upswing in applications and reservations.

As of the first week of October, the ADU grant program has received over 1,200 grant reservations with total funds reserved of just over \$50 million. Of that amount, approximately \$33.5 million in ADU grants for more than 800 homeowners have been disbursed. While the vast majority of reservation activity is from HPP Cares, we are also seeing increased activity from ADU lenders with alternative financing products (such as a second mortgage with a managed construction escrow) and some activity related to construction and renovation loan products.

Due to the large volume of applicants, HPP Cares paused their application portal in early September and currently intends to reopen applications in late October. In the interim, CalHFA's Single Family staff is continuing to work to build on this financing flexibility by onboarding additional partners that can provide the critical third party managed construction escrow service, as well as several credit unions and other lenders that can offer unique portfolio products with the requisite managed construction escrow that will introduce more options into the market. Our ADU lender/partner approval process includes a review of licensing, insurance, company history and organization charts, and a program term sheet that assures the potential partner has the capacity and experience necessary to meet our program requirements.

#### Geographic Distribution

**Figure 1**, below identifies the distribution of ADU grant funds by Region. At 36 percent, Los Angeles County is the largest recipient of grant funds. For the last several years, Los Angeles

County has led the State in ADU production, accounting for nearly 60 percent of all ADUs produced Statewide since 2018. The 9-county Bay Area region also accounts for a significant level of ADU grant activity, bolstered by low housing inventories, high rental rates, and higher incomes.

While areas like the Inland Empire, Capital Region, and Central Valley have received smaller shares of ADU grant funds, note that these regions are receiving a higher proportion of grant funds than they have contributed to ADU production over the several years, suggesting that the ADU grant may be incentiving increased ADU production in those regions.

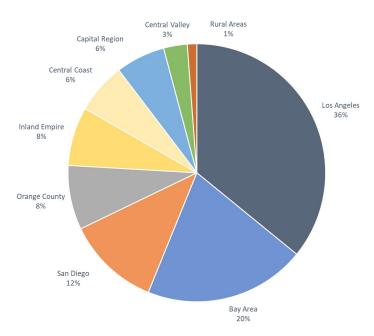

Figure 1: Distribution of ADU Grant Reservations by Region

#### **Future ADU Efforts**

The 2022-23 Budget also includes \$50 million in additional resources for the ADU Grant Program. Associated trailer bill language requires CalHFA to establish a working group that will develop ADU Program recommendations. The working group will be tasked with evaluating various approaches to increasing program utilization via financing alternatives, risk mitigation strategies and exploring outreach and education opportunities. While program utilizion does not appear to be an issue at this moment, CalHFA will assemble the ADU working group over the next several months, and will use this process to inform ongoing discussions and recommendations regarding how to further stimulate ADU production in California.

#### State of California

#### MEMORANDUM

To: Board of Directors Date: October 20, 2022

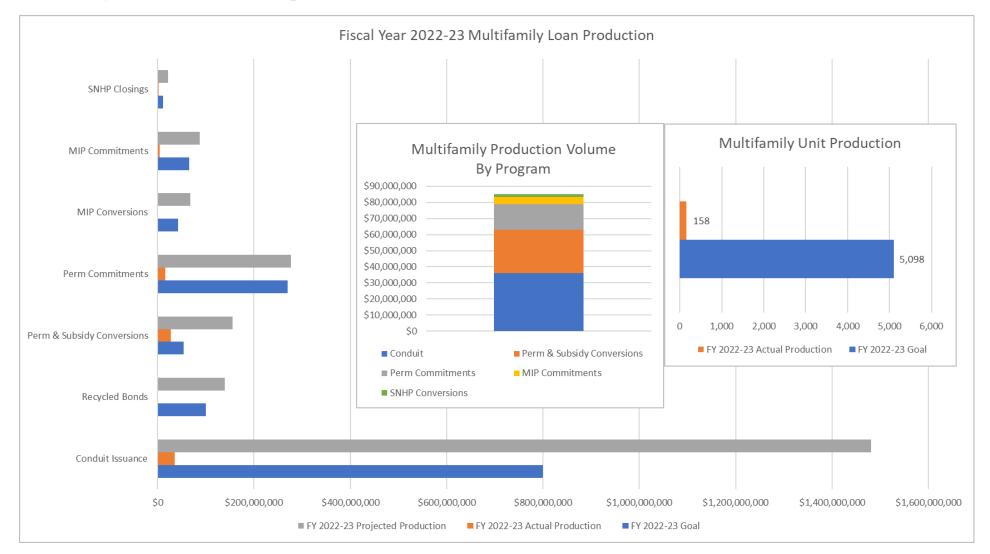

Kate Ferguson, Director of Multifamily

From: CALIFORNIA HOUSING FINANCE AGENCY

Subject: UPDATE ON MULTIFAMILY LOAN PRODUCTION

CalHFA offers a variety of loan programs with competitive rates and long-term financing to advance the creation and preservation of affordable housing for people who truly need it. CalHFA's Taxable, Tax-Exempt, and/or CalHFA funded Permanent Loan programs provide competitive long-term financing for affordable multifamily rental housing projects. The CalHFA Mixed-Income Program provides competitive long-term subordinate financing for new construction multifamily housing projects restricting units between 30% and 120% of county Area Median Income. The CalHFA Conduit Issuer Program is designed to facilitate both for-profit and non-profit developers in accessing tax-exempt and taxable bonds for the financing of family and senior affordable and mixed-income housing developments. The goals of the programs are to increase and preserve the supply of affordable rental housing, maintain a quality living environment, leverage private sector funds to the greatest extent possible, and to cooperate with local jurisdictions to advance affordable housing goals.
