CALIFORNIA HOUSING FINANCE AGENCY

STRATEGIC PLAN

FISCAL YEARS 2023-24 TO 2025-26

FY 2025-26 Business Plan, Operating Revenues, & Budget

Introduction

Greetings,

I am proud to present this update to the California Housing Finance Agency's 2023–2026 Strategic Plan, particularly as we reach this third and final year.

The plan provides overarching three-year goals and a blueprint to reach those goals through a progression of single-year initiatives and multi-year objectives. I believe it has already been successful in helping the Agency through a period of impressive growth.

As we enter the final year of the Plan, I am inspired by the work that has already been done to improve CalHFA's culture and outcomes in support of our mission to invest in diverse communities with financing programs that help more Californians have a place to call home, while maintaining fiscal prudence and a focus on equity.

When we developed this plan, the vision was to lay out a detailed roadmap that would make CalHFA the model affordable housing organization in the State of California and the most respected housing finance agency in the United States. I look forward to completing that journey this year.

Sincerely,

REBECCA FRANKLIN
