# A Pathway to More Housing

## VISION

Every Californian can build a thriving life in a stable home.

## MISSION

Delivering reliable financing solutions to advance housing opportunities for Californians.

### Advance Housing Opportunities

Help more **low to moderate income** Californians access safe, stable homes by expanding programs and funding innovation.

### Expanded Partnerships for Thriving Communities

Build thriving communities by working with our government partners to make housing easier to create and access.

### Efficiently Deliver Reliable Financing Solutions

Create simpler paths to reliable financing solutions by modernizing processes and building an empowered, high-performing workforce.

# CalHFA Recent Mortgage Rates

# Historical and Projected Interest Rates and Economic Factors

- Inflation expectations remain elevated, above the Fed's 2% target
- Approximate 60% chance of a 25 bps rate increase in FedFunds by year end – as indicated by futures
- Rates steady overall, with increase in new and existing home sales over the near future

# Proposed FY2026-27 Operating Revenues

- Single family volume projections are supported by market expectations around new and existing home sales
- Multifamily revenues are higher due to increased interest earnings from permanent loan closings. Most loans converting in FY2026-27 are fully hedged.
