SOURCE: State of California, Office of the State Treasurer

The State's Treasury operations are managed in compliance with the California Government Code and according to a Statement of investment policy which sets forth permitted investment vehicles, liquidity parameters and maximum maturity of investment. The PMIA operates with the oversight of the Pooled Money Investment Board (consisting of the State Treasurer, the State Controller and Director of Finance).

The Treasurer does not invest in leveraged products or inverse floating rate securities. The investment policy permits the use of repurchase agreement subject to limits of no more than 10 percent of the PMIA. All reverse repurchase agreements are cash matched either to the maturity of the reinvestment or an adequately positive cash flow date which is approximate to the maturity of the investment. The PMIA does not hold any investments in obligations of California investor-owned utilities.

The average life to the investment portfolio of the PMIA as of June 30, 2019 was 173 days.

The California Housing Loan Insurance Fund (“Mortgage Insurance Fund”)

The Mortgage Insurance Fund, a separate statutory fund administered by the Agency, was relied upon to provide mortgage insurance coverage for certain of the single-family mortgage loans held under the Indenture

In March 2003, CalHFA as administrator of the Insurance Fund entered into a reinsurance agreement (the “Genworth Reinsurance Agreement”) with Genworth Mortgage Insurance Corporation (“Genworth”) (formerly known as General Electric Mortgage Insurance Corporation) under which Genworth reinsured eligible qualified Mortgage Loans of specified types meeting specified underwriting standards insured by the Insurance Fund each year for a reinsurance term ending ten years from the beginning of the calendar year of origination. By December 31, 2017, the reinsurance terms for all loans reinsured by Genworth have been expired, and the contracts will not be removed.

As of **January 1, 2018**, Genworth no longer has any reinsurance obligations, however, the Agency has entered into a contract with Genworth to provide the Administrative Services for all remaining loans.

As of **June 30, 2019** the Mortgage Insurance Fund does not have available resources to fully pay claims on a timely basis. However each month, the Mortgage Insurance Fund continues to receive its share of premiums from policies still in force and uses the monthly premiums received to pay outstanding claims.

CalHFA has concluded that the CaHLIF program is in a wind-down mode primarily due to the lack of potential new capital infusion to support its programs.

On June 27, 2016, Senate Bill No. 837 was approved by the Governor. The bill requested the removal of the statutory requirement for CalHFA to have a Director of Insurance for CalHLIF, instead allowing existing agency staff to oversee the administrative responsibilities for the winding down of the Insurance Fund. The bill also requested that the statutory requirement for an annual audit of the Fund be replaced with an “agreed upon procedures” engagement of the fund’s books and accounts.

As of the date of this Annual Report the Agency is not accepting reservations for new Mortgage Loans to be funded under the indenture.
