

National Mortgage Settlement Housing Counseling Program

QUARTERLY

REPORT

California Housing Finance Agency

Quarterly Report **January 1 - March 31, 2025**

Introduction

California’s Fiscal Year 2020-21 State Budget directed \$300 million in National Mortgage Settlement (NMS) funds to the California Housing Finance Agency (CalHFA) for housing counseling and mortgage assistance. Through its NMS Housing Counseling Program, CalHFA has allocated \$122.7 million for HUD-certified housing counselors throughout the state to provide free, confidential counseling services to California residents who are in danger of eviction or foreclosure.

NMS Housing Counseling Program details

CalHFA allocates NMS funds to participating housing counseling agencies (HCAs) through HUD-approved Intermediaries: UnidosUS and BALANCE. Additionally, HomeFree USA participated in the program, as an intermediary, through the second quarter of 2023. The HCAs are reimbursed \$750 for a client’s first one-on-one counseling session, or up to \$750 worth of legal services.

An additional \$750 will be allowed if the same client returns for a second one-on-one session or a more in-depth level of counseling is needed (i.e. loan modification assistance).

The maximum per household limit is \$1,500. Intermediaries and HCAs also received funds upfront to be used for oversight, program support and capacity building. The upfront investment into building capacity was designed to improve and extend the life of the counseling services by ensuring that agencies can modernize their technology to accommodate more virtual meetings, have adequate staffing with updated training to improve customer service and expand the availability of languages offered.

Types of services

The HCAs provide counseling services grouped into these categories: services for the homeless, rental housing, mortgage delinquency, reverse mortgage, and

homebuying (pre- and post-purchase).

The chart below shows how many clients received counseling in each of these categories during the first quarter of 2025:

NMS fund allocations & disbursements

To begin the program in 2020, an allocation of \$50 million was approved by the CalHFA Board of Directors to fund the National Mortgage Settlement (NMS) Housing Counseling Program.

Subsequently, the Board approved additional requests to increase funding to the program. In October of 2021 the Board approved \$23.5 million, \$18 million in July of 2022, and up to \$50 million in May of 2023 to continue the program through December of 2025. In total, up to \$141.5 million has been approved for the counseling program, and currently \$122.7 million has been allocated to HUD-Approved Intermediaries.

Of the allocated funds, 89% has been designated for counseling services and capacity building, 1% for one-time grants to nonparticipating HCAs, 5% for a marketing and coordination set-aside to ensure reach to disadvantaged, underserved, and ethnically diverse communities, and, per legislation, the remaining 5% to CalHFA for

program administrative fees. The unique investment into building capacity was designed to improve and extend the life of the counseling services in California by ensuring that agencies can modernize their technology to accommodate more virtual meetings, have adequate staffing with updated training to improve customer service and expand the availability of languages offered.
