Program Bulletin #2005-24

To: CalHFA Approved Lenders

MODIFICATION TO LENDER ACCESS SYSTEM (LAS) TO COLLECT LOAN OFFICER INFORMATION

As part of CalHFA's Loan Officer Recognition effort, effective this date, the following additional information will be required when making a loan reservation:

- Loan officer's first and last name
- Loan officer's telephone number
- Branch address including street number, city and zip code
- Email
- Mortgage Broker name, Company name, telephone number, mailing and email addresses (if loan is wholesale)

This information will allow CalHFA to identify loan officers who currently offer CalHFA programs, as well as the counties they serve. It will also enable CalHFA to offer special recognition, marketing support and training to these loan officers.

By making these changes, CalHFA will increase the impact and encourage the use of its programs by as many first-time homebuyers as possible.
