Program Bulletin #2017-08

To: CalHFA Approved Lenders

Updates to Manufactured Housing Guidelines for All CalHFA FHA Loan Programs

Effective for all CalHFA FHA reservations on or after October 2, 2017, the guidelines for Manufactured Housing will now include these changes:

- Minimum credit score 660
- Maximum LTV 96.5%
- Maximum CLTV 105%
- Singlewide manufactured homes and leasehold properties are not eligible

We will continue to require an Automated Underwriting System (AUS) finding of Approve/Eligible (i.e., manual underwriting will not be permitted), and the loan must meet all other FHA 4000.1, Lakeview's and CalHFA's FHA loan program requirements.

The limitation of the 20-year loan term and age of the property have been removed.

Loan Program Handbooks will be updated to reflect the changes.

CalHFA thanks you for your business and we look forward to continuing to support your affordable housing loan needs.
