CalPLUS has two locking options. The rate can be locked at reservation or at any time during the reservation period if the float-to-lock option is chosen. All lenders must have full MAS access to lock the interest rate.

I have chosen the float option for CalPLUS FHA, and my loan has already been conditionally approved by CalHFA, but the rate has increased since approval. Do I need to have my loan re-underwritten?

Yes. Lenders may not lock a loan in MAS with an interest rate that is higher than the interest rate reflected on the CalHFA Notice of Commitment.

What is the rate lock period for the CalPLUS FHA?

Lenders may lock the interest rate for sixty (60) days for both existing/ resale properties and new construction properties.

FAQ's (cont.)

I cannot close my loan in time. Can I get a rate lock extension?

All rate lock extensions must be requested through CalHFA's Secondary Marketing Unit via email (ratelocks@calhfa.ca.gov) prior to the expiration of the current rate lock. Rate lock extension fees are posted on the [Rates & Reservation](#) page of the CalHFA website.

Can my borrower pay for the cost of the rate lock extension of the CalPLUS FHA?

Yes. The borrower(s) or seller(s) may be charged with the cost of the extension fee for the first mortgage, however you must follow TRID fee requirements. At the time of purchase by CalHFA's master servicer, the rate lock extension fee(s) are to be net funded from the lender's proceeds. Late fees on subordinate loans may not be charged to the borrower(s) and will be net funded at the time of purchase by CalHFA.

What if the borrower changes properties? Can I cancel the existing reservation and re-reserve the CalPLUS FHA?

Yes, reservations are borrower, property and lender specific. If the borrower changes properties, the existing reservation must be cancelled before a new reservation is made. The underwriting and program guidelines in effect at the time of the re-reservation will apply.

My borrower had a loan reservation with another lender, but now they want to go through me. Can I reserve for the CalPLUS FHA?

If the rate was not locked on the other lender's reservation, the new lender may reserve the loan once the previous reservation is cancelled by the original lender. If the rate was locked by CalHFA, the new lender may reserve the loan after the sixty (60) day wait period from the original rate lock expiration.

Does CalPLUS FHA need to be delivered to the master servicer by the rate expiration date?

No. The loan must be delivered and purchased by the master servicer prior to the rate lock expiration date. CalHFA suggests loan delivery by the 45th day for sixty (60) day rate locks or the 75th day for ninety (90) day rate locks, or earlier to ensure time to clear conditions and purchase prior to expiration date.

How often does the master servicer purchase for CalPLUS FHA?

The master servicer will purchase approved loans on a daily basis.
