Program Summary

The School Teacher and Employee Assistance Program (School Program) is a deferred payment, simple interest rate subordinate loan that is combined with a CalHFA first mortgage. Your low to moderate income first-time homebuyer can use this loan for downpayment and/or closing cost assistance. The School Program loan provides up to 4.0% of the sales price or appraised value of the property, whichever is less, and must be recorded in second lien position.

CalHFA allows qualified homebuyers to layer other FHA-approved or Fannie Mae Community Second subordinate loans or grants to maximize affordability (with the exception of MyHome).

Participating Lenders

Term

The term of School Program matches the term of the CalHFA first mortgage not to exceed thirty (30) years. Payments on the subordinate loan are deferred for the life of the first loan. School Program is due and payable when certain events occur. See “Repayment of Subordinate Loan” section.

Maximum Loan Amount

- Amount not to exceed 4.0% of the sales price or appraised value, whichever is less.

LTV and CLTV

Loan-to-Value (LTV) to follow the applicable insurer/guarantor investor guidelines and the applicable first mortgage underwriting guidelines

Maximum Combined Loan-to-Value (CLTV) cannot exceed 105%

Income Requirements

Lenders are required to calculate income to qualify borrower(s) for loan approval using investor guidelines. CalHFA will recalculate the borrower’s income pursuant to tax compliance guidelines. Watch our training videos for assistance with [Income Calculations](#).

Qualifying Income vs. Tax Compliance Income

Qualifying income is the income used by the lender to determine that the borrower(s) have the ability to meet their monthly obligation. Lender will continue to adhere to the guidelines of their internal underwriting guidelines, mortgage insurer, and this program handbook. This income may differ from the income used by CalHFA for tax compliance purposes. All sources of income must be used to determine program compliance income limits.

Maximum Tax Compliance Income Limits

The income of all borrowers cannot exceed the published [CalHFA income limits](#) established for the county in which the property is located.

CalHFA will calculate family income for CalHFA School Program eligibility. “Family income” is defined as the annualized gross income of a mortgagor, and any other person who is expected to:
