

CalHFA Loan Submission Handbook

CalHFA Loan Process (Submission, Approval & Purchase)

The lender must upload to CalHFA's [Mortgage Access System](#) (MAS) a fully approved loan package per CalHFA's [Loan Submission Checklist](#) for program policy, compliance review and desktop underwriting validation.

CalHFA will review loan files on a first-come, first-served basis. Lenders will receive status of each loan by either a Notice of Commitment, suspension and/or rejection via MAS.

Suspended loan files will not be reviewed until all suspense items are uploaded to MAS.

Upon receipt of the Notice of Commitment, the lender is authorized to draw documents and close the loan(s).

After closing, within 10 days, the lender will then upload a closed first mortgage purchase package to Lakeview Loan Servicing and simultaneously upload any CalHFA subordinate loan (i.e. MyHome or ZIP) purchase package(s) to CalHFA for purchase to ensure that the purchase of all loans meet the rate lock expiration.
