

Transition Assistance Program

Summary Guidelines

- 1. Program Overview**

The Transition Assistance Program (“TAP”) is one of CalHFA MAC’s federally-funded programs developed to provide eligible homeowners with transition assistance when it is determined that they can no longer afford their home.

TAP will be used in conjunction with short sale and deed-in-lieu programs to help homeowners make a smooth transition to housing. Homeowners will be required to occupy and maintain the property until the home is sold or returned to the lender as negotiated.

Program funds will be available on a one-time only basis up to \$5,000 per household and can be used or layered with other CalHFA MAC HHF programs. Funds will be sent to the homeowner after the short sale or deed-in-lieu of foreclosure closing. Funds are intended to help the homeowner secure new housing (e.g., rent, moving expenses, and security deposits) and will also be available for transition assistance counseling services.
- 2. Program Goals**

CalHFA MAC envisions that these monies would be used to complement other federal or lender programs designed specifically to stabilize communities by providing assistance to homeowners who have suffered a financial hardship and as a result are no longer financially able to afford their first-lien mortgage loan payments or their Property Expenses when associated with a reverse mortgage loan.
- 3. Target Population/
Areas**

TAP is designed to target low-to-moderate income homeowners and address the needs of a homeowner’s specific situation in lieu of targeting certain regions or counties.
- 4. Program Allocation
(Excluding Administrative
Expenses)**

\$3,845,000.00
