Borrower shall immediately pay the Agency upon demand all costs and expenses incurred by the Agency in connection with: (a) to the extent provided in the Commitment, the preparation of this Disbursement Agreement, all other MHSA Permanent Loan Documents and other related documents contemplated hereby; and (b) the enforcement or satisfaction by the Agency of any of Borrower's obligations under this Disbursement Agreement, the other MHSA Permanent Loan Documents or the other related documents. If applicable, for all purposes of this Disbursement Agreement, the Agency's costs and expenses shall include, without limitation, all appraisal fees, construction inspection fees, legal fees and expenses, accounting fees, environmental consultant fees, auditor fees, UCC filing fees and/or UCC vendor fees, and the cost to the Agency of any title insurance premiums, title surveys, reconveyance and notary fees. Borrower recognizes and agrees that formal written appraisals of the Development and Improvements by a licensed independent appraiser may be required by the Agency's internal procedures and/or federal regulatory reporting requirements on an annual and/or specialized basis and that the Agency may, at its option, require inspection of the Development and Improvements by an independent supervising architect and/or engineer: (i) prior to each Disbursement; (ii) at least once each month during the course of construction even though no Disbursement is to be made for that month; (iii) upon completion of the Improvements; and (iv) at least semi-annually thereafter. If any of the services described above are provided by an employee of the Agency, the Agency's costs and expenses for such services shall be calculated in accordance with the Agency's standard charge for such services.

8.2 TAX CREDIT INVESTMENT (if applicable).

Borrower's Obligations. Borrower shall: (a) timely do or cause to be done everything necessary to satisfy all conditions to the funding of the capital contributions; (b) not commit any breach or default under its organizational documents; (c) maintain its organizational documents in full force and effect until all sums owing to the Agency with respect to the MHSA Permanent Loan have been paid; and (d) except as necessary to admit tax credit investor as a limited partner or to permit tax credit investor to transfer its interest to the extent permitted by, and subject to any condition in the MHSA Regulatory Agreement, not consent to any termination, amendment or modification of its organizational documents without the Agency's prior written consent.

8.3 OTHER FINANCING. If Borrower has obtained any other commitments for a Construction Loan or permanent financing, Borrower shall not: (a) commit any breach or default under such commitments; (b) fail to maintain such commitments in full force and effect; or (c) consent to any termination, amendment or modification of such commitments without the Agency's prior written consent.

8.4 LEASING. After completion of the Improvements and issuance of a Certificate of Occupancy or Notice of Completion, Borrower shall use its best efforts to lease one hundred percent (100%) of the residential units in the Development to tenants and at rental rates approved by the Agency and consistent with the MHSA Regulatory Agreement, and all other restrictions recorded against the Development and on a lease form which may be subject to approval by the Agency, which approval shall not be unreasonably withheld or delayed.

8.5 SUBDIVISION MAPS. Prior to recording any final map, plat, parcel map, lot line adjustment or other subdivision map of any kind covering any portion of the Development (collectively, "***Subdivision Map***"), Borrower shall submit such Subdivision Map to the Agency for the Agency's review and approval, which approval shall not be unreasonably withheld. Within five (5) Business Days after the Agency's request, Borrower shall execute, acknowledge and deliver to the Agency such amendments to the MHSA Permanent Loan Documents as the Agency may reasonably require to reflect the change in the legal description of the Development resulting from the recordation of any Subdivision Map. In connection with and promptly after the recordation of any amendment or other modification to the MHSA Deed of Trust recorded in connection with such amendments, Borrower shall deliver to the Agency, at Borrower's sole expense, a title endorsement to the title policy, in form and substance satisfactory to the Agency, insuring the lien of the MHSA Deed of Trust in the same priority as existed prior to such amendment or modification under this paragraph. Subject to the execution and delivery by Borrower of any documents required under this Section, the Agency shall, if required by applicable law, sign any Subdivision Map approved by the Agency pursuant to this Section.

8.6 FURTHER ASSURANCES. Upon the Agency's request and at Borrower's sole cost and expense, Borrower shall execute, acknowledge and deliver any other instruments and perform any other acts necessary, desirable or proper, as determined by the Agency, to carry out the purposes of this Disbursement Agreement and the other MHSA Permanent Loan Documents or to perfect and preserve any liens created by the MHSA Permanent Loan Documents.

8.7 ASSIGNMENT. Without the prior written consent of the Agency, Borrower shall not assign Borrower's interest under any of the MHSA Permanent Loan Documents, or in any monies due or to become due thereunder, and any assignment without such consent shall be void. In this regard, Borrower acknowledges that the Agency would not make this MHSA Permanent Loan except in reliance on Borrower's expertise, reputation, prior experience in developing and constructing commercial real property, and the Agency's knowledge of Borrower.

8.8 NO AMENDMENT. Except as otherwise permitted by the terms of this Disbursement Agreement, Borrower shall not materially amend or materially modify, nor shall

Borrower terminate, any of the following documents without the Agency's prior written consent (which shall not be unreasonably withheld or delayed) and shall keep in full force and effect the following documents, and Borrower shall comply with all terms and provisions thereof: (a) Construction Contract; (b) Architect's Agreement; (c) Engineers' Agreements; and/or (d) Management Agreement.

8.9 PERMITS. Borrower shall have provided all necessary building and grading permits for construction of the Improvements to the Agency prior to the MHSA Permanent Loan Closing Date or as soon thereafter as they are customarily available in the ordinary course.

8.10 PROVISIONS TO BE INCLUDED IN CONTRACTS. Borrower agrees that it will include in the Construction Contract and will include or cause the Contractor to include in all agreements with subcontractors (which term for the purpose of this section also shall include material suppliers and equipment lessors) a provision that if the Contractor or any officers or director of the Contractor, or any stockholder holding ten percent (10%) or more of the voting stock of the Contractor, or any person having directly or indirectly an interest of ten percent (10%) or more in the Contractor, also is a subcontractor or material supplier or stockholder holding ten percent (10%) or more of the voting stock of a subcontractor or material supplier, or directly or indirectly has an interest of ten percent (10%) or more in a subcontractor or material supplier, then the Contractor shall disclose in writing to the Agency the identity of such subcontractor or material supplier and obtain the written approval of the Agency to their use; and if such subcontractor or material supplier is approved by the Agency, the Contractor shall certify simultaneously with the request for any payment to them that the amount paid to them is a fair and reasonable price for the work or materials.

ARTICLE 9. DEFAULTS AND REMEDIES

9.1 DEFAULT. The occurrence of any one or more of the following shall constitute an event of default ("*Default*") under this Disbursement Agreement and the other MHSA Permanent Loan Documents:

(a) **Performance of Obligations.** Borrower's failure to perform any other obligation under any of the MHSA Permanent Loan Documents; provided, however, that if a cure period is provided for the remedy of such failure, Borrower's failure to perform will not constitute a Default until such date as the specified cure period expires; or

(b) **Representations and Warranties.** The failure of any representation or warranty of Borrower in any of the MHSA Permanent Loan Documents, including the Commitment, and the continuation of such failure for more than ten (10) days after written notice to Borrower from the Agency requesting that Borrower cure such failure; or

(d) Liens, Attachment; Condemnation. (i) The recording of any claim of lien against the Development or Improvements or the service on the Agency of any bonded stop notice relating to the MHSA Permanent Loan and the continuance of such claim of lien or bonded stop notice for twenty (20) days without discharge, satisfaction or provision for payment being made by Borrower in a manner satisfactory to the Agency; or (ii) the condemnation, seizure or appropriation of, or occurrence of an uninsured casualty with respect to any material portion of the Development or Improvements; or (iii) the sequestration or attachment of, or any levy or execution upon any of the Development or Improvements, any other collateral provided by Borrower under any of the MHSA Permanent Loan Documents, or any substantial portion of the other assets of Borrower, which sequestration, attachment, levy or execution is not released, expunged or dismissed prior to the earlier of thirty (30) days or the sale of the assets affected thereby; or

(e) Voluntary Bankruptcy; Insolvency; Dissolution. (i) The filing of a petition by Borrower for relief under the bankruptcy or laws related to insolvency, or under any other present or future state or federal law regarding bankruptcy, reorganization or other debtor relief law; or (ii) the filing of any pleading or an answer by Borrower in any involuntary proceeding under the Bankruptcy Code or other debtor relief law which admits the jurisdiction of the court or the petition's material allegations regarding Borrower's insolvency; or (iii) a general assignment by Borrower for the benefit of creditors; or (iv) Borrower applying for, or the appointment of, a receiver, trustee, custodian or liquidator of Borrower or any of its property; or

(f) Involuntary Bankruptcy. The failure of Borrower to effect a full dismissal of any involuntary petition under the bankruptcy or laws related to insolvency or under any other debtor relief law that is filed against Borrower or in any way restrains or limits Borrower or the Agency regarding the MHSA Permanent Loan, the Development or the Improvements, prior to the earlier of the entry of any court order granting relief sought in such involuntary petition, or sixty (60) days after the date of filing of such involuntary petition; or

(g) Partners; Managing Members. The occurrence of any of the events specified in Section 9.1(e) or 9.1(f) as to any General Partner or managing member of Borrower; or

DRAFT – DO NOT EXECUTE

(h) Prohibited Transfers. Except as permitted in the MHSA Regulatory Agreement, the transfer of any interest in the Development or the transfer of equity interests in Borrower; or

(i) Loss of Priority. The failure at any time of the MHSA Deed of Trust to be a valid lien upon the Development and Improvements or any portion thereof, other than as a result of any release or reconveyance of the MHSA Deed of Trust with respect to all or any portion of the Property and Improvements pursuant to the terms and conditions of this Disbursement Agreement; or

(j) Hazardous Materials. The discovery of any significant Hazardous Materials not disclosed in the Phase I report in, on or about the Development or Improvements subsequent to the Effective Date. Any such Hazardous Materials shall be “significant” for this purpose if said Hazardous Materials, in the Agency's sole discretion, have a materially adverse impact on the value of the Development and Improvements; or

(k) Loans. The occurrence of a default under any other commitments or loans for the construction or permanent financing of any portion of the Development, after expiration of applicable cure periods; or

(l) Tax Credit Investor's Bankruptcy (if applicable). The occurrence of any of the events specified in Sections 9.1(e) and 9.1(f) of this Disbursement Agreement with respect to Tax Credit Investor unless Borrower has identified a new Tax Credit Investor within sixty (60) days satisfactory to the Agency in the Agency's sole discretion and such new Tax Credit Investor has been admitted as a limited partner in Borrower within thirty (30) days after the expiration of such sixty (60) day period pursuant to an amendment to Borrower's Partnership Agreement and any related documents reasonably satisfactory to the Agency; or

(m) Tax Credits (if applicable). Failure to remain in compliance with the California Tax Credit Allocation Committee (“CTCAC”) requirements, which may result in a loss or expiration of tax credits, subject to any cure periods permitted under the CTCAC requirements; or

(n) Taxes and Insurance. Failure of the Borrower to pay when due all premiums or amounts owing for property taxes and insurance related to the Development; or

(o) Organizational Documents. The occurrence of a default under the Borrower’s organizational documents after expiration of applicable cure periods.

9.2 ACCELERATION UPON DEFAULT; REMEDIES. Upon the occurrence of any Default specified in this Article 9, the Agency may, at its sole option, declare all sums owing to the Agency under the MHSA Promissory Note, this Disbursement Agreement and the other MHSA Permanent Loan Documents immediately due and payable. Upon such acceleration, the Agency may, in addition to all other remedies permitted under this Disbursement Agreement and the other MHSA Permanent Loan Documents and at law or equity, apply any sums held by the

DRAFT – DO NOT EXECUTE

Agency to the sums owing under the MHSA Permanent Loan Documents and any and all obligations of the Agency to fund further Disbursements under the MHSA Permanent Loan shall terminate.

9.3 DISBURSEMENT TO THIRD PARTIES. Upon the occurrence of a Default occasioned by Borrower's failure to pay money to a third party as required by Sections 9.1 (k) or 9.1(o), the Agency may but shall not be obligated to make such payment from the MHSA Permanent Loan proceeds, or other funds held by the Agency. If such payment is made from proceeds of the MHSA Permanent Loan, Borrower shall immediately deposit with the Agency, upon written demand, an amount equal to such payment. If such payment is made from funds of the Agency, Borrower shall immediately repay such funds upon written demand of the Agency. In either case, the Default with respect to which any such payment has been made by the Agency shall not be deemed cured until such deposit or repayment (as the case may be) has been made by Borrower to the Agency.

9.4 AGENCY'S COMPLETION OF CONSTRUCTION. Upon the occurrence of a Default, the Agency may (but shall not be obligated to), and upon five (5) days prior written notice to Borrower, and with or without legal process, take possession of the Development and Improvements, remove Borrower and all agents, employees and contractors of Borrower from the Development and Improvements, complete the work of construction and market, operate and sell or lease the Development and/or Improvements. For this purpose, Borrower irrevocably appoints the Agency as its attorney-in-fact. As attorney-in-fact, the Agency may, in Borrower's name, take or omit to take any action the Agency may deem appropriate, including, without limitation, exercising Borrower's rights under the MHSA Permanent Loan Documents and all contracts concerning the Development and/or Improvements.

9.5 AGENCY'S CESSATION OF CONSTRUCTION. If the Agency determines at any time that the Improvements are not being constructed in accordance with the Plans and Specifications and all governmental requirements, the Agency may immediately cause all construction to cease on any of the Improvements affected by the condition of nonconformance. Borrower shall thereafter not allow any construction work, other than corrective work, to be performed on any of the Improvements affected by the condition of nonconformance until such time as the Agency notifies Borrower in writing that the nonconforming condition has been corrected.

9.6 REPAYMENT OF FUNDS ADVANCED. Any funds expended by the Agency in the exercise of its rights or remedies under this Disbursement Agreement and the other MHSA Permanent Loan Documents shall be payable to the Agency upon demand, together with interest at a rate of ten percent (10%) from the date the funds were expended.

9.7 RIGHTS CUMULATIVE, NO WAIVER. All the Agency's rights and remedies provided in this Disbursement Agreement and the other MHSA Permanent Loan Documents, together with those granted by law or at equity, are cumulative and may be exercised by the Agency at any time. The Agency's exercise of any right or remedy shall not constitute a cure of any Default unless all sums then due and payable to the Agency under the MHSA Permanent

Loan Documents are repaid and Borrower has cured all other Defaults. No waiver shall be implied from any failure of the Agency to take, or any delay by the Agency in taking, action concerning any Default or failure of condition under the MHSA Permanent Loan Documents, or from any previous waiver of any similar or unrelated Default or failure of condition. Any waiver or approval under any of the MHSA Permanent Loan Documents must be in writing and shall be limited to its specific terms.

ARTICLE 10. MISCELLANEOUS PROVISIONS

10.1 INDEMNITY. BORROWER HEREBY AGREES TO DEFEND, INDEMNIFY AND HOLD HARMLESS THE AGENCY, ITS DIRECTORS, OFFICERS, EMPLOYEES, AGENTS, SUCCESSORS AND ASSIGNS FROM AND AGAINST ANY AND ALL LOSSES, DAMAGES, LIABILITIES, CLAIMS, ACTIONS, JUDGMENTS, COURT COSTS AND LEGAL OR OTHER EXPENSES (INCLUDING, WITHOUT LIMITATION, REASONABLE ATTORNEY FEES AND EXPENSES), EXCEPT ARISING SOLELY FROM THE AGENCY'S GROSS NEGLIGENCE OR WILLFUL MISCONDUCT, WHICH THE AGENCY MAY INCUR AS A DIRECT OR INDIRECT CONSEQUENCE OF: (A) THE PURPOSE TO WHICH BORROWER APPLIES THE MHSA PERMANENT LOAN PROCEEDS; (B) THE FAILURE OF BORROWER TO PERFORM ANY OBLIGATIONS AS AND WHEN REQUIRED BY THIS DISBURSEMENT AGREEMENT OR ANY OF THE OTHER MHSA PERMANENT LOAN DOCUMENTS; (C) ANY FAILURE AT ANY TIME OF ANY OF BORROWER'S REPRESENTATIONS OR WARRANTIES TO BE TRUE AND CORRECT; OR (D) ANY ACT OR OMISSION BY BORROWER, CONSTITUENT PARTNER OR MEMBER OF BORROWER, ANY CONTRACTOR, SUBCONTRACTOR OR MATERIAL SUPPLIER, ENGINEER, ARCHITECT OR OTHER PERSON OR ENTITY WITH RESPECT TO ANY OF THE DEVELOPMENT OR IMPROVEMENTS. BORROWER SHALL IMMEDIATELY PAY TO THE AGENCY UPON DEMAND ANY AMOUNTS OWING UNDER THIS INDEMNITY, TOGETHER WITH INTEREST FROM THE DATE THE INDEBTEDNESS ARISES UNTIL PAID AT THE RATE OF INTEREST OF TEN PERCENT (10%). BORROWER'S DUTY AND OBLIGATIONS TO DEFEND, INDEMNIFY AND HOLD HARMLESS THE AGENCY SHALL SURVIVE CANCELLATION OF THE MHSA PROMISSORY NOTE AND THE RELEASE, RECONVEYANCE OR PARTIAL RECONVEYANCE OF THE MHSA DEED OF TRUST. With respect to principal and interest owed on the MHSA Promissory Note, the foregoing indemnification obligation is subject to the limitations on recourse in the MHSA Promissory Note and MHSA Deed of Trust.

10.2 FORM OF DOCUMENTS. Upon the Agency's demand, the form and substance of all documents, instruments, and forms of evidence to be delivered to the Agency under the terms of this Disbursement Agreement and any of the other MHSA Permanent Loan Documents shall be subject to the Agency's approval and shall not be modified, superseded or terminated in any respect without the Agency's prior written approval.

DRAFT – DO NOT EXECUTE

10.3 NO THIRD PARTIES BENEFITED. Unless otherwise agreed to by the Agency, no person other than the Agency and Borrower and their permitted successors and assigns shall have any right of action under any of the MHSA Permanent Loan Documents.

10.4 NOTICES. All notices, demands, or other communications under this Disbursement Agreement and the other MHSA Permanent Loan Documents shall be in writing and shall be delivered to the appropriate party at the address set forth on the signature page of this Disbursement Agreement. All notices, demands or other communications shall be considered as properly given if delivered personally or sent by first class United States Postal Service mail, postage prepaid, except that notice of a Default may be sent by certified mail, return receipt requested, or by overnight express mail or by overnight commercial courier service, charges prepaid. Notices so sent shall be effective three (3) Business Days after mailing, if mailed by first class mail, and otherwise upon receipt; provided, however, that non-receipt of any communication as the result of any change of address of which the sending party was not notified or as the result of a refusal to accept delivery shall be deemed receipt of such communication. For notices other than to Borrower, Agency shall use its best efforts, and no legal consequences shall arise by reason of Agency's failure to give notice to any person other than Borrower.

10.5 ATTORNEY-IN-FACT. Borrower hereby irrevocably appoints and authorizes the Agency, as Borrower's attorney-in-fact, which agency is coupled with an interest, to execute and/or record in the Agency's or Borrower's name any notices, financing statements, instruments or documents that the Agency deems appropriate to perfect or protect the Agency's interest under any of the MHSA Permanent Loan Documents.

10.6 RIGHT OF CONTEST. Borrower may contest in good faith any claim, demand, levy or assessment (other than liens and stop notices) by any person other than the Agency which would constitute a Default if: (a) Borrower pursues the contest diligently, in a manner which the Agency determines is not prejudicial to the Agency, and does not impair the rights of the Agency under any of the MHSA Permanent Loan Documents; and (b) Borrower deposits with the Agency any funds or other forms of assurance which the Agency in good faith determines from time to time appropriate to protect the Agency from the consequences of the contest being unsuccessful. Borrower's compliance with this Section shall operate to prevent such claim, demand, levy or assessment from becoming a Default.

10.7 RELATIONSHIP OF PARTIES. The relationship of Borrower and the Agency under the MHSA Permanent Loan Documents is, and shall at all times remain, solely that of borrower and lender, and the Agency neither undertakes nor assumes any responsibility or duty to Borrower or to any third party with respect to the Development or Improvements, except as expressly provided in this Disbursement Agreement and the other MHSA Permanent Loan Documents.

10.8 DELAY OUTSIDE THE AGENCY'S CONTROL. The Agency shall not be liable in any way to Borrower or any third party for the Agency's failure to perform or delay in performing under the MHSA Permanent Loan Documents (and the Agency may suspend or

DRAFT – DO NOT EXECUTE

terminate all or any portion of the Agency's obligations under the MHSA Permanent Loan Documents) if such failure to perform or delay in performing results directly or indirectly from, or is based upon, the action, inaction, or purported action, of any governmental or local authority, or because of war, rebellion, insurrection, strike, lock-out, boycott or blockade (whether presently in effect, announced or in the sole judgment of the Agency deemed probable), or from any Act of God or other cause or event beyond the Agency's control.

10.9 ATTORNEY FEES AND EXPENSES; ENFORCEMENT. If any attorney is engaged by the Agency to enforce or defend any provision of this Disbursement Agreement, any of the other MHSA Permanent Loan Documents or other related documents, or as a consequence of any Default under the MHSA Permanent Loan Documents, with or without the filing of any legal action or proceeding, and including, without limitation, any fees and expenses incurred in any bankruptcy proceeding of the Borrower, then Borrower shall immediately pay to the Agency, upon demand, the amount of all attorney fees and expenses and all costs incurred by the Agency in connection therewith, including allocated fees and expenses of the Agency's in-house counsel, together with interest thereon from the date of such demand until paid at the rate of interest of ten percent (10%).

10.10 AGENCY'S CONSENT. Wherever in this Disbursement Agreement there is a requirement for the Agency's consent and/or a document to be provided or an action taken "to the satisfaction of the Agency", it is understood by such phrase that the Agency shall exercise its consent, right or judgment in a reasonable manner given the specific facts and circumstance applicable at the time.

10.11 AGENCY'S AGENTS. The Agency may designate an agent or independent contractor to exercise any of the Agency's rights under this Disbursement Agreement and any of the other MHSA Permanent Loan Documents. Any reference to the Agency in any of the MHSA Permanent Loan Documents shall include the Agency's agents, employees or independent contractors. Borrower shall pay the costs of such agent or independent contractor either directly to such person or to the Agency in reimbursement of such costs, as applicable.

10.12 TAX SERVICE. The Agency is authorized to secure, at Borrower's expense, a tax service contract with a third party vendor which shall provide tax information on the Development and Improvements satisfactory to the Agency.

10.13 SEVERABILITY. If any provision or obligation under this Disbursement Agreement and the other MHSA Permanent Loan Documents shall be determined by a court of competent jurisdiction to be invalid, illegal or unenforceable, that provision shall be deemed severed from the MHSA Permanent Loan Documents and the validity, legality and enforceability of the remaining provisions or obligations shall remain in full force as though the invalid, illegal, or unenforceable provision had never been a part of the MHSA Permanent Loan Documents, provided, however, that if the rate of interest or any other amount payable under the MHSA Promissory Note or this Disbursement Agreement or any other MHSA Permanent Loan Document, or the right of collectibility therefor, is declared to be or become invalid, illegal or

DRAFT – DO NOT EXECUTE

unenforceable, the Agency's obligations to make Disbursements under the MHSA Permanent Loan Documents shall not be enforceable by Borrower.

10.14 HEIRS, SUCCESSORS AND ASSIGNS. Except as otherwise expressly provided under the terms and conditions of this Disbursement Agreement, the terms of the MHSA Permanent Loan Documents shall bind and inure to the benefit of the heirs, successors and assigns of the parties.

10.15 TIME. Time is of the essence of each and every term of this Disbursement Agreement.

10.16 HEADINGS. All article, section or other headings appearing in this Disbursement Agreement and any of the other MHSA Permanent Loan Documents are for convenience of reference only and shall be disregarded in construing this Disbursement Agreement and any of the other MHSA Permanent Loan Documents.

10.17 GOVERNING LAW. This Disbursement Agreement shall be governed by, and construed and enforced in accordance with the laws of the State of California, except to the extent preempted by federal laws. Borrower and all persons and entities in any manner obligated to the Agency under the MHSA Permanent Loan Documents consent to the jurisdiction of any federal or state court within the State of California having proper venue and also consent to service of process by any means authorized by California or federal law.

10.18 INTEGRATION; INTERPRETATION. The MHSA Permanent Loan Documents contain or expressly incorporate by reference the entire agreement of the parties with respect to the matters contemplated therein and supersede all prior negotiations or agreements, written or oral. The MHSA Permanent Loan Documents shall not be modified except by written instrument executed by all parties. Any reference to the MHSA Permanent Loan Documents includes any amendments, renewals or extensions now or hereafter approved by the Agency in writing.

10.19 JOINT AND SEVERAL LIABILITY. The liability of all persons and entities obligated in any manner under this Disbursement Agreement and any of the MHSA Permanent Loan Documents shall be joint and several.

10.20 COUNTERPARTS. To facilitate execution, this document may be executed in as many counterparts as may be convenient or required. It shall not be necessary that the signature of, or on behalf of, each party, or that the signature of all persons required to bind any party, appear on each counterpart. All counterparts shall collectively constitute a single document. It shall not be necessary in making proof of this document to produce or account for more than a single counterpart containing the respective signatures of, or on behalf of, each of the parties hereto. Any signature page to any counterpart may be detached from such counterpart without impairing the legal effect of the signatures thereon and thereafter attached to another counterpart identical thereto except having attached to it additional signature pages.
