

CalHFA LOGO AND CONSTRUCTION SIGNAGE REQUIREMENTS

Prior to groundbreaking and continuing through completion of development construction, the sponsor shall prominently display a job sign at the construction site that indicates the Project has received financing from the California Housing Finance Agency (“CalHFA”).

If the job sign includes the acknowledgement and/or logo of one or more other public lenders, the CalHFA acknowledgement and logo shall be displayed in a similar size and layout.

An electronic copy of the CalHFA logo can be emailed to you in your requested file format if you contact CalHFA staff assigned to your Project. Immediately upon placement of the sign, the sponsor should email a photo of the signage to CalHFA staff so they can verify compliance with these signage requirements.
